HIGHLAND TONICA WATER.

HIGHLAND TONICA WATER

Is from the Now Famous Springs of
HIGHLAND PARK, CONN.

No other Spring in the world can show such marvelous results during the first two years of its introduction in the treatment of Dyspepsia, Indigestion, Diabetes, Bright's Disease, Malaria, Rheumatism, Female Weaknesses and all Blood Disorders.

The reason why invalids have not hitherto received the promised aid from the use of other Mineral Waters is that the Analysis of nearly all Mineral Waters show an excess of one or two properties, and a lack of others of equal value. In order to take a sufficient quantity of one, an excessive quantity of the others must also be taken, producing a counteracting effect and thus destroying the beneficial results which are expected.

In Highland Tonica Water it is not so. Nature's compound is perfect, there is enough of each and nothing to spare. Thus Highland Tonica Water supplies every want of the human system without any counteracting effect.

LETTERS FROM THE PEOPLE.

BROOKLYN, N. Y., January 11, 1887.

To the Case Brothers, Highland Park, Conn.
GENTLEMEN.—I have carefully observed the effect produced by the Highland Tonica Water in the cases of five patients, and have also had occasion to notice the results of its use in several other instances. Of the five patients, three were affected with malarial fever of a severe character, and were also anemic. One was a case of diabetes mellitus, and one suffered from anamia and general nervous prostration. I think the water truly named Tonica, for it exerted a decidedly tonic effect upon all these patients. I cannot say that it will cure bad cases of malarial fever, though it may, if it is continued long enough, but it certainly put the patients into a better position to resist the inroads of the disease; and it is certainly a sovereign remedy for anamia, and is more efficacious in diabetes than any other remedy I have tried. I regard it as outranking Vichy for all kidney diseases. Its chemical constituents would indicate this result. A longer experience may and probably will develop other virtues in this really valuable mineral water.

L. P. BROCKETT, M. D.
41 WEST 36TH STREET, NEW YORK,
June 29, 1886.

Messrs. Case Brothers:
GENTLEMEN.—Please send one case Tonica Water to 41 West Thirty-sixth street. The sample proved most satisfactory, and I cordially recommend it, so much so that I have sent four of my patients to you for the same, and shall continue to prescribe its use. I thank your agent for calling, as I had no knowledge of Tonica, ever using the Catsbad Water. I consider this Tonica Water superior to any I have used.

With respect,
S. H. BACKUS, M. D.
No. 574 LEXINGTON AVENUE,
NEW YORK, June 10, 1886.

GENTLEMEN.—I have used and prescribed the Tonica Water, and find it all you promised it to be. People of sedentary habits, troubled with constipation, flatulency, and distended abdomen should drink Tonica to be cured.

Yours respectfully,
DR. MOUNT.
BOLTON, CONN., March 10, 1886.

To Messrs. Case Brothers, Highland Park.
I have been acquainted with the Manchester Mineral Waters, now called Highland Tonica, for more than fifteen years, and have prescribed it frequently and with satisfactory results. It is useful in all cases of DEBILITY, indigestion, scrofula, salt rheum and other chronic diseases of the

skin. It is beneficial in constipation of the bowels and hemorrhoids. I consider it the best tonic mineral water in use in the country.

C. F. SUMNER, M. D.
MT. BOWDOIN, DORCHESTER,
BOSTON, MASS., May 2, 1887.

Messrs. Case Brothers:
GENTLEMEN.—For a number of years I have been troubled with Kidney disorder, and can honestly say that your Tonica Water has done all you recommended, and will cheerfully recommend it to all who are troubled with any kidney difficulty. I am, yours respectfully,

F. B. CUSHMAN,

BOSTON, MASS., Nov. 12, 1886.

Messrs. Case Brothers, South Manchester, Conn.
GENTS.—In answer to yours of the 9th inst., I am happy to inform you that the Highland Tonica Water has entirely cured me of one of the worst forms of dyspepsia, from which I had been suffering three years. At the time I commenced its use I was forty pounds below my usual weight, could not eat any solids of any kind; and in spite of the best medical aid that money could buy, was gradually growing weaker day by day. I have used three cases of the water, and now enjoy the best of health, in fact, am a well man again, and I sincerely hope that you will place this great remedy in reach of all who have suffered as I have.

Most respectfully yours,
S. L. HOLT.

SOUTH MANCHESTER, CONN., July 7, 1887.

Messrs. Case Brothers:
GENTLEMEN.—I know not how to adequately express my gratitude for the benefits received from the use of Highland Tonica Water. In June, 1886, I was confined to my bed with a tumor in the region of the kidneys; it gathered and discharged through the bladder leaving me in a bleeding and very weak condition. Not getting relief from the ordinary treatment, I was prevailed upon to try Highland Tonica Water. Now, after the lapse of more than a year's time, I can but express the satisfaction it has given me, in relieving my kidneys, cleansing my blood, and toning up my general health. Believing that it only needs a thorough trial to be appreciated, I remain, yours truly,

FRANCIS GRISWOLD.

SPRINGFIELD, MASS., Jan. 27, 1886.

Messrs. Case Brothers:
GENTLEMEN.—I have had a great deal of trouble with my kidneys of late having almost constant pain across my back. Mr.

Stevens called my attention to your Tonica Spring Water of which I have now used a dozen bottles. I have no pain now and feel that I shall soon be myself again. In my opinion Tonica Water not only takes the cake but appropriates the whole bakery, and I am strongly recommending it to my friends. You have done a good deed in bringing this water before the public and I thank you for the benefit I have already derived.

Yours truly,
H. BISHOP.

HARTFORD, CONN., Dec. 26, 1885.

Messrs. Case Brothers, South Manchester, Conn.
DEAR SIR.—About six weeks since I commenced taking Tonica Water. At that time I had a pain across the back, and had had a severe headache for three weeks before, stomach so inclined to acidity and flatulence that food was scarcely tolerated, urine thick and high colored. Under these conditions, I could for the first week take only a very small quantity of Tonica at a time, but soon, to my surprise, I found the headache relieved, the stomach settled, the pain in my back removed, and my urine clear and healthy in color. I am still using the water with no less favorable results.

Yours truly,
A. F. WILLIAMS.

WAPPING, CONN., April 7, 1886.

Case Brothers:
GENTLEMEN.—I desire to say that my wife has used your Tonica Water, and I believe has been cured of kidney trouble by its use. I believe it to be an excellent thing and would recommend it to all.

Yours truly,
J. BETTS, Pastor M. E. Church.

NORWICH, CONN., July 24, 1886.

GENTLEMEN.—I cannot say too much for the health-giving properties of your Highland Tonica Water. I am taking it regularly and am decidedly better; like a new man—headache all gone, sleep good, no trouble with pain in the stomach, can eat anything; my family are also using it. I have presented several bottles to friends who are experiencing most beneficial results therefrom. I am sure that when its wonderful properties become known it must come into general use.

I am yours very truly,
RUFUS SIBLEY,
President "The Sibley Machine Co."

HARTFORD, CONN., April 14, 1887.

Messrs. Case Brothers:
GENTLEMEN.—The Highland Tonica Water of which I have used a considerable quantity during the past year has, I believe, been of benefit to me, and has fully borne out the recommendation given me of it. I shall continue to use it, and have just given an order for more.

Respectfully,
STEPHEN BALL, 106 Park St.
