### BUIST CHENEY AIDS PROTEST DISMISSAL YOUTHFUL STUDENT

Sicilian Cousin of Local Man Greatly Helped By Russell Cheney.

Two years ago Michael Liberti came to Manchester to visit his seasin, Charles Culotta. At that time the visitor met Russell Cheney, member of the local Chency family, patron of the arts, as well as a fine artist himself. Mr. Chency became interested in the Cicilian youth, and ganerously offered to pay his tuition at the National Academy of Paint-

ing and Design.
The young Sicilian, cousin of the Maple street barber, came to this country when only three years old with his parents, three sisters and a brother. His brother remained in this country for eight years and then returned to Italy to study music at the Bellini Conservatory in Palermo. But Michael, the young-est of the family, chose to remain in New York with his father and three

He attended the public schools in New York City and also studied music. When only seventeen, Michael worked as an "order receiver" and in his spare moments frequently went outside of the metropolis and painted unusually fine landscapes.

Liberti is still a student in the Academy, showing much promise in his art studies.

#### **POLICE COURT**

Charles Rock of 51 Lyness street was before Judge Raymond A. Johnson in the Manchester police court this morning for intoxication. The young man was arrested on com-plaint of his wife who called the police at 1:30 this morning.

Rock is employed as an elevator man in the Traveler's Insurance building in Hartford. The family came from Boston to Manchester about a year ago. They have one child. Mrs. Rock testified that she had had more or less trouble with her husband for several years. He was arrested in Boston once for a

similar scrap. After questioning Rock about his work and family, Judge Johnson imposed a jail sentence of 15 days. He then suspended execution of the jail tion for six months. He warned Rock that such conduct must stop and reminded him that if he was brought into court again the jail sentence would be put into effect. Two speeders, Paul Dougan of Gardner street and Wallace A. Peacock of 358 Main street, each paid a fine of \$10 and costs. Both men were arrested by Patrolman Joseph

### **SOLD HIS PROXIES** FOR STEEL MERGER

Youngstown, O., July 25 .- (AP) For consideration received, N. A. Kaehcher of Youngstown delivered his proxy for 1,400 shares of stock voted to ratify merger of the Youngstown Sheet and Tube Company with Bethlehem Steel Corporation, he testified today in Common Pleas Court where the merger is being contested by the Cyrus

Eaton interests. The consideration, Kraehcher testifled, was received through the sale of 1,000 other shares at \$152.50 a share. He said W. J. Morris, vice president of Sheet and Tube, bought the stock.

"Mr. Morris told me that , the price for the stock was \$150 a share and the \$2.50 a share was for the proxies of the other 1,400 shares," he said.

On cross-examination by defense attorneys, Kaercher was reminded that in a previous deposition he did not say he received anything for the proxies. The witness replied he had not been asked about it.

Complete Attack
The Eaton attorneys yesterday
completed their attack on 128,000 hares of stock voted for the merger by proxies from fiduciaries, and today concentrated their challenges on proxies given by corporations. Springfield Hard Hit By De-luge—Mrs. Waddell In City During Storm.

Mrs. George H. Waddell of East Center street, who happened to be in Sprigfield yesterday between 3 and 5 o'clock in the afternoon when a terrific thunderstorm flooded the business district, was in a store on Main street in that city when the surface water flowed over the curbing and into the store, and clerks were directed to move goods in dan-

ger of water damage.

This morning's Sringfield Union carried a number of photographs showing automobiles up to their hubs in water, bad washouts and boys in bathing suits in water above their waists. Rain fell steadily for two hours and at one period of 10 minutes reached cloudburst propertions. Street pavements were thrown up and heavy iron covers of man-holes were flung off by the rush of the water in the storm sewers. Towns in the vicinity of Springfield fared somewhat better although lightning bolts struck several barns and trees in different places.

Cut an equal amount of corn from the cob, first scoring each row of kernels with a sharp knife. If any liquid remains on the beans, drain and save for soup, add beans to corn with a little cream and bake for 20 minutes, allowing to

brown on top. Corn may be used in this way with celery, asparagus, spinach or young carrots. When using the fresh spinach, shred very fine and do not cook before mixing with the corn as with the string beans, but put all into casserole and bake at

QUESTIONS AND ANSWERS

(Grapejuice for High Blood. Question:-Mrs. A. M. writes: "I read with much interest your daily articles, and would like to know if grapejuice is harmful to people having high blood pressure. I am very fond of it, but having high

blood pressure, would like to be sure whether or not I should drink Answer: Grapejuice is an excellent drink and when used should be taken in place of a meal or between meals, but not in addition to an ordinary meal. Those with a tendency to high blood pressure should use the grapejuice to which no sugar has been added.

. (Strengthening the Heart)
Question:—F. J. writes: "My age
is twenty. How can I strengthen my heart?"

Answer: The heart may be strengthened through systematic physical culture, and by living on a careful diet. Only a small aomunt of the right kind of food should be used, and care must be observed in avoiding all inharmonious mixtures of food which produce excessive stomach or intestinal gas.

(Abnormal Sleepiness)
Question:—F. D. writes: "I am a man of 70 years of age, have 31ways had good health, but have always been abnormally sleepy, and as I grow older it becomes worse." Answer: The most important cause of abnormal sleepiness 154 from overeating. Even though you. are a hard worker you probably eat more food than your body requires. The large amount of energy which you use in digesting this food takes away vital force from other parts of your body, including the brain. Try cutting down the amount of food you have been using to about one-half and see if I am not right.

Tone Selector

is Radio's Newest Development!

Let us demonstrate the many advantages of this remarkable feature of the new General Motors Radio

Formerly, radio had but one tone: And you had to accept it for every type of broadcast program :: Then General Motors introduced the Tone Selector and made it possible for you to emphasize bass and treble at will. Now, simply with the turn of a knob you can find the exact shade of musical expression you most enjoy-for every kind of vocal and instrumental selection that goes on the air!

There is such a variety of delightful entertainment being broadcast nowadays that complete enjoyment of radio demands this new selection

of tone. You cannot realize what an improvement the Tone Selector makes in reception until you actually hear it in operation. Come in today and try the Tone Selector for yourself. Let us give you a complete demonstration of the new General

ciate how thoroughly fine these modern sets are. You will be as impressed by the beautiful cabinets of the new General

Motors Radio so that you can appre-

Motors Radio as you are by its exceptional performance. The five handsome models of radios and radio-phonographs are patterned after five different styles of authentic period furniture. They are see the conventional type of radio cabinet: By all means come in to see these genuinely attractive models and les us explain how, once you buy a Gen-

eral Motors Radio, you may keep the cabinet as long as you like and still enjoy every new development in radios Any model may be purchased on the liberal GMAC plan. Radios \$136 to \$172 -radio-phonographs \$198 and \$270-without tubes:

All undoubtedly are familiar with grapefruit, which is closely related to the orange. The grapefruit contains all the medicinal and healthful qualities of the orange, and has the advantage for many of not containing as much sugar.

Those who are reducing, or have liver disorders, catarrhal trouble. diabetes or rheumatism often will find the grapefruit superior. An entire meal of grapefruit may be used at noon in place of luncheon those who wish to keep cool on hot days, or who wish to reduce or overcome biliousness. When used in this the grapefruit acts as a fine liver cleanser and at the same time may be regarded as a good tonic, as it contains many vital organic salts and vitamins necessary to the body. # With The Leaders Associated Press Reports FIRST DAVIS CUP POINT WON BY UNITED STATES

American Veteran Wins Three Straight Sets After Losing First in Bad Start; Overcame 2-5 Lead in Second Set By Winning Five Straight Games; Has His Usual Wrangle With Umpire; Lott Plays Cochet Later Today.

Roland Garros Stadium, Auteuil, France, July 25.—(AP)-Big Bill Tilden sent the American forces away to a flying start in the challenge round for the Davis Cup against the French today by defeating Jean Borotra in the opening singles match, Henri Cochet, French ace, and George Lott were to play

later in the day with Cochet an overwhelming favorite. The doubles match takes place tomorrow and the two final singles matches with opponent reversed comes on Sunday. France now cannot hope to win the title before Sunday while United States could reach the cherished goal through a victory for Lott and for Allison and Van Ryn in the doubles.

After a nervous start, Tilden swept through to his eighth major tournament victory in succession over the Bounding Basque. The match was bitterly fought and was featured by a turbulent scene in one third set when Borotra scored a service ace after the American had lifted his hand to indicate he was not ready to play. The umpire ruled that Tilden had motioned too late and gave the point to Borotra.

Tilden, already rallying mightily after erring frequently in the first set, rose to new heights after the upsetting incident and trounced Borotra, parading through to the first victory of the challenge round with only the final desperate effort of the Basque in the fourth and deciding set holding him up temporarily. The Basque rallied in the final set after Tilden had run the count to 5-1 in games. The Frenchman reeled off four straight games of Tilden's long career to win the but could not hold the pace and second set with the five game rush dropped the deciding set 7-5.

### **ANOTHER WITNESS** TO HELP MOONEY

#### Cleveland Man Says He Saw Mexicans Place Suitcase On the Street.

Cleveland, July 25.—(AP) — A new witness who said he was willing to testify that Thomas Mooney and Warren K. Billings are innocent of the Preparedness Day bombing that cost nine lives in San Francisco, 14 years ago, told his version here today of the explosion.

Adam Krumesc, caretaker at the home of a Cleveland multi-millionaire, said he believed three Mexicans were to blame for the blast, for which Mooney and Billings are serving life sentences in San Quentin prison.

Krumesc, a Hungarian, said he was a 22-year-old roustabout in San Francisco at the time of the explosion. He was sitting on a fruit box on the sidewalk in direct view of the blast when it occurred, he

"I noticed three men who appeared to be Mexicans, loitering on the opposite side of the street. I could see across the street and noticed these three men acted very suspiciously. I noticed they left Steuart street and turned into Market, walking as if they were in a hurry, Krumesc's signed statement read.
"Almost simultaneously with their departure I noticed a suitcase standing on the curb where they had been loitering. A terrific ex-plosion occurred. I saw debris and parts of bodies fiying through the

It was this suitcase which evidence indicated contained the explosive which Mooney and Billings were convicted of having left there. Left the Scene

Krumesc said he hurriedly left the scene after the explosion, fearing he would be arrested by police as a witness or as a suspicious per-
