

Flower Painting Workshop

July 11, 2020 (9:30 - 4:30)

Join us as we learn to paint the petals and leaves of the majestic rose. Using oil paint, participants will learn how to begin a floral painting and how to mix the colors necessary to portray subtle shadows and light. We will paint seated in order to take the time to study the structure of each bloom. Working slowly, artists will learn specific techniques to make the painting process easier. Flowers will be provided. All levels of experience are welcome.

Christina Grace Mastrangelo

Tuition: \$95
