In a statement, Truman in effect scolded Congress for not giving him the stronger powers he asked and lashed particularly at provisions limiting the Wage Stabilize.

Sees Dangerous Gap
In this respect, he said "the Congress has opened a dangerous gap in the mobilization program."
Truman got out a 1,200-word statement of his views on the new law. But at no point did he mention a provision requesting him to tion a providion requesting him to invoke the Taft-Hartley Act in an effort to end the steel strike.

The new law continued for 10 months powers to curb wages, prices, and rents and to allocate

Trio of Pitchers on Way to Losing 20 Games

American League lineup with an overall batting average of near .290 and a six-man pitching staff with a total of at least 50 wins

pitchers.

Stengel had full authority to pluck his hurling corps and came up with Vic Raschi (6-2) and Allie Reynolds (8-4) of his own New York Yankees: Mike Garcia (11-5) and Bob Lemon (6-7) of Cleveland; ageless Satchel Paige (3-2), St. Louis' peerless relief hurler, and Bobby Shants of Philadelphia (13-2), the only lefty.

The mound starter probably will be Shants since the big game on July 8 will be played in the amassing little hurler's own backyard, Philadelphia's Shibe Perk.

At the current batting rate, Stengel will have eight 300 or better hitters to bombard the Senior Circuit as the Americans try to break a two-game losing streak in the All Star series.

These are Eddie Robinson, Chicago, first base (306); Al Rosen, Cleveland, third base (332-current A. L. leader); Ferris Fain, Philadelphia, first base (323); George Kell, Boston, third base

the part of Stengel who traded the lad to Washington several weeks ago.

Completing the squad are Nellie Fox. Chicago, second base: Jim Hegan, Cleveland, catcher; and Dutfielders Minnie Minoso of Chicago, Larry Doby of Cleveland and Vic Werts of Detroit who has banged 14 homers.

Dominating the 25-man group is Cleveland with seven players and New York with six. Every junior circuit club has representation.

The all star dean is Di Maggio, who has made five appearances and posted a 333 average. Eight will be making their debut in the mid-summer game—Jensen, Paige, Yost, Manile, Bauer, Rosen, Avita and Garcia.

Plans Discussed

The executive board of Columbia Lake Association met last week with Maurice Clarke, president, to discuss plans for the summer season. They appointed William Jackson chairman of membership; Mrs. Paul Merrick, chairman of publicity and Paul Merrick, program chairman. The July meeting of the association will be held at 8 p. m. July 11 in Yeomans Hall. At that time Mr. Clarke urges all members to be present to get acquainted and to discuss association affairs. Taken up at this meeting, will be the old question of registering motor boats, which Mr. Clarke hopes will be settled. He has also annogenced that Mrs. Paul Merrick will edit the news sheet sent out to all lake residents week. This has previously

Newark, Del., July 1—(P)

The Army today Unveiled what it called the first completely new medium tank to pletely new medium tank to be developed since World War II—streamlined, more powerful, and almost as easy to handle as a new automobile.

Designated the M-48, or "Patton 48," it is being produced at the Chrysler tank plant here and at two other arsenals. Officials said sizeable deliveries are expected before the end of the year.

New Features

The tank, in the 45 to 56 ton class, has several notable new features:

1. A lower silhouette than any other American tank of cor-

turns out she was right after all!

"Jane kept harping about not having hot water enough for her new automatic washing machine. I said nonsense -- we have a good water heater! But to keep peace I called our plumber. Only ONE automatic water heater heats fast enough to run these modern appliances,' he said, 'and it's Gas. It's 3 times fester than any other all-automatic fuel.' He said also a Gas heater would be cheaper to buy, install and run. Must say I've got hotter water for shaving, too!" To Keep Cool

This was the starting point for a personally conducted tour of the Marlow Department Store air conditioning system. What brought this guided trip about was the recent heat wave that engulfed the city.

Throughout the successive days of searing heat, Marlow customers flocked to the store in greater numbers. Theirs was a two-purpose mission. . , to escape the pose mission . . . to escape the dwarmth and to shop in comfort. way. Approximately 175 gallons of

dwarmth and to shop in comfort. They could do both here.

To get the story behind the story. The Herald sent a man to peek at the inside of this much talked about machine that can deliver cool, dry air to everyone's satisfaction.

As George explains it, there's one basic advantage in the air conditioning plant in use at Marlow's. It allows the store to operate its cooling system at about one-sixteenth of what it would cost to employ the compression type unit. Here's why.

Marlow's has access to an almost unlimited supply of water

Since Detroit has played 68 games, Houtteman stands to lose 25 this year unless he undergoes a complete reversal of form or his luck changes. At the same ratio. Friend and Dickson figure to lose 24 games since Pittsburgh has played 71 of its 154 games.

No Pittsburgh pitcher of modern times (since 1900) has lost 29 games. Wilbur Cooper (1923), Frank Miller (1917) and Elmer Jacobs (1917) are the biggest Pirate losers at 19 each. Only four Detroit pitchers ever lost 20 or more games in a single season, with George Mullis suffering the ignominy three times. He lost 23 games 1904, the most of any Tiger hurler.

Cleveland and the St. Louis
Browns were idle, causing the Indians fo drop into fifth place.

Brodowski, a 18-year-old right-hander who was pitching Class Deall a year age, stopped the Mankees with four alta as the Red Sex won their first game of the season at Yankee Stadium. They had Hegan, Cleveland, Cattery minnie Minoso of Chicago, Larry Doby of Cleveland and Vic Werts of Detroit who has banged 14 homers.

Dominating the 25-man group is Cleveland with seven players and New York with six. Every junior circuit club has pepresentation.

The all star deap is Di Maggio who has made five appearances and posted a 233 average. Eight will be making their debut in the mid-sumper game Jensen, Paige. Yost, Mantle, Hauer, Rosen, Avila and Garcia.
