that Germany has already paid more than 50,000,000,000 marks or nearly twice the actual reparations imposed by the Treaty of Versailles.

A compromise is expected upon the basis of American proposals with special protection for German currency for top sums.

The American delegates are acting in an entirely unofficial capacity in the conference. However, the Washington government, through official spokesmen, has repeatedly and emphatically made it clear that it would never consent to a linking of war debts and reparations into a single issue.

insist upon thorough and honest enforcement. Prohibition is here to remain. It is a moral code of ages.

Washington, April 5.—The Wisconsin referendum and the recent action of the Michigan Legislature in declaring that dealing in small quantities of liquor does not constitute a felony and thus lead to life imprisonment after a fourth offense, is an awakening to the truth that legislative bodies can never successfully create a crime that will be long sustained by public opinion. Crimes are moral wrongs and well recognized and known through the liquor has never been a moral wrong and there is no basis for the assumption that it is such as is declared by the 18th Amendment and the Volstead Act.

People Awakening. There is growing evidence that the people of the United States are awakening to this truth. The

awakening is certain to increase in volume, it is folly to believe that an intelligent and conservative people, inheritors of freedom brought about the denial of personal liberty, will long entertain the conviction that carrying intoxicating liquors should be classified with murder, rape and theft. Strict enforcement or attempts at such, illustrated by the Aurora, Ill., murder of a woman and the "In Alone" incident, is serving better than any other means to show the absurdity of the extremes to which we have gone in our prohibition legislation. Evidence is fast accumulating that gives assurance that we will soon realize that we have gone to extremes and that our course is in the direction of strict regulation of traffic in intoxicating liquor rather than absolute prohibition.

FALL RIVER MAN SUNDAY SPEAKER

Former Y. M. C. A. Secretary to Occupy Colpitts' Pulpit This Week-End.

Harry E. Dodge of Fall River, Mass., will be the speaker at both the morning and evening services at the South Methodist church, conference Sunday. Mr. Dodge was formerly secretary of the Young Men's Christian Association of Fall River. He is a platform speaker of ability and power and is unusually gifted as a leader of better youth and adults. Recognizing these qualities, his friends persuaded him to give his talents a wider sphere of service. This he did some few years ago, since which time he has been in great demand as a speaker, at Y. M. C. A. gatherings and meetings of service clubs. He has visited practically every state in the union. A few weeks ago he gave an interesting lecture to the students of Manchester High school.

During the pastorate of Rev. R. A. Colpitts in Fall River, Mr. Dodge was one of his outstanding helpers. Because of that friendship he comes to supply the pulpit of the South Methodist church Sunday during the pastor's absence at conference. In the morning he will speak on the subject of "Four Great Words", and in the evening his topic will be "The Great Evangel."

Wyoming Team Really Beats Bristol in Chicago Consolation Tournament, 24-11

Although it was announced yesterday through an error that Bristol High school was eliminated by Wheatland, Wyoming, in the consolation tournament at the University of Chicago tournament, this became a reality today.

Yesterday morning Wheatland defeated Hartford High of White River Junction, Vermont, 34 to 23, instead of Bristol which won from Laurel, Delaware, 29 to 13 in the afternoon. This morning Bristol and Wheatland met and Bristol was thoroughly outclassed.

Although the final score of 24 to 11 is only a 13 point margin, Bristol scored only one field goal in the first three quarters, according to information obtained from the Bristol Press this afternoon. The Wyoming team was leading 6 to 1 at the end of the first quarter, 14 to 3 at halftime and 17 to 3 at the end of the third quarter which was stubbornly contested.

The players on the Wyoming team are much bigger than Coach Tommy Monahan's "Little Iron Men" who fought courageously against odds too great to overcome.

Evelyn Hoesy, musical artist in the review which will be broadcast by WJZ and associated stations at 9:30, "The Court-March" from Meyerbeer's nation opera, "Le Prophete," as played by the Hartford Sanford, gives the program a classical opening. Later numbers include a whistling song by Carson Robledo, a tenor solo, "Marie," by Robinson, a characteristic novel-toned tenor solo, "Marie," by Robinson, and a characteristic novel-toned tenor solo, "Marie," by Robinson. Herbert was born in Dublin in 1859 and attained considerable reputation as a cellist in symphony orchestras of the Continent. In 1886 he came to America, played in all the leading orchestras, and finally became conductor of the Pittsburgh Orchestra. Then he turned his hand to composing light operas, among which were "Miss Dolly Dollars," "The Red Mill," "Naughty Marietta" and "Eileen." He wrote the first "theme song" ever composed for a movie when he prepared the score for "The Birth of a Nation."

BABY NOT GAINING? LOOK TO HIS DIGESTION

Babies can't gain when souring waste in a clogged digestive tract is forming gas, making them colicky, constipated and miserable. Just try the method doctors endorse, and millions of mothers know, and see how your baby improves. A few drops of purely vegetable, harmless Fletcher's Castoria makes the most fretful, feverish baby or child comfortable in a jiffy. A few doses and he's digesting perfectly and gaining as he should. To get genuine Castoria, look for the Fletcher signature on the wrapper.

TODAY IS THE ANNIVERSARY

SIEGE OF YORKTOWN
Sixty-seven years ago today General McClellan and about 68,000 Union troops began the siege of Yorktown.

It was the second siege against this historic Virginia town in a little more than 100 years. The first, in 1781, caused the surrender of Cornwallis and brought the Revolutionary War to a victorious close. The second, in 1862, was an important phase of the Civil War.

McClellan moved against the town on April 5, 1862, in a campaign which did not have the full support of President Lincoln. After the attack began, McClellan, according to his memoirs, received a telegram dated April 4, which took several corps from his command and reduced his fighting force from 155,000 to 68,000. This resulted in making a long drawn out siege of what was intended to be a quick assault.

Later McClellan was joined by reinforcements which brought the number of Federals up to about 93,000, and General Magruder, defending Yorktown, was reinforced by General Johnson, and his army of 40,000. General Johnson took command and seized an opportunity to retreat secretly. He was pursued by part of the Federal army and was forced on May 5 to fight the spirited battle of Williamsburg.

HEBRON

The Rev. John Deeter, pastor of the Hebron and Gilead Congregational churches, assisted by the Rev. W. W. Malcomb of Windsor, a former pastor here, officiated at the funeral services of the late Mrs. Lucius W. Robinson, on Sunday at the Hebron Center church. The church was filled to its utmost capacity, many standing or sitting in the vestibules. Floral tributes were many and beautiful. Mrs. Wm. O. Seym's of Colchester acted as organist. Mrs. Mary E. Mitchell, Mrs. Lewis W. Phelps, Arthur R. Gillette, and Wm. O. Seym sang a quartet. A vocal solo, "There is no Night There," was sung by Mrs. Henry Church of Norwich. Bearers were Edward A. Smith, Kenneth and Mervin Little of Mansfield, Clair Robinson, Roger W. Porter, and William McNichol of Jewett City. Interment was at St. Peter's cemetery. A telegram was sent to Mrs. Howard C. Champe, a sister of the deceased who is in the besieged city of Mazatlan, Mexico, bearing the tidings of her sister's death, but it is not known whether communications have yet been resumed between that city and the outside world.

Mr. and Mrs. David Waldo, their son David, Jr., and their daughter Doris, of Kingston, N. Y., were recent visitors at the home of Mr. Waldo's sister, Mrs. Paul Coates.

Mrs. William Woodward has been spending a few days with her daughter, Miss Leona, in Hartford.

Miss Hazel Broome, who is attending Atlantic Union College in South Lancaster, is spending her Easter vacation at her home in Hopevale.

Billy Wasuka, a child who is being cared for at the home of Mr. and Mrs. N. C. Johnson, was sent back recently from the hospital where he underwent tonsil operations.

Miss Ruth Allen, teacher of the Hopevale private school, has gone to her home in Rehoboth, Mass., for her Easter vacation.

The first service at St. Peter's church since January last was held on Easter Sunday. Benjamin Bissell, Ph. D., a son of the late Mr. and Mrs. H. Asa Bissell, formerly of this place, officiated as lay reader. Dr. Bissell had received permission from Bishop Acheson to deliver a sermon prepared for the occasion by himself, a thoughtful and eloquent discourse. Austin Warren, dean of St. Peter's school played the organ and acted as choir master. Wellington Sloan of New York was also present for the day, motoring out with a friend. Other visitors to the church from out of town were Mrs. Iva Richards of Versailles, Mr. and Mrs. John Simon of New London, and Miss Olive Smith of Hartford. The new oil heater was used for the first time.

Schools of the town are having a week of vacation.

Miss Dorothy Gray is spending a week as the guest of her aunt, Miss Hannah Fuller, in East Haddam.

The Misses Anna and Elizabeth Stanek, who are students at Bay Path Institute, Springfield, Mass., spent the week end at the home of their parents, Mr. and Mrs. Stephen Stanek.

Mr. and Mrs. Allen W. H. Sterry are spending Easter week vacation at the home of Mrs. Sterry's parents, Mr. and Mrs. Harry Hull, in Ridgefield.

Benjamin H. Bissell, who has spent several days here left on Tuesday for New Haven where he will spend the remainder of his Easter vacation before returning to his studies at the General Theological Seminary, New York City.

Mrs. Carrie I. Burnham has returned from a winter spent in California.

Word has been received that Miss Janet Pendleton, a former resident of Hebron and a daughter of Dr. and Mrs. C. E. Pendleton, of Colchester, was taken on Monday to the sanitarium for tuberculous patients at Uncasville-on Thames. Her case followed influenza developed while teaching in Coventry. The diagnosis is favorable and it is thought that a few months at the sanitarium will effect a cure. She has improved steadily under home treatment while waiting for a vacancy at the sanitarium.

Miss Eunice Seym's, teacher at the White school in Gilead is spending her vacation at her home in Colchester.

Miss Mildred Hough, a teacher in Marlborough, is at the home of her mother, Mrs. Gertrude Hough, for her Easter vacation.

A letter from the Rev. Howard C. Champe from Mazatlan, Mexico, dated March 21, reads as follows: "We got the first mail yesterday that we have received in over two weeks and also the papers from Connecticut which show that they have been full of our Revolution. We trust that our letters have reached you so that you will not be worrying about us. We are safe, though the rebels are around the town. However, the city is protected and we doubt if they even make an attack, but if they do we are not worrying and hope you are not either. The last letters which we sent were to go out on a boat that finally did not stop here. I just came to the Consulate and they report that a special boat is leaving tonight which will take their mail, so I am taking advantage of this opportunity to let you know that we are all well, and to ask you not to get alarmed by all the things which you see in the papers. Most of Mexico's Revolutions are fought out in the newspapers and not here on the soil." A telegram sent by Mrs. Champe was received on Monday stating that the telegram announcing the death of her sister, Mrs. Lucius Robinson, had been received.

Five young people were received into the membership of the Congregational church at Hebron Center on Easter Sunday at the morning service. They were Miss Ruth Kinney and Miss Ruth Raymond, Leslie Kinney, Harriet Hough, and Helen Rathbun. Special music was rendered by the choir, with two anthems. The church was decorated with choice cut flowers.

A birthday party was given in honor of the ninth birthday of Miss

Dorothy Gray, daughter of Mr. and Mrs. Harold Gray, Monday afternoon. Four of her little school friends were present, Barbara Tennant, Stanlie Johnson, Matilda Rachimilowitz, and Jennie Pomprowitz. A birthday supper was served, with the usual cake with candles.

Though the condition of the roads is much improved with frost about out of the ground there are still some treacherous spots for motorists. Men worked on a bad place in the Andover road on Monday, filling in with stone and sand a spot which had made the road impassable.

Mr. and Mrs. F. A. Rathbun and two daughters spent Sunday as the guests of Mrs. Rathbun's sister, Mrs. Arthur McDonald, and Mr. McDonald, in Hartford. Miss Gracie Rathbun remained for Easter week to be the guest of her little friend, Miss Norma Hayner.

Mr. and Mrs. Charles Segar and family visited their place here on Sunday, calling on friends.

Christian Endeavor members from Hebron and Gilead societies responded in numbers to invitation to the tri-county union meeting at Columbia Sunday evening.

Mr. and Mrs. Raymond Canfield of Hartford and Mr. and Mrs. Charles Stratton of Guilford and their daughter Eleanor, were Sunday guests at the home of their parents, Mr. and Mrs. William Griffin.

Mrs. Charles M. Larcomb was the guest of Mrs. Roger W. Porter at dinner Tuesday afternoon. Mrs. Porter returned to Willimantic with Mrs. Larcomb to be her guest for a few days. Supervisor C. M. Larcomb is away from home attending an educational convention at Danbury where he gave an address.

Theaters

At The State
Flaming love is bound to result when burly mountaineers come down from their wilderness and enter the town on the plain below. That is what happens in "Wolf Song," Paramount's romantic Sound picture of the old Southwest, which is now being shown at the State theater.

This splendid story from the pen of Harvey Ferguson, is a gorgeous portrayal of the lives and loves of big outdoorsmen and large-eyed beauties in the days when a beaver-pelt was the peoples' currency.

Lupe Velez, vivacious, exotic, and a spit-fire all in one, plays the leading feminine role as a daughter of the Mexican Dons. She is wooed and won by Gary Cooper, a rangy Kentuckian who has come to seek adventure in the Southwest territory. Louis Wolheim and Constantine Romanoff are seen in the supporting cast, enacting the characterizations of two hardy mountain trappers.

Both Miss Velez and Cooper are heard in several singing sequences and they display remarkable talent. A corollary symphonic music and realistic sound accompaniment has been provided through the entire picture.

"Wolf Song" was directed for Paramount by Victor Fleming, one of filmdom's greatest producers of sound pictures.

In addition to this colorful feature, the State is also presenting two selected acts of Vitaphone vaudeville.

The first act serves to introduce to local theater goers the Morrissey-Miller Revue, a group of versa-

tile and entertaining artists, presenting an amazing and glittering repertoire of monologues and songs. Such prominent Broadway favorites as Harry Downing, Charlotte DeLovelace, Vina and Arthur and Sammy Cantor contribute excellent performances.

The second act presents Arthur Byron and Company in a short comedy-playlet entitled "The Family Affair," in which the audience is taken into the home circle of a modern, troublesome family.

The current issue of State News Events and "The Collegians" will also be shown.

At The Circle
Low Cody and Allen Pringle, popular co-starring team of light, seen at their very best in "A Single Man," their current Metro-Goldwyn-Mayer starring vehicle, which comes to the popular Circle theater Saturday for a special week-end engagement.

"A Single Man," is swiftly-moving and romantic story of mixed matrimonial problems, filled to the utmost with dramatic thrills and gales of hearty laughter. Both Cody and Miss Pringle essay their characterizations in a free and easy manner.

They are given splendid support by a cast of especially chosen favorites including Marceline Day, Edward Nugent and Elleen Williams. Harry Beaumont directed the picture.

The associate film feature for Saturday presents Ken Maynard, the famous western star, in his latest and greatest First National whirlwind special, "The Lawless Legion."

Lovers of the outdoor type of entertainment will more than get their share of thrills if they see Maynard in this hair-raising picture.

The current chapter of "Tarzan the Mighty" and a Crazy Kat Kar-sey-Miller Revue, a group of versa-

NICKY ARNSTEIN AGAIN IN TOILS OF THE LAW

New York, April 5.—Julius W. ("Nicky") Arnstein is in the toils of the law again.

The man, who for many years has been regarded as the most colorful figure in Broadway's "half-world"

was to stand in the "lineup" at police headquarters today while a Taunton, Mass., hotelkeeper tries to identify him as the "con man" who stole \$33,000 from him.

Arnstein, who was once the husband of Fanny Brice and who served time in Leavenworth as the alleged "master mind" of the \$5,000,000 Wall street bond theft, was arrested on complaint of Thomas Kearns, who owns a hotel in Taun-

ton and who lives in Paynam Center, Mass.

Kearns said three men so interested him in a proposition to build a theater in Taunton that he drew \$33,000 from his bank and, following a conference with the men, hid the money in a bureau drawer. The next day, December 12 last, he found it stolen.

Two other men arrested with Arnstein gave their names as James

Thompson, theatrical promoter, and Harry Fields, theatrical manager.

DOWNSTAIRS SHOP

Troops 1, 2, 5 must have broken up as there was no Scout news from any of these troops this week. Or probably the Scribes just got a touch of "Spring Fever." Come on, Scribes, do your stuff!

Along with spring comes the danger of forest fires and the following is a real lesson in.

Outdoor Good Manners

It is too bad there is not some way to train the city dweller in the rules of the outdoors and the camp fire, just as he must, for the safety of life and property, learn the traffic and sanitation laws of the city.

He should know that it is wrong and intolerable to throw down the lighted match or cigarette in the forest just as he learns it for the most not throw tin cans and old clothing into the street at home.

He should learn how to behave in the forest just as he learns it for the forest just as he learns it for the drawing room. The smoker would not throw his match or cigarette stump or empty his pipe on his host's rug or table cover, but, without giving it a thought, the same smoker will toss a burning match or ashes on the floor of his host's house — where it threatens property worth millions and even human lives.

A real turn for Manchester boys to duplicate.

Check Street Sign

A small army of Boy Scouts blanketed the city of Minneapolis, Minn., recently to check the condition of all street signs as their Community Good Turn.

Each Troop in the city was assigned a district and instructed to check all street signs, whether directional, cautionary, danger, stop or others, and report of their condition are to be made to the city officials.

Scout Enrollment

There were 816,958 persons playing the great game of Scouting at the end of the year 1928, which was the eighteenth year since the founding of the Boy Scouts of America. This number included Scout Troops in every state, in Alaska, the Philippines and Hawaiian Islands and in many foreign countries where there are American settlements. It is the largest enrollment in the history of the Boy Scout Movement.

It is a tribute to the esteem in which the Boy Scout Movement is generally held that at the end of last year there were more than 200,000 men serving as volunteer leaders giving of their time and effort in the furthering of the Boy Scout Movement. Of this group 25,496 were Scoutmasters actually in charge of Scout Troops and an additional 26,496 were Assistant Scoutmasters. Other Scout Officials, including Troop Committeemen, members of the local Scout Councils in each district and leaders of the Movement nationally, totalled 164,740 persons.

There were actually 600,316 Scouts in the Movement on December 31, 1928. Of this group 585,855 belonged to Scout Troops and an additional 14,361 carried on Scouting activities as Lone Scouts. The Sea Scout Division, which is included on the records as part of the Troop Scouts, showed a membership of 4,105 boys over 15 years of age engaged in Seamanship activities.

Records at the International Scouting Bureau at London, England, showed that the United States has an actual membership of nearly half of the Scouts of the world. At present in the world-wide brotherhood of Scouting there are nearly two million Scouts representing 42 different nations. All Scouts subscribe in principle to the same Scout Oath and Law and the Movement has as its purpose, character building and citizenship training.

There are now 26,698 Troops registered with the Boy Scouts of America and 301 Sea Scout Ships.

Troop 3
Promptly at 7 o'clock on Wednesday evening Troop 3 opened its meeting with the Scout Oath. 28 Scouts and recruits were present.

Each patrol held a separate meeting and the Lions did a good turn.

Horace Burr read a very interesting report of the observation hike on Good Friday. Milton Helwig, George Wilcox, Ray Olsen and Nelsen Richman passed their Tenderfoot tests, under the supervision of Ernest Irwin and Harvey Gould.

Announcements were made by Scoutmaster McComb and the meeting closed with the Scout Oath and taps by Bugler Braithwaite. Representatives from Troops 5 and 6 were present at the meeting.

On Good Friday 16 Scouts met at the Center at 10 o'clock in the morning and with the Scoutmaster hiked to Speary's Pond. The troop broke up into four groups and took notes on what they saw in the woods. Everybody enjoyed their dinner after which they pitched horseshoes and played Duck on the Rock. Most of the Scouts returned home at 6:30 o'clock.

Troop 4
Troop 4's meeting opened in the usual manner 25 Scouts and recruits present. Dues were collected. Mr. Clarke, curate of St. Mary's Church, spoke on the Scout Laws, Obedient, Cheerful and Thrifty. Patrols assembled in their dens. Field Executive Joseph Dean gave information on merit badges.

Some of the Scouts have written essays about "Kindness to Dumb Animals." A few Scouts passed judging, safety, stars and tenderfoot tests. Mr. Clarke expects to

see patrols like the first patrol of this troop developed.

The meeting closed with the recitation of the Oath and Laws. Troop 4 will go on a hike Saturday afternoon, starting at 2:30 o'clock.

Troop 6
Troop 6 opened its meeting with Patrol Leaders reports. Assistant Scoutmaster Hillman stated that there would be no meeting of the Harmonica Band Wednesday. Scoutmaster Mercer spoke of the Court of Honor that will be held at the School Street Rec and also of a hike which will be held Saturday afternoon, leaving the South Methodist church at 1:30 o'clock. The destination of the hike is unknown. Bring supper, it will not be an overnight hike.

The Patrol events of the meeting were all won by the Eagle Patrol. They were signalling, rescue race and potato race. The game played was Jumpstick Race or better known as Over and Under.

In closing Bugler Nichols blew retreat and taps while the troop sang.

The meeting was dismissed at 8:30 o'clock.

Last Friday three boys from the Flying Eagle Patrol and four boys from the Eagles went to Bolton Lake where the new cabin will be built. They also went to the Mysterious cave.

Troop 9
Troop 9 held a meeting last Tuesday at the Community Club with an attendance of 24 scouts. During the meeting several boys attempted to pass their Scout race under the direction of Patrol Leaders Minor and LaChappelle. Most of them succeeded. Several Scouts also

passed bandaging to Scoutmaster Smith. General instruction was given on the way to enter a burning building and the fireman's lift was practiced. Mark Holmes, a member of the troop committee, was a visitor and aided in First Aid work and in Pacing. During the game period Compass Swat was played and Mr. Dean introduced a new game called "Chartit Racing." The meeting was dismissed with the Scout Prayer.

Notes
The Patrol Leaders and Assistants will meet at Scoutmaster Smith's home Sunday afternoon to pass their tracking. They will attempt to trail the elusive "whiffle bird," to its lair.

The Troop regrets that Assistant Scoutmaster Polito is ill with an attack of grip.

Scout Ray Metz has been made Assistant Patrol Leader of the Silver Fox Patrol.

Troop 9 went on a hike Good Friday to Pine Knoll, just outside of Lydalville. Sixteen Scouts were present, and all passed their fire building and cooking tests. On the way home, the Scouts collected tent caterpillar egg-clusters. Don Harrington turned in the most, with Ed Dimlow second. "Red" Wilson identified the most trees in a game on the way to camp. Everyone had a good time.

REBELS LEAVE CITY

London, April 5.—The Wuban insurgent forces are evacuating Hankow and the Nationalist government army expects to enter the city soon without opposition, a dispatch from Shanghai received by the London Times stated today.

The Wuban army became panicky and began to evacuate, according to the dispatch, when one Hupeh division deserted to the Nationalist side and another declared itself strictly neutral.

The foreign and native quarters of Hankow were calm today as no bloodshed is expected when the Nationalists enter the city.

TAKE A TIP

from the professional buyer when choosing a motor fuel

"ENTER our contract for the year for fifty thousand gallons of gasoline — to be delivered as needed." . . . That's the sort of thing you hear in the offices of large truck-fleet and bus-line operators.

Such orders are never placed at random. But under highly competitive conditions. And only after cold, calculating investigation on the part of the purchasing agent. For it's more than gasoline he's buying. It's wheel-driving power. Time-saving pick-up. High mileage. Unfailing motor performance. Dependable and convenient sources of supply.

Are not these the same things you look for when you need five or ten gallons for your own car? Why not follow the choice of the professional buyers? The largest users among them select *Atlantic Gasoline*.

EXTRA-POWERED NO EXTRA COST

In every way that gasoline affects your pleasure, convenience and pocketbook, Atlantic Gasoline is by all odds the most complete answer to your needs.

No other motor fuel approaches it in the combination of quality, dependability and ready obtainability.

None fits modern motors and present-day driving conditions more thoroughly.

New-type Atlantic Gasoline is an extra-powered motor fuel. It is amazingly easy starting. And quick on pick-up. It burns completely and cleanly. . . . There is no excessive waste. And practically no carbon.

You get all these features in a single motor fuel when you use Atlantic Gasoline. Finally, you get *real service*—you can get Atlantic most anywhere, any time. All at *no extra cost!*

ATLANTIC Paraffine Base MOTOR OIL
Paraffine base, new process and the far-famed Atlantic refining skill make Atlantic Motor Oil the most efficient and longest lasting motor lubricant made. Teams up perfectly with Atlantic Gasoline.

The children got out on the White House lawn the other day and rolled Easter eggs. Some of the Washington people were surprised, as the only thing they had seen rolled in Washington was logs.

LABOR LEADERS GIVEN A RIDE OUT OF TOWN

Southern Textile Strikers Asked Them to Come But Citizens of Town Object.

Nashville, Tenn., April 5.—Gov. Horton was expected to take action today on the protest of the American Federation of Labor against the "ride out of town" given to two labor leaders at Elizabethton, Tenn., yesterday.

The labor men, Edward F. McGrady and A. Hoffman, charge that they were seized at the Lynnwood hotel by a committee of alleged leading citizens of Elizabethton and escorted to the city boundary, "terrorized and outraged, and then threatened with death if they were returned."

William Green, president of the A. F. of L. telegraphed Gov. Horton last night asking an investigation and demanding the punishment of those involved in the "outrage."

McGrady is a Legislative representative of the A. F. of L. and Hoffman represents the United Textile Workers of America. Both men had been at Elizabethton during the strike in two rayon plants in that town.

PARTY FOR SILK WORKER NOW ON RETIRED LIST

Miss Mary Cunningham, Cheney Brothers Pensioner, Entertained by Her Friends.

Miss Mary Cunningham, for forty-two years employed by Cheney Brothers in their winding department, left the employ of the firm on Saturday and on Monday was placed on the pension list.

Miss Cunningham, who was for years a resident of Middle Turpike has in recent years lived on Division street. When it became known that she had retired, a number of friends arranged for a party, which was held at the West Side Recreation building.

The friends were old in age, but not in spirit. All the songs were of the vintage of "Seaside Nellie Home", and the dancing which followed was all old-fashioned. Superintendent W. C. Cheney of the department in which Miss Cunningham had worked dropped in for a few moments to take part in the festivities.

S. M. FIRE DEPARTMENT BANQUET TOMORROW

On Saturday night the annual banquet of the South Manchester Fire department will be held at Hose company No. 3's quarters. The banquet comes at the ending of the setback tournament that has been going on among the members of the four companies of the department for the past winter. No. 4 was the winner of the contest, but the general celebration of the event is to take the form of a banquet held Saturday night to which all members of the four companies of the South Manchester Fire department are invited.

PLANS OCEAN HOP

London, April 5.—Captain Albin Ahrenberg, famous Swedish aviator, is planning a round-trip flight over the North Atlantic, according to messages from Stockholm, today.

Accompanied by two companions, Captain Ahrenberg plans to leave in June for a flight to the United States over Iceland, Greenland and Labrador.

If conditions are propitious the Swedish flyers may return when Berthassel, of Rockford, Ill., begins his contemplated flight from Rockford to Stockholm.

Hassell and Parker Cramer attempted the trip last year but were forced down in Greenland.

MORE HOOVER ECONOMY.

Washington, April 5.—President Hoover's ideas on economy which already have ditched the presidential yacht Mayflower and abolished the White House stables, are recognized in some quarters as an "example" for his Cabinet.

Today Secretary of Agriculture Hyde gave out an announcement that the two saddle horses long maintained for the pleasure of the secretary of agriculture at government expense, will be no more. The thoroughbreds were trotted out to Beltsville, Md., to be utilized on the agriculture experimental farm.

MEXICANS INTERNED.

Washington, April 5.—One officer and ten enlisted men of the 38th Mexican federal infantry were arrested by the civil authorities at Naco, Arizona, today when they crossed upon American soil.

Major General Wm. Lassiter, commander of the Eighth Corps area, telegraphed the War Department the Mexicans were armed and were turned over to him for detention.

SENSE and NONSENSE

What Causes Radio Noises
Loose binding posts or poor battery connections.
Sopranos.
Defective tubes and faulty condensers.
Jazz bands.
Weak batteries and wrong grid leaks.

The Point of View
It is terribly upsetting
To spend years trying
To train a child
In the way he should go
And then have him turn around
And try to train you
In the way he thinks
You should go.

New Menace to Health
Aunt Prudence—"Keep away from the loud-speaker, Denny. The announcer sounds as if he had a cold."

The odor of little Jimmy Jones was very offensive to the spinster school mistress, so finally she wrote a polite note to Jimmy's mother. Next day she got the following reply: "Jimmy smells all right. The trouble with you old-maid school-teachers is, you don't know what a real man ought to smell like."

"My friend," asked the sympathetic visitor of Hard-Boiled Mike, who was behind the jail bars, "what brought you here? Was it bad company?"
"Yes, mum, that's sure what it was—three policemen, but I give 'em an awful battle."

Barber: "I see your hair's getting a little thin; have you tried our Hair Tonic?"
Victim—"Oh, no, it isn't that—it's just worry."

Mother (shaking empty savings bank)—"Tommy, what have you done with the money in your bank?"
Tommy—"Yesterday was a rainy day, so I spent it."

What makes the butter so white?" asked one city maid, accustomed to the yellow creamery kind.
"Don't you know," said the other girl wisely, "they left the eggs out of it."

Radio Announcer—The Harmony Trio will not sing "Together."
Fan—"It's about time."

It's rude for a man to sleep while his wife is talking—but then a man has to sleep some time.
A local man has discovered why legislators get \$3 a day and bricklayers \$12: It is easier and cheaper to throw bricks than to lay them.

"You're going to have the time of your life," said the judge as he sentenced the man to life imprisonment.

LETTER GOLF

A TWIN PUZZLE

TWIN BOYS feature today's puzzle and they are a pretty puzzling pair. Par is eight and one solution is on another page.

Letter Golf grid with letters T, W, I, N, B, O, Y, S in various positions.

THE RULES.

- 1—The idea of Letter Golf is to change one word to another and do it in par, a given number of strokes. Thus to change COW to HEN, in three strokes, COW, HOW, HEW, HEN.
2—You change only one letter at a time.
3—You must have a complete word of common usage, for each jump. Stang words and abbreviations don't count.
4—The order of letters cannot be changed.

THE TINYMITES

STORY BY HAL COCHRAN—PICTURES BY KNICK

(READ THE STORY, THEN COLOR THE PICTURE)

Into the cabin they all jumped. My, how the Tinymites' wee hearts thumped. They knew that very shortly some new air ride was in store. The tub man, who stayed on the ground, said, "I don't know where you are bound, but anyway you're going there. That's what this trip is for.
"I'm paying now a debt to you for chasing off the Goofygoon, when it was taking punches at my funny little face. I guess the queer bird, after all, is sorry that he stopped to call. Right now it's up to him to take you to some thrilling place.
"Now, do just what I've told you all. Hang on real tight, and do not fall. The cabin's plenty wide enough to let you ride in ease. Your bird can't talk. That is a shame. Of course, though, he is not to blame. Don't tell him where to go 'cause he can't listen to your pleas."
Just then the Goofygoon spoke out. "I know what this is all about, and don't you think that I can't talk. I do it very well. At first I thought your crazy bunch of hitching me up for this bunch was not so good, but now I've changed my mind. It's really swell.
"I'm going to take these little men away out far and back again. They're very safe and sound with me throughout the night and day. I'll fly, and will not let them drop. And some queer place is where I'll stop. If everything's all ready, now, we'll start upon our way."
With that the Goofygoon spread out its wings, and with a merry shout, it took the little cabin and flew upwards toward the sky. The Tinymites leaned out and cried, "Hurray! Now starts a brand new ride." And then to Mister Tub Man they all waved a sad goodbye.
(The Tinymites are caught in a storm in the next story.)

PHONES **Pinehurst**
 "GOOD THINGS TO EAT"

REACHABLE LUXURY

Such a week-end for Fresh Vegetables! When you think of it, it's rather wonderful how delicious and relatively cheap Fresh Vegetables are, at this season, this year. Imagine being able to buy delightfully tender Fancy Asparagus at 39 cents a pound—2 1-2 pound bunches for 69 cents; Pinehurst's price today and tomorrow. And Sweet Potatoes three pounds for a quarter. And big bunches of Carrots for 19 cents, 3 for a quarter—not bunches trickily cut down, either, but the original shipping bunches. And Berries—fine ones! Quarts from Florida for 59 cents and Pints from Louisiana for 33 cents. Oh, well, read the Vegetable section in the advertising matter below, for a lot more details.

And Poultry! The Meat Department is fairly raving over the goodness of the very: Fancy Milk Fed Poultry and Roasting Chickens it is offering today. "Just look at 'em," those fellows keep saying—"ever SEE such good lookers?" Well, maybe we have, but not very often. And they have another thing to shout about, too—the Rib Roast Beef. You wouldn't need to be very hungry to eat it raw, it's so appetizing. The roasts are either boned and rolled or standing, as you prefer. A MAN'S Dinner!

A fresh shipment of those Sinclair Little sausages is in. It won't be long now before the Sausage season is over—better have one more breakfast of 'em, anyhow. This is the day of the Friday night phone service—till 9 o'clock, remember. Finest way in the world to dispose of your week-end marketing. Phone us your list and have it delivered at any time tomorrow you say—from 8 a. m. on. Phone number is 2000.
