Boy Analysis*

Did you ever try to analyze What makes a little boy-Is it freckles, smile or spirit Or the way he leaps in joy?

Is it how he throws a baseball, How he fishes, or explains The intricate assembly Of his latest model plane?

Whate'er it is we love him And our prayers will ever be That his joy and fun and laughter

Will live on eternally!

It's with him in mind we're giving To the local March of Dimes, For this fund may conquer police The Crippler of our times.

Mail in your gift to conquer polio tonight. *Repeated by request from Rhymes of '52.

Heard Along Main Street workers when his car got stuck in snow near this paper's plant.

NOTICE DR. MURRAY SCHWARTZ ANNOUNCES THE RE-OPENING OF HIS DENTAL OFFICE

The End of an Era:

Plane Attacked Truman Radiates Cheer erate damage from anti-aircraft On Final Day in Office on the government in opposition fire from the Communist island of

apartment house at Bremen road and West Center streets as ilving quarters will come before the Zoning Board of Appeals a third time at its next meeting.

Date for the meeting has not yet been determined.

Attorney Raymond A. Johnson, Jarvis' attorney, said today that the application asks for permission to use all or part of the basement for living quarters.
This leaves it open for the board to grant permission for one or two apartments.

On Dec. 10, 1951, the appeals board denied a request for two apartments, and after an executive session Feb. 29 denied an appeal for one apartment.

Jarvis appealed the second denial, and the Court of Common

The town officials were asked at the Feb. 29 meeting, when a signer and the warning will be around of hand-shaking at Track Five.

That was its last message. It crashed later, sometime before 3 p. m. (1 a. m. e.s.t.) Sunday.

2. An amphibious Mariner rescue plane from Okinawa set down the writer picked up 11 survivors of the 13-man crew—then crashed in taking off. The Navy reported that the Mariner—which had a crew of eight—burned and sank.

3. A second rescue plane radioed the warning apartments and after an executive session feb. 29 denied an appeal on procedural grounds. Judge John Dwyer ruied that the board appeal on procedural grounds. Judge John Dwyer ruied that the board appeal on procedural grounds. Pearson Accepts New Post With Union Congregational

Minister of Music

Thursday of this week will mark the start of new duties for G. Albert Pearson, director of music for the Manchester school system and organist-choirmaster at the First Lutheran Church, New Britain. Pearson has indicated he had accepted the position of minister of music of Union Congregational Church here. Thursday will also mark the start of choir rehearsals under his direction. The senior choir meets at 7 p.m. to begin work on "Olivet to Calvary."

Eastman School Graduate
Pearson started in Manchester
in 1923 as a part-time teacher; for three years he taught at Long-meadow, Mass., as well. A graduate of the Eastman School of Music, Rochester, N. Y., he is also a graduate of Westminster Choir College, New Jersey., Other activities: past president of the Connecticut Music Educator's association; former director

Perry, The mothers of pupils in grade four and grade five will serve refreshments. During the evening the Girl Scouts of Vernon Troop will hold a food sale. Assignment of Cases
The jury case of David Blick v the town of Stafford which is on

> THE WHISTLE By Benjamin Franklin Here is a Lesson written two

hundred years ago by the greatest eacher of thrift in history. It has since been translated into almost two hundred languages and read and re-read to the children of ever ivilized nation on earth... When a child of seven years, my Save and Spend Wisely pockets with coppers. I went directly to a shop where they sold. harmed with the sound of a whistle that I met by the way in the ands of another boy. I voluntarily offered to give all my money for Ben Franklin Would Have Liked Just Such A Proverb one. I then came home, and went whistling all over the house, much pleased with my whistle, but dis-turbing all the family. My broth-ers and sisters and cousins, understanding the bargain I had made, told me I had given four times as much for it as it was worth; put me in mind of what good things I might have bought with the rest of the money; and laughed at me so much for my folly that I cried with vexation, and the reflection

with vexation, and the reflection gave me more chagrin than the whistle gave me pleasure.

This, however, was afterwards of use to me, the impression continuing in my mind so that often, when I was tempted to buy some when I was tempted to buy some I was tempted to buy some I was tempted to buy some I was the my thing I said to my. unnecessary thing. I said to my-self, "Don't give too much for the

As I grew up, came into the world, and observed the actions of men, I thought I met with many. very many, who gave too much for the whistle.
In short, I conceive that a great part of the miseries of mankind are brought upon them by the false estimates they have made of the value of things and by giving too much for their whistles.

Mary J. Emsley vs. Morris Brooks et al: Irma L. Gitlin, p. p. a. et al Gordon Works, Stafford Springs; vs. The Connecticut Company et al: Russell Earl Golipo, Andover Driver Not Hu

Want Guaranteed Fuel Oil Savings?

OIL BURNER NOW with .

Silent Automatic WALL-FLAME BURNER

Promises are one thing. But when we say you'll get amazing fuel oil savings by replacing your old oil burner with a Timken Silent Automatic Wall-Flame Burner, we go further than promises! We guarantee those savings in writing on a money-back, burnerback basis! What could be fairer?

Yes, it's an offer you can't afford to pass up. We'll test your present burner and tell you exactly how much fuel you can save by replacing with a Timken Silent Automatic. If you decide to buy, we'll give you a written guarantee of those savings. You have the written assurance that if your Timken Silent Automatic doesn't perform as we say it will, we'll refund your money and reinstall your old burner at no charge.

Here's new freedom from bounce, pitch and sway . . . an entirely new standard of riding comfort!

If you've thought it takes gas-eating weight and hard-to-park length to give real riding comfort you ought to try this '53 on curves. Ford's new Miracle Ride marks a new era of riding Ford. For Ford's new Miracle Ride actually seems to lay a comfort and quiet. It's another big reason why Ford is worth carpet of smoothness even over the roughest roads. There's no more when you buy it . . . worth more when you sell it

The New Standard of the American Road

comfort, whichever model you buy. boulevard or roughest back road. ient seating position for all drivers.

80% less road shock! By increasing Automotic Ride Control! Ford's All day comfort! Scientifically defrontwheel traveland redesigning the Variable-Rate rear spring suspen- signed contour seats, both front and

Non-sag spring construction is as 80%. Springs are tailored-to- and load conditions change. You get firm yet resilient. Automatic Posture weight of each model, for best riding a smooth, level, comfortable ride on Control provides the most conven-

You've got to Value Check this new Ford's 41 "Worth More" features to know why Ford is worth more when you buy it . . . worth more when you sell it!

In this new '53 Ford you'll find not only a new concept of riding and driving comfort . . . you'll find more of the things you want and need than in any other car in the low-price field.

You'll find the "Go" you need, in Ford's high-compression V-8 and Six engines (and both thrive on regular gas) . You'll find the great, all-round visibility . . . the easy handling, braking and parking you need for today's traffic. And you'll appreciate beauty that "belongs," wherever you may drive. No wonder Fordis the New Standard of the American Road,

Fishing Editor A new year always starts me nking about what I'm going to do in the coming season. Received a letter from Charles Ritz, the Paris hotelman who manages to spend most of his two sea trout, 15 pounds and 22

ally a sea run brown trout, inci-dentally, and the fish are taken in opped by the other day with a noto story on Lake Titicaca. This ivia and Peru; at 12,000 feet it's Coos river, Oregon, are always the highest lake in the world. Rain-bow trout run up to 34 pounds, and

Bonefish addicts cal bow trout run up to 34 pounds, and according to Fenno, trout of 15 pounds are common.

Nearer home there are big things cooking in Panama and Haiti. Panama is still relatively untouched big game-wise, and we predict that next year is going to see a real boom in sailfish and marlin. Port Au Prince, Haiti, has opened up some really hot tarpon and snook fishing in nearby rivers and lakes.

Bonefish addicts can place their money on Islamorada, Fla. If it's bangs of bonefish you want, go to Isles of Pines, Cuba, or the outer lelets of the West Indies. They're not as big—but plentiful. White marlin, Ocean City, Md. of course; the blues will be off Biminl. For snook, August on Lake Worth in Florida. They have a good-supply of over 30-pound fish. Trout other than the migratory rainbows are always hit and miss.

34th President of the United States

Bars Appeasement For U. S. Security Washington, Jan. 20-(AP)-Dwight David Eisenhower took office as President today with a pledge to strive for peace but to reject any apeasement of Communist aggression Right hand uplifted, the 62-year-old citizen soldier repeated the solmn oath of office and launched his administration with a declaration of

"Faith that the future shall belong to the free." In a brief inaugural address, Eisenhower named "abhorring war" as one of nine guiding principles, and promised continued aid to all free nations willing to contribute their fair share to the common defense against

and wicked bargain of trading honor for security. For in the final choice a soldier's
