STUDENT TICKET FIFTY CENTS

Asking \$255,535 More In New School Budget

The Board of Education will re-quest \$1,636,840 to run the Man-chester school system during the 1952-53 fiscal year, \$255,535 more than the current budget, accord-ing to the school budget received by General Manager Richard Mar-tin this morning. According to the breakdown of the proposed budget prepared by the board, the increased budget arise spaid and the increased costs requests reflect the higher sai-aries haid and the increased costs in labor, materials and supplies, "together with the problem of in-creased enrollments leading to ac-tivation of the Waddell School and double sessions at the high school."

school." The board estimates that school enrollment will rise more than 1,000, from 6,696 pupils to 7,700. Double sessions at the high school, required by increasing pressure on the facilities of the school by an ever-growing enrollment, are ex-descent and the school of the school by an ever-growing enrollment, are ex-descent and the school of th ever-growing enrollment, are ex-pected to be in force until the new secondary school proposed for Memorial Field is built. The The auxiliary firemen of the gree of bachelor of laws at the school, for which an architectural firm has recently been authorized to prepare plans, is estimated now to be completed by 1955.
