honors, has this to say about his Nash Ambassador: use because I firmly believe Airflyte Construction and handling ease make it the safest car on the highway. Speed and performance? I proved that when I drove an Ambassador 102.46 m.p.h. over El Mirage Dry Lake. Its Jetfire Engine is one of the finest ever put into any car! But, above and beyond its record perease, Airliner Reclining Seat, Twin Beds and Weather Eye Conditioned Air. Nash wins on every count—and I can recommend it to anyone who wants a truly fine car."

Answer: Because Packard "got in under the

wire" on its latest (and greatest) new-model

Now, more than ever, the price tags sum it up:

That was a wise move for Packard to makeand it points to a wise move for you to make . . Check today's delivered prices on auto row.

And why is it possible for Packard to continue You'll know then, for certain: "You're paying for holding the line on prices? a Packard ... why not own one?"

Packard is holding the line on prices!

We can't tell, of course, what may happen ;

price boosts, Packard has made today's decision

No price increases now!

It's more than a car-it's a ACKARI
