

President Hails Nixon Courage

Washington, May 9 (AP)—President Eisenhower said today that he was proud of the courage and calmness of Vice President Nixon in a personal message to Nixon at Quito, Ecuador, the President said.

Eisenhower, in a message addressed to "Dear Dick," praised Nixon's handling of the episode which brought him "new respect and admiration in our country."

"Your courage, patience and calmness in the demonstration directed against you by radical agitators have brought you new respect and admiration in our country."

"I am certain the vast majority of citizens both in Peru and in the United States deplore the incident caused by a few."

"I note with satisfaction that the Peruvian government has already expressed to you its regret."

"Indeed, I feel that every participant in the mob will finally come to feel a sense of guilt and embarrassment because of his failure to show toward a friendly visitor the ordinary measures of courtesy and hospitality."

"Give my love to Pat (Nixon's wife) and warm regard to yourself."

"As ever," Eisenhower signed the note with his initials—D. E.

"Sees Attack on U.S." Earlier, Sen. Mike Mansfield (D-Mont) called the Lima incident essentially an attack on the people of the United States more than on Nixon as an individual.

Yet it may have a net result of strengthening ties of friendship between the United States and Peru and between this country and Latin America as a whole, Mansfield predicted in a statement. He said:

"The demonstration was uncalled for and is a blot on the good name of Peru, one of our oldest and best friends in all Latin America."

"I am saddened that the dignity and honor of the people and the (Continued on Page Six)

Ike Bid to Call Moratorium on Pay, Cost Hikes

Hot Springs, Va., May 9 (AP)—A special Anti-Recession Committee of the Business Advisory Council (BAC) proposed today that President Eisenhower call for a voluntary one-year moratorium on wage and price increases.

The report was presented to Secretary of Commerce Weeks and to more than 100 top industrialists attending the council's closed sessions here. The council is an advisory body to the Commerce Department.

The committee recommended against any general tax reduction at this time. They said such action may be proper if general economic expansion occurs.

The group strongly opposed federal projects of the type called "make work."

The special committee was formed at Weeks' request. It was headed by T. V. Houser, chairman of Sears, Roebuck and Co. who presented the findings to the council.

Reporters are barred from council sessions, but copies of the report were distributed to members in advance of the meeting, and newsmen learned the contents.

The group agreed unanimously that inflation remains the No. 1 long-term problem of the economy. It urged that all emergency anti-recession measures be weighed in the light of inflationary risks.

To avoid further lowering of public purchasing power and possibly to encourage price reductions, the committee said Eisenhower should issue a call for a moratorium on "further wage rate increases by labor and on cor-

Assassin Kills Lahore Leader

Lahore, West Pakistan, May 9 (AP)—Dr. Khan Sahab, 76, founder and chief of the Muslim League, was assassinated in his home today.

His assassin, identified as Ata Mohammad, stabbed him three times. Bleeding profusely, Khan attempted to give chase but fell unconscious after running about 30 yards. He died while being taken to a hospital.

The assassin was overpowered by a car driver who ran him down. He was reported to be a Patwari, or revenue officer, dismissed two years ago. Officials said he had been trying for three days to talk with Khan about being reinstated. Due to prior occupation Khan was unable to meet him.

Khan Sahab was the elder of the famous Khan brothers. He was chief minister of the Northwest Frontier province from 1947 until partition of India in 1947.

His brother, Abdul Qafar Khan, was known popularly as (Continued on Page Eleven)

150 Perish As Brazil Trains Hit

Rio de Janeiro, May 9 (AP)—President Juscelino Kubitschek today ordered an investigation into the crash of two commuter trains in which an estimated 150 persons were killed. It was the second disaster in as many months on the government's Central do Brasil line and the worst train wreck in Brazil's history.

Some 300 more passengers were injured last night when one electric commuter train plowed into the rear of another. Apparently all the victims were Brazilians.

Rescue workers toiled through the misty night to pull the dead, dying and injured from the twisted metal cars piled along embankments 10 miles north of Rio de Janeiro.

Thousands ringed the scene of the wreck at nearby stations other angry commuters rioted in protest.

Sixty-seven passengers were killed March 7 when three Central do Brasil trains rammed together. Until yesterday the highest death toll in a Brazilian rail wreck had been 119, in 1952.

Kubitschek, who went to view the wreckage at midnight, said the investigation would get under way at once and he would take "necessary measures no matter who is hurt."

Officials said one train of five cars was stopped about 100 yards north of Mangueira station when an 8-car train came down the same track at about 45 miles an hour.

The engine of the speeding train sliced through three-quarters of the rear car of the stopped train.

Billy Graham Likes Sack Dress Style

San Francisco, May 9 (AP)—Billy Graham says he likes the sack style because "it takes the sex out of dress."

The evangelist told a largely teenaged audience at last night's youth meeting at the Cow Palace that the sack is "healthy for the mind and for the body. I'm going to get my wife one."

At the end of the sermon, which pictured the Biblical Samson as a juvenile delinquent, 1,025 persons walked forward to make "dedications for Christ." Most of them were (Continued on Page Twelve)

Jury Indicts Powell For U.S. Tax Fraud

New York, May 9 (AP)—Rep. Adam Clayton Powell Jr., Harlem Democrat and church leader, has been indicted on charges of federal income tax evasion and aiding in preparing a fraudulent tax return for his wife, pianist Hazel Scott.

A special federal grand jury imposed 16 months ago, yesterday returned a 5-count indictment against the 49-year-old Powell, Negro member of Congress from New York since 1945.

Powell supported President Eisenhower and the GOP in the 1956 election, assertedly over his displeasure with his own party's position on the racial segregation issue.

Shortly after Eisenhower's reelection the jury was allowed to become dormant. Powell denied that this represented any deal with the administration.

Will Run—Regardless of the indictment was expected to bolster the position of six or seven Harlem district leaders who reportedly are out to drop from the Democratic ticket this year. Powell has said he is going to run, regardless.

Of the counts against Powell, one charged tax evasion in a joint 1952 return with his wife. The Powells reported a net income of \$5,252. The government charged that the true net was \$8,952 and that they owed taxes of \$1,661.

A second count states that Mrs. Scott advised her husband, net her net income for 1951 at \$3,816, but that her net was really \$9,101. A third count covers alleged violation of the Federal Criminal Code against aiding and abetting the preparation of a fraudulent return for another person.

The 3-count indictment carries a maximum penalty, if convicted, of 15 years in prison and \$30,000 in fines.

Speaking from Washington yesterday, Powell said he had no immediate comment, adding: "I must talk with my attorneys before any statement can be given."

Heads Harlem Church Powell took over 20 years ago from his late father as pastor of Harlem's largest church, the 9,200-member Abyssinian Baptist Church.

His indictment climaxed the stormy career of the special grand (Continued on Page Four)

Joseph E. Davies, 81, Dies; Former Envoy

Washington, May 9 (AP)—Joseph E. Davies, former ambassador to Russia and a diplomat under three presidents, died early today after a lengthy illness. He was 81.

Death came a short time after midnight at his family home here.

Davies' physician said the cause was bronchial pneumonia following a cerebral hemorrhage, popularly called a stroke.

Davies, a wealthy Washington lawyer, was named ambassador to Russia in 1936 by President Franklin D. Roosevelt.

Out of his two years as U.S. envoy to the Kremlin he wrote "Mission to Moscow," a best seller that appeared in 1942, the year after Hitler attacked Russia.

The book was credited widely with galvanizing U.S. sympathy for the Soviets, who Davies predicted would withstand the German onslaught.

Davies served as ambassador to Belgium and minister to Luxembourg for two years after leaving Moscow in 1938. He also held a number of special assignments under Roosevelt and later President Truman.

Davies, a native of Watertown, Wis., first entered government under President Wilson, whom he served as campaign manager in Wilson's first try for the White House in 1912.

Kremlin Adds Fuel to Blasts At Yugoslavia

London, May 9 (AP)—Russia took a tougher line toward Yugoslavia today amid reports that Premier Nikita Khrushchev is fighting an attempt to oust him as not being tough enough.

Polish Communist sources said the Chinese Reds and Russian Stalinists have combined against Khrushchev in a dispute over how the Communist bloc should deal with Yugoslavia's refusal to follow Moscow's dictates.

Reports from Moscow and Warsaw said the Soviet Communist party's Central Committee has demanded that Khrushchev resign from the Russian capital. Results of the meeting may come soon, the official Polish Communist organ Trybuna Ludu said.

Most sources in Moscow said, however, the main subject of the meeting was Soviet industrial production rather than Russian relations with the Communist parties of other nations.

The committee rallied around Khrushchev last June in a dispute with former Premier Georgi Malenkov, former Minister V. M. Molotov and others. Khrushchev won and exiled them but lately Khrushchev has been rumored back in Moscow.

Direct Attack The Soviet party organ Pravda today published a direct attack on Yugoslavia after reprinting Chinese and Czech criticisms earlier this week. The lengthy article broadcast by Moscow radio implied that the doctrinal dispute with the Yugoslav Communist party might disrupt relations between the two governments.

Pravda threatened to withdraw Russian economic assistance from Yugoslavia if President Tito continued criticism of Moscow's dominance in party affairs. In recent years the Soviet Union has provided almost \$200 million in industrial equipment and loans, the article said.

Pravda said the Yugoslav Communists at their recent party congress, falsely accused Russia of trying to dominate satellites and exploit them economically.

On Tuesday, Pravda printed a Chinese article accusing Yugoslavia of almost every crime in the Communist attack on Yugoslavia. The article said that the one Stalin leveled against Tito in 1948 when the old dictator read Yugoslavia out of the Communist fold.

Pravda followed up yesterday with a Czech article saying Yugoslavia's Communist party program adopted two weeks ago contained concealed attacks on the Soviet Union and its party.

Polish Communists believed these attacks on Tito actually were aimed at Khrushchev. The (Continued on Page Seven)

State Senator Says Ribicoff For GOP Plan

Hartford, May 9 (AP)—A Republican legislative leader today claimed GOP credit for a highway bill proposal now sponsored by Democratic Governor Ribicoff.

Senate Chairman Stephen J. Sweeney of the Appropriations Committee said the Republican-controlled Legislature as far back as last March passed a resolution urging Congress to reimburse states for interstate roads already built.

The Naugatuck lawmaker's comment followed Governor Ribicoff's recent announcement that he will ask the National Governors' Conference to urge Congress to act in this matter.

In the event Congress acts, Connecticut would receive well over \$300 million to reimburse it for part of the cost of the new Connecticut Turnpike.

Sweeney, a Ribicoff critic, said today he was pleased that the Governor "at long last" has decided to ask other governors to support Republican efforts in this field.

He said that the state's two Republican U.S. Senators, Prescott Bush and William A. Purtell, were leading the fight for such legislation in Washington. Bush, he recalled, introduced legislation on this subject last March and that Purtell arranged a meeting with federal officials on the subject.

Such legislation will mean a lot to Connecticut, Sweeney added. "We are glad now that Governor (Continued on Page Four)

Authors Still Back New CMS Contract

New Haven, May 9 (AP)—The writers of a controversial medical insurance plan maintain it is in the best interests of the people of Connecticut.

But directors of the Connecticut Medical Service Inc. (CMS) didn't say they would actually sell the contract, which has the opposition of the state's largest association of physicians.

In a meeting here last night, directors of CMS voted unanimously to reaffirm their approval of the contract, which allows membership and reduced doctors' fees—to Connecticut families in the \$5,000 to \$7,500 income bracket. Previous contracts were limited to (Continued on Page Eleven)

Funds Committee Cuts Ike's Requests

Washington, May 9 (AP)—The House Appropriations Committee today cut \$15,412,798 from new funds President Eisenhower had requested to finance the State Department and the U.S. Information Agency (USIA).

In a bill sent to the House for debate next week, it recommended that the State Department get along on \$192,859,353 and the USIA on \$101,750,000 in new funds during the year starting July 1. The President had requested \$199,990,151 for the State Department and \$110,022,000 for the USIA.

The committee trimmed \$1,600,000 from the \$7,600,000 the President had sought for his special international cultural artists and athletic program which finances overseas good will tours of American entertainers.

It cut a token \$780,000 from the \$230,190,000 requested for the (Continued on Page Twelve)

Senate Unit Backs Car Price Tag Bill

By THE ASSOCIATED PRESS The Senate Commerce committee today approved the automobile price tagging bill. It would require manufacturers to put on every new automobile a tag listing the suggested retail price for the car and for each accessory.

Such competitors urged such legislation to protect them from competitive advertising what they described as "fantastic discounts" and offering such gimmicks as "a free vacation in Florida for two."

Such competitors were accused of "price-packing" in order to offer heavy allowances for trade-ins. The bill had the endorsement of General Motors and Ford. Chrysler Corp. said it considered the measure unnecessary but was willing to go along with it if a majority of the nation's retail dealers thought it would help them.

Sen. Mike Monroney (D-Okla.) and Strom Thurmond (D-SC) sponsored the bill.

Ford Sees Price Hike—In Detroit, Henry Ford II, president of Ford Motor Co., said today the current demands of the United Auto Workers Union on the auto industry would raise new car costs more than \$200.

Ford, in a letter to Sen. Estes Kefauver (D-Tenn.), said the union demands on the auto industry "amount to more than 70 cents an hour, exclusive of profit sharing. The 70 cents an hour demand alone if granted by us and our suppliers generally would raise the cost of an automobile more than \$300. No automobile company (Continued on Page Twelve)

None Hurt, All Brought To Surface

By HERB LITTLE Shapples, W. Va., May 9 (AP)—Twenty-four men who had been trapped more than 13 hours in a flooded coal mine were brought to the surface, unharmed and in good physical shape, at dawn today.

They came out through an abandoned air shaft of the Boone County Coal Corp. No. 2-A mine. Trucks picked them up and carried them to the mine bathhouse where they were met by their families and friends, who had waited anxiously through the night.

Used Old Shaft A 4-man rescue party reached the trapped miners by threading their way through the honeycombed passages of a section which had not been worked since the 1920s. Contact was made about 3:15 a.m., but it was not until two hours later that a runner reached the surface with news that the men were safe.

The first man up the air shaft, Orville Kitchen, emerged at 5:50 a.m. The last man came out an hour later. He was Robert Turner, 48, assistant general foreman. The air shaft is some 6,800 feet from the place where the men were found.

James Bradley, 35, was overjoyed at being rescued so soon. "We had planned on being there four or five days, or maybe longer," Bradley said. He said they had no food and only a little water.

Singing, Praying Another of the rescued men, Lon Hamilton, 42, said: "We spent our time making sections of the mine and praying."

The 24 were the entire work force on the 8 a.m.-3:30 p.m. shift yesterday. The water, which flooded part of the mine and cut them off, broke through about 1 p.m., jamming the passageways with debris.

It came from a pond in a mountain hollow on the surface above the underground workings. Refused-laden water from the mine coil (Continued on Page Ten)

Policy Change Hinted Will AEC Head Resign If Ike Stops N-Tests?

Washington, May 9 (AP)—Will Lewis Strauss quit as chairman of the Atomic Energy Commission if President Eisenhower decides to suspend U.S. nuclear testing later this year?

This question is getting increasing attention in official Washington today in the light of a statement made by Strauss here yesterday.

In reply to a question about his future plans, he told a National Press Club audience that his 2-year term of office expires at the end of June and "the President has done me the honor of saying he wishes me to take re-appointment." But Strauss added:

"There are a number of considerations to be weighed. I have reached no position."

He did not say whether the considerations were personal, official or what, but his statement stands against the background of Strauss is waging a last-ditch fight against any modification of the administration's long-established policy of nuclear test suspension.

Strauss contends the United States must continue testing to reduce nuclear fallout and to develop highly efficient nuclear weapons for defense against attacking aircraft or missiles. He faces strong opposition at the policy-making level.

Secretary of State Dulles is known to have argued that from a diplomatic and world propaganda point of view it is vital for the United States to move toward suspending tests, and the sooner the better.

Dr. James R. Killian Jr., the President's science adviser, is understood to have recommended steps toward suspension.

The final decision rests with Eisenhower, who as far as is known has not yet taken a definite stand.

Strauss told the press club that he is in favor of the present U.S. policy. Under this, tests would be halted only if an effective inspection system could be instituted immediately and if Russia and other powers agree to move quickly into an accord to halt the manufacture of nuclear explosives for weapons.

None Hurt, All Brought To Surface

By HERB LITTLE
Shapples, W. Va., May 9 (AP)—Twenty-four men who had been trapped more than 13 hours in a flooded coal mine were brought to the surface, unharmed and in good physical shape, at dawn today.

They came out through an abandoned air shaft of the Boone County Coal Corp. No. 2-A mine. Trucks picked them up and carried them to the mine bathhouse where they were met by their families and friends, who had waited anxiously through the night.

Used Old Shaft

A 4-man rescue party reached the trapped miners by threading their way through the honeycombed passages of a section which had not been worked since the 1920s. Contact was made about 3:15 a.m., but it was not until two hours later that a runner reached the surface with news that the men were safe.

The first man up the air shaft, Orville Kitchen, emerged at 5:50 a.m. The last man came out an hour later. He was Robert Turner, 48, assistant general foreman. The air shaft is some 6,800 feet from the place where the men were found.

James Bradley, 35, was overjoyed at being rescued so soon. "We had planned on being there four or five days, or maybe longer," Bradley said. He said they had no food and only a little water.

Singing, Praying

Another of the rescued men, Lon Hamilton, 42, said: "We spent our time singing and praying. We were singing and praying."

The 24 were the entire work force on the 8 a.m.-3:30 p.m. shift yesterday. The water, which flooded part of the mine and cut them off, broke through about 1 p.m., jamming the passageways with debris.

It came from a pond in a mountain hollow on the surface above the underground workings. Refused-laden water from the mine coil (Continued on Page Ten)

Bulletins from the AP Wires

PRISON ARCHITECT HIRED
Washington, May 9 (AP)—The architect of Connecticut State Prison has engaged Clarence B. Litchfield of New York to draw up preliminary plans for the medium maximum section of the institution to be erected in Enfield. It was announced today. An appropriation of \$250,000 was set aside by the General Assembly at its recent special session to carry out the work.

U.S. POLICY ASSAILED
Washington, May 9 (AP)—Former French War Minister Alfred Coste Foreign Affairs, charging the United States had lost the cold war by allowing a Communist sphere of influence to be established. Florent, Popular Republican Movement (MRP) member of Parliament, spoke as secretary general of the International Union of Christian Democrats, convening here for a three-day meeting.

71 SAFE IN PLANE CRASH
Stephenville, Nfld., May 9 (AP)—Seventy-one passengers and crew—most of them dependents of U.S. Armed Forces personnel—escaped serious injuries today when a flying boxcar crashed-landed at nearby Harmon Field. U.S. Air Force officials said a nose wheel collapsed as the plane was landing on its way from Europe to a New York base. The plane bumped and pitched along the runway until it slid to rest on its side in the infield.

WILTON BILL VETOED
Hartford, May 9 (AP)—Gov. Ribicoff today vetoed a bill that would have given the Town of Wilton exclusive control over its underground water resources. The bill was passed by the recent special session of the General Assembly. It would have given the town control over its underground water until January 1961.

AIRPORT AID VOTED
Washington, May 9 (AP)—The Senate Commerce Committee voted today to authorize \$212 million in federal aid to airports over a five-year period. Sen. A. S. Mike Monroney (D-Okla.), the sponsor, says the bill is designed to create some jobs immediately and to help cities get their airports ready for jet planes.

Assessment List In Herald Today

A list of Manchester taxpayers with assessments on the 1957 Grand List of \$15,000 or more in real property or \$5,000 or more in personal property is printed in today's Herald.

The list is compiled for The Herald from records of the assessor's office.

Billy Graham Likes Sack Dress Style

San Francisco, May 9 (AP)—Billy Graham says he likes the sack style because "it takes the sex out of dress."

The evangelist told a largely teenaged audience at last night's youth meeting at the Cow Palace that the sack is "healthy for the mind and body. I'm going to get my wife one."

At the end of the sermon, which pictured the Biblical Samson as a juvenile delinquent, 1,025 persons walked forward to make "dedications for Christ." Most of them were (Continued on Page Twelve)

Jury Indicts Powell For U.S. Tax Fraud

New York, May 9 (AP)—Rep. Adam Clayton Powell Jr., Harlem Democrat and church leader, has been indicted on charges of federal income tax evasion and aiding in preparing a fraudulent tax return for his wife, pianist Hazel Scott.

A special federal grand jury indicted 16 months ago, yesterday returned a 5-count indictment against the 49-year-old Powell, Negro member of Congress from New York since 1945.

Powell supported President Eisenhower and the GOP in the 1956 election, assertedly over his displeasure with his own party's position on the racial segregation issue.

Shortly after Eisenhower's reelection the jury was allowed to become doubtful. Powell denied that this represented any deal with the government.

Will Run—Regardless
The indictment was expected to bolster the position of six or seven Harlem district leaders who reportedly are out to drop Powell from the Democratic ticket this year. Powell has said he is going to run, regardless.

Of the counts against Powell, one charged tax evasion in a joint 1952 return with his wife. The Powells reported a net income of \$5,252. The government charged that the true net was \$8,952 and that they owed taxes of \$1,663.

A second count states that Mrs. Scott advised her husband, net her net income for 1951 at \$3,816, but that her net was really \$9,101. A third count covers alleged violation of the Federal Criminal Code against aiding and abetting the preparation of a fraudulent return for another person.

The 3-count indictment carries a maximum penalty, if convicted, of 15 years in prison and \$30,000 in fines.

Speaking from Washington yesterday, Powell said he had no immediate comment, adding: "I must talk with my attorneys before any statement can be given."

Heads Harlem Church
Powell took over 20 years ago from his late father as pastor of Harlem's largest church, the 9,200-member Abyssinian Baptist Church.

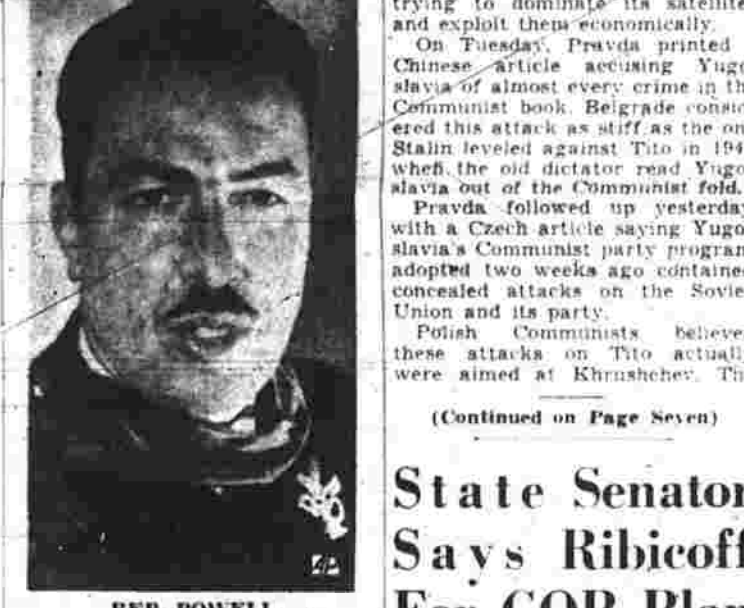

His indictment climaxed the stormy career of the special grand jury that followed Governor Ribicoff's recent announcement that he will ask the National Governors' Conference to urge Congress to act in this matter.

In the event Congress acts, Connecticut would receive well over \$300 million to reimburse it for part of the cost of the new Connecticut Turnpike.

Sweeney, a Ribicoff critic, said today he was pleased that the Governor "at long last" has decided to ask other governors to support Republican efforts in this field.

He said that the state's two Republican U.S. Senators, Prescott Bush and William A. Purtell, were leading the fight for such legislation in Washington. Bush, he recalled, introduced legislation on this subject last March and that Purtell arranged a meeting with federal officials on the subject.

Such legislation will mean a lot to Connecticut, Sweeney added. "We are glad now that Governor (Continued on Page Four)

REP. POWELL

State Senator Says Ribicoff For GOP Plan

Hartford, May 9 (AP)—A Republican legislative leader today claimed GOP credit for a highway aid proposal now espoused by Democratic Governor Ribicoff.

Senate Chairman Stephen J. Sweeney of the Appropriations Committee said the Republican-controlled Legislature as far back as last March passed a resolution urging Congress to reimburse states for interstate roads already built.

The Naugatuck lawmaker's comment followed Governor Ribicoff's recent announcement that he will ask the National Governors' Conference to urge Congress to act in this matter.

In the event Congress acts, Connecticut would receive well over \$300 million to reimburse it for part of the cost of the new Connecticut Turnpike.

Sweeney, a Ribicoff critic, said today he was pleased that the Governor "at long last" has decided to ask other governors to support Republican efforts in this field.

He said that the state's two Republican U.S. Senators, Prescott Bush and William A. Purtell, were leading the fight for such legislation in Washington. Bush, he recalled, introduced legislation on this subject last March and that Purtell arranged a meeting with federal officials on the subject.

Such legislation will mean a lot to Connecticut, Sweeney added. "We are glad now that Governor (Continued on Page Four)

Authors Still Back New CMS Contract

New Haven, May 9 (AP)—The writers of a controversial medical insurance plan maintain it is in "the best interests of the people of Connecticut."

But directors of the Connecticut Medical Service Inc. (CMS) didn't say they would actually sell the contract, which has the opposition of the state's largest association of physicians.

In a meeting here last night, directors of CMS voted unanimously to reaffirm their approval of the contract, which allows membership—on reduced doctors' fees—to Connecticut families in the \$5,000 to \$7,500 income bracket. Previous contracts were limited to (Continued on Page Eleven)

JOSEPH E. DAVIES (1949 Photo)

Joseph E. Davies, 81, Dies; Former Envoy

Washington, May 9 (AP)—Joseph E. Davies, former ambassador to Russia and a diplomat under three presidents, died early today after a lengthy illness. He was 81.

Death came a short time after midnight at his family home here.

Davies' physician said the cause was bronchial pneumonia following a cerebral hemorrhage, popularly called a stroke.

Davies, a wealthy Washington lawyer, was named ambassador to Russia in 1936 by President Franklin D. Roosevelt.

Out of his two years as U.S. envoy to the Kremlin he wrote "Mission to Moscow," a best seller that appeared in 1942, the year after Hitler attacked Russia.

The book was credited widely with galvanizing U.S. sympathy for the Soviets, who Davies predicted would withstand the German onslaught.

Davies served as ambassador to Belgium and minister to Luxembourg for two years after leaving Moscow in 1938. He also held a number of special assignments under Roosevelt and later President Truman.

Davies, a native of Watertown, Wis., first entered government under President Wilson, whom he served as campaign manager in Wilson's first try for the White House in 1912.

Coventry 'North' Church to Dedicate New Equipment on Sunday

The Second Congregational Church will have a dedication service at 10 a. m. Sunday at the basement in line with its Mother's Day Devotion program.

An audio visual cabinet and film strip projector given in memory of Ruth Vinton Giescke will be dedicated. The equipment was made possible through gifts given in memory of Mrs. Giescke to the Church Memorial Fund.

Mother's are invited to visit the church school services at 9:30 a. m. and will receive carnations. In charge are Mrs. Carole Hillman and Mrs. John J. Willinger.

Church school officials have voted to again have a Daily Vacation Bible School in the morning of the weeks of July 7 through July 19 in the church building.

The Rev. Arthur Bradley, pastor, will use "Religion Serves the Family" as his sermon topic at the 11 a. m. services Sunday at the sanctuary. There will be a special service to baptize Mrs. Clarence Amidon will be assisted by Peggy Cooper with the church nursery class during the worship services.

New Books on Loan

A new group of books is now on loan at Booth-Binckley Memorial Library from the State Central Book Collection. Included are eight books for gardeners on growing and arranging flowers and controlling garden pests. Others are of sports, hobbies, handicraft and humor.

The books are free to be borrowed from Mrs. John F. Chappelle, librarian, upon request. Children under 12 years of age are asked to have cards signed by a parent. Of interest to the Young people is a new sport series for boys. There are also rental books for those who wish to read best sellers promptly, as well as a variety for the interests of others.

Library hours are 12:30 p. m. to 5 p. m. and 7 p. m. to 9 p. m. Tuesday and Thursday; 10 a. m. to noon and 1 p. m. to 4 p. m. on Saturdays.

Honor Roll Pupils

Local pupils on the quarterly honor roll at Manchester High School are: High honors, seniors, Thomas Hitzel, Sandra Hill, Jean Kingsbury and Patricia Ziegler; juniors, Nellie Perkins, freshmen, Suzanne LaVigne, Norma Lawton, Suzanne Mamel, Laine Stewart and Mary Zelditch; seniors on the "B" roll are Mary Goetz and Thea Silliman.

Co-op Clinics

The cleaning committee at the basement classroom at the Second Congregational Church of the Co-operative Nursery and Kindergarten the weekend will include Mrs. Loris Boly, Mrs. Merrill Going and Russell D. Potter.

Civic Program Soon to Start

Coventry officials get an early start on "Beauty Coventry" slated to begin a week from tomorrow. Alvin R. Goodin of the Board of Health, left, and First Selectman Richard M. Galinat, hold sign-offing the event while South Coventry Fire Chief Delmar Potter looks on. (Photo by Don Clark).

Jury Indicts Powell For U.S. Tax Fraud

(Continued from Page One)

A few months after the 1956 election, government attorneys stopped calling witnesses before the panel.

The situation exploded 14 months later with allegations that Washington pressure caused the probe to be dropped. This was denied by U. S. Atty. Paul W. Williams.

Two Ex-Aides Convicted

Two former secretaries of Powell have been convicted of tax charges. In May, 1956, Mrs. Helen Doolittle, 48, was convicted of evading \$5,000 in federal income taxes and illegally collecting \$2,000 in refunds. In October, 1956, Aoy Lennon, 34, was convicted of evading \$1,792 in taxes.

Mrs. Doolittle served a 7-month prison term. Lennon is serving the last 90 days of a year and a day sentence.

Of two other Powell aides, one pleaded guilty to taking funds from a federal savings organization in Powell's church. Another is awaiting trial on income tax evasion charges.

Powell entered politics in the 1950's, becoming New York City's first Negro councilman.

State Senator Says Ribicoff For GOP Plan

(Continued from Page One)

Ribicoff intends to ask the governor's Conference to get in line and help our efforts.

Ribicoff, meanwhile, told the Waterbury Chamber of Commerce group Thursday night that Connecticut needs more funds to accelerate its road-building program.

"The longer we wait, the more expensive it will become," the Governor added.

"For that reason, Chambers of Commerce all over the state should energetically support a program designed to give Connecticut a highway system consistent with the needs of our rapidly growing population and economy," he said.

The Governor asked the recent special session Legislature to borrow \$265 million to speed up the road-building program over the next few years. The Republican-controlled legislature voted \$30 million to keep the program rolling at top speed until a next March 1.

Alexander Hamilton was a supporter and hater of the institution of slavery.

Pastors Head Area Events

The Rev. Willard E. Thomas, pastor of the Andover First Congregational Church, and the Rev. Theodore A. Chandler, pastor of the Bolton Congregational Church, are co-chairmen of the annual Town and Country Rural Life Pilgrimage of the Congregational Churches.

The pilgrimage to Union and Woodstock, May 19 is on the theme, "Opportunities in Connecticut."

The Rev. Mr. Thomas will open the program at 10 a. m. in the Union Congregational Church, the chairman of a panel on "The Greater Church." Other panel members are Miss Florence Barrows of Union, Dr. Paul Ross Lynn of the Hartford Seminary Foundation and Dean F. Roy Drannell of the Woodstock Congregational Church.

Dr. James F. English, superintendent of the Congregational Christian Churches of Connecticut, will speak on "The M.S.C. (Mansions Christian Society) Stand By" at 1:30 p. m.

Gay Outing of Andover will head a panel discussion on "Christian Commitment at Work" at 2 p. m. Also on the panel will be Allen H. Yale, also of Andover and Roscoe H. Stevenson of Woodstock. The program will end at 5 p. m.

Board Committee to Meet On Lease Issue Wednesday

The Board of Directors Country Club Lease Committee will meet Wednesday night to iron out details of its proposed golf course lease offer.

Director Eugene Kelly, chairman of the committee, said today the purpose of the meeting is to whittle the offer into final shape for submission to the Full Board at an early date.

The committee has already reached tentative approval of suggested lease provisions as well as a proposal to put the lease out to public bid.

Few Minor Points

Kelly said that all that remains to be done by the committee is the clarification of a few minor points. If approved by the committee, the lease offer is almost certain to be approved by the Full Board since six of its nine members are on the committee.

As approved by the committee, the lease offer would be submitted to public bid, and interested parties would be able to bid on one of two two-year proposals which they wanted to operate the golf course for joint public-private use or private only.

Lease fees would be fixed by a formula based on the type of operation and percentage of taxes. In submitting the lease to public bid, the Board presumably would state the minimum percentage the town would accept.

The provision permitting bidding on joint public-private or private-only operation is a compromise between two points of view on the issue to which the town-land involved should be put.

Has Advantage

It is generally agreed that the Manchester Country Club would have an advantage in public bidding since it is already on the land, which is part of the Globe Hollow purchase, and owns the buildings on it.

However, Kelly said today he had received inquiries from two out-of-town individuals who expressed interest in the lease-bid proposal.

PTA Will Hear Significance of Testing Program

Raymond Blinfield, assistant superintendent of Manchester schools, will speak on "The Significance of a Testing Program" at the May meeting of the Green School PTA, Wednesday at 8 o'clock.

Blinfield is in charge of the entire testing program for the local schools. He is currently working with teachers on curriculum revision, who is responsible for special educational programs, such as that for the mentally retarded.

He is a graduate of Colby College, has done graduate work at Cornell University and the University of Maine, and is now completing work for a doctorate degree. He was superintendent of schools in Springdale, Maine, before joining the Manchester School system.

Preceding the program, officers elected for the coming year, committee chairmen and delegates will be installed by Mrs. Donald Conrad, retiring president of the Manchester PTA Council. In compliance with Mrs. Conrad's recommendation for more active PTA representation at Board of Education meetings, Mrs. Hester Erickson, president re-elected, has directed that the incoming legislative committee shall send two delegates to each session hereafter.

Following the program, refreshments will be served in the cafeteria by Mrs. John Steeves and her hospitality committee.

'38B MHS Class Reunites Saturday

The 20th anniversary reunion of the Class of 1938, Manchester High School, will be held Saturday at the K of C Home.

The program will commence with a social and friendship hour starting at 7 o'clock. Dinner will be served at 8 o'clock, which dancing will be enjoyed for the remainder of the evening.

Invited guests of the class will be Miss Ione Fellows, to whom the class yearbook was dedicated; Mrs. Helen Page Skinner, English teacher and faculty advisor of the Book and Booklet; and Wilfred J. Clark, retired physical education instructor and basketball coach. Clark's 1938 team is Manchester High's only winner of the New England Interscholastic Championship.

Members of the class who are unable to attend the dinner part of the program are invited to stop in later in the evening and visit with their former classmates.

Senate Unit Backs Car Price Tag Bill

(Continued from Page One)

effort to expand consumer buying power.

E. E. Patterson, acting chief of the UAW bargaining team, said the shut-down would hurt high seniority workers out of their jobs. He said, "GM has no moral right to scrap workers just because it decides to scrap one of its operations."

GM issued no statement in reply. As negotiations were recessed late yesterday until today, the company said that a meeting had been set up on the local level today in Pontiac to discuss the problem.

Negotiators for GM and the union are attempting to reach a

Ike Bid to Call Moratorium on Pay, Cost Hikes

(Continued from Page One)

spotting price increases by business.

Council members heard reports that the administration is considering another anti-recession measure—a request to Congress to liberalize tax write-offs for all industries.

A government source reported privately the plan is getting serious consideration in Washington. Weeks said last week it would provide "the greatest shot in the arm of business," but he did not foresee any administration action.

The idea was expected to get strong boost from the closed 2-day sessions at which Weeks, Secretary of Defense McNamara and other top government officials are meeting with members of the RAC.

Sen. Homer Capehart (R-Ind.) has introduced a bill which would permit companies to write off in depreciation for tax purposes higher percentages of the cost of new plants and equipment in the first years of their life.

The device was used in the Korean War to stimulate expansion of cars turned away because their parking space was exhausted. Graham said Samson was

God's Delinquent Because He Had a Parental Problem and a Romantic Problem

They favor prompt legislation to ease the depreciation allowance on new plants, machinery and equipment as an incentive to industry to invest in plant modernization and tooling-up for new products and processes.

They also favor the lowering of excise taxes on auto, train, motor and other depressed segments of industry, to bring prices within reach of more consumers.

A sizable bloc of industry believes that recovery from the recession may be farther away than "late summer" or early fall. As Weeks has predicted, several industrialists said they expect no appreciable upturn until early 1959. But others agreed with Weeks that the bottom already had been reached.

Funds Committee Cuts Ike's Requests

(Continued from Page One)

Department and \$496,600 from the \$51,450,000 sought for the federal judiciary.

A formal report accompanying the committee's recommendations was devoid of the caustic criticism directed at the State Department and USA in past years.

The committee said the State Department had not proceeded with the opening of all the new consular and reporting posts abroad for which funds had been appropriated last year. It specifically earmarked an unspecified portion of 1959 money for opening 12 of these posts.

It questioned the advisability of State Department maintenance of a language school located in a villa on the Riviera at Nice, France. But it found little else to criticize.

For acquisition and construction of foreign service buildings abroad, the committee recommended \$18 million, a total of \$500,000, with \$10 million of the total to be used to buy foreign currencies or credits owned by the Treasury Department.

It approved \$41,827,450 to meet annual membership obligations of the United States in international organizations. This is \$61,688 less than the President requested.

Drama Festival Tonight Includes Invitation Entry

Three more theater groups will be in action tonight, the second night of the 3-day 11th annual Drama Festival of the Associated Little Theaters of Connecticut. Curtain time at the Avery Theater in Hartford is 8:30.

Opening tonight's program will be excerpted from Bridget Boland's "The Prisoner," an invitational entry presented by the Cheshire Academy drama troupe. Paul A. Nichols directs the student performers who placed among the top three in the recent Secondary School Drama Festival.

This group will be followed by scenes from "Bell, Book and Candle," presented by the Colchester Players, directed by John Van Drickler.

The evening's final production will be scenes from "The Shrike," an offering by the Glastonbury Junior Players under the direction of Val Yavarsky.

The Colchester and Glastonbury groups are among the seven A.F.F. organizations competing in the Festival for "Oscar" to be presented later this month.

Last night the festival got underway with an opening invitation offered by the Glastonbury High School drama club. They presented an unusual Japanese Noh play, "Kagidayo." It was directed by Robert Orr.

About Town

The Child Study Group will meet Tuesday at 1 p.m. in the Buckley School Library. The topic of discussion will be "Practices in Being Global Neighbors," with Mrs. William Taylor, leader.

A rummage sale will be held by the Lady Spencer Group of the Second Congregational Church on May 14 at 9:30 a.m. in Fellowship hall of the church. Mrs. Ralph Rockwell is chairman of the sale.

Martin 2nd, Lt. Robert E. Richardson Jr., son of Mr. and Mrs. Robert E. Richardson Sr., 203 Highland St., and his wife, the former Miss Marilyn Ponde of 84 Spruce St., graduated April 26 from the Communication Officers' Academy course at the Marine Corps Schools, Quantico, Va.

Several members of Anderson Shea Post, V.F.W., and the Auxiliary plan to attend the testimonial dinner honoring Department Junior Vice Commander Joseph Ceramka tomorrow night in Midtown.

King David Lodge, IOOF, will meet tonight at 7:30 in Odd Fellows Hall. A social time will follow the meeting.

The American Legion Band will hold a special rehearsal tonight at 8 o'clock at the post home.

Tall Cedars Parade Saps On Saturday

Pajama-clad Saps (Tall Cedars candidates) will distribute leaflets to children in tomorrow's parade on Main St.

The spring ceremonial of Nutmeg Forest will start with the 5:30 parade, the line of march being from South Terminal to the Masonic Temple at the Center.

Parade Marshal John Fox today said the minutest fire engine in the parade will be the line of march. Six bands, starting from Benson's, Animal Farm, New Hampshire will be in the line of parade are the Tall Cedars, Manchester High School, Fox-Police Junior Marching Band, the Killian St. Patrick's Pipes and the Warehouse Point Fire and Drum Corps.

Funeral Services and Cadettes from West Hartford, the Cedar Cedars wagon, and the minutest fire engine are other units.

Dispersal of the Parade will be served at 6:30 by Garden Grove. The program is set for 7:30, the Royal Court at 8:30, followed by the Sibleian Degree.

Robert King is general chairman of the ceremonial committee.

Programs Offered By Green Pupils

Pupils of the fifth grade of Manchester, Conn., have planned a series of programs to be presented during the week of May 11-15.

The first class in uniform instruction will meet at Zion Church tomorrow at 8 a.m. and the second class at 10.

The adult Sunday School class is in charge of the 11 p.m. service at the Junior Choir Towers will be held at 7 o'clock at the Italian American Club, to proceed from there to the John Burke Funeral Home to pay last respects to Anthony Lupacchino, who was a member of the society.

Guadano Offers Tips On Travel in Europe

It is a pleasure to see so many Americans in Europe, and if you don't mind paying twice as much as the American price, you can have anything from the brand of the Roman, and of which only the remains now remain. And contacts with Italians not connected with tourism, though few, were pleasant and friendly.

Guadano offers some tips on traveling through the three countries in his letter.

France, according to what I have learned from travel bureaus and travel information, was the most expensive country in Western Europe.

It was in southern France that I found the most interesting places to visit. It was in southern France that I found the most interesting places to visit. It was in southern France that I found the most interesting places to visit.

Roy Wierzbicki \$107 Richer Because Star Wouldn't Laugh

Seven-year-old Roy Wierzbicki is richer today because French people acted as if he were a star. He was \$107 richer because he wouldn't laugh on national TV last night.

The actress was a special guest on the new Robert Q. Lewis show, "Make Me Laugh," near locally on Channel 8 Thursday night at 10 o'clock. Every week, guest comedians try to make contestants and one special visitor laugh, but for every second they don't, Lewis pays one dollar.

Last night Miss Darcel went 107 seconds before Louis Nye of the Stars. Allen show made her crack a smile. The actress, as in the custom with the special guests, drew a home victory name from the many sent in to the show on previous nights.

Roy Wierzbicki's name was picked. His parents, Mr. and Mrs. Herman Wierzbicki of 65 Overland St., had sent in his name recently after the boy's request. The family reports they never miss the show. Roy is a second grade student at the Keeney St. School.

Moms Day Service Set at Covenant

The Mothers Day service Sunday at 7 p.m. at the Covenant Congregational Church will be sponsored by the Adult Class of the Church School, of which Hyman Carlson is teacher.

The main part of the program will be in the form of a tableau, "A Tribute to Mothers." Members of various age groups will be participating in a specially constructed frame, illustrating mothers of various ages.

Those offering flowers include Mrs. John Ross, Mrs. Hope Chitt, Mrs. Miss Doreen Crawford, Jeffery Smith, Mrs. Paul Norling and Mrs. Esther Granderson. Mrs. K. Einar Bank planned the service.

Twenty-five mothers of the school will share the devotion. The program will be directed by Mrs. John G. Talcott Jr. and daughter, Rosemary. Musical vocal duet, a male quartet consisting of Hjalmar Carlson, Ernest Johnson Sr., Kenneth Nelson and George Poole will sing.

The public is invited.

Mothers Visitors At South School

Mothers of pupils at South School have seen the guests of their children at a series of open houses this week.

Tuesday the mothers of Mrs. Estelle Olsen's kindergarten pupils visited the school to share their morning activities and for a coffee hour in the lunchroom.

On Monday, the mothers of the first through fifth grades visited their mothers to observe their classes and to be their guests for a luncheon.

Mothers of Miss Marjorie Leistikoff's first and second graders were entertained Wednesday. Mrs. Anna McCann's second and third graders yesterday, and Mrs. Gwendolyn Hurst's fourth and fifth graders today. Miss Leistikoff, principal, arranged cafeterias and other spring flowers for the parties.

Open House Tea For Army Wives

The Public Affairs Committee and the Navigators Club of the Manchester YWCA are inviting all the wives of the Army personnel of the 21st AAA Missile Battalion to an open house tea on Monday, May 11, from 2 to 4 p.m., baby sitting service will be available.

All YWCA members and their friends are invited to attend and meet their new neighbors.

OUR BOARDING HOUSE with MAJOR HOOPLES

Blackburn Bonus Backfires

Redlegs Lost \$30,000 on Jerry, Pittsburgh Got Ron for Nothing

New York (AP)—In 1950 Jerry Blackburn was a 16-year-old southpaw pitcher who in high school at Kanyonville, N. C. Many scouts were after him. The Cincinnati Reds were in Boston and paid Jerry a \$30,000 bonus. He never made the grade.

More Homers At Old Pueblo

Los Angeles, May 9 (AP)—Despite a less effective barrier last night, the famous 42-foot screen that runs along the left field was away from the 200-foot foul line.

Old Pueblo Now Racing After Rest

Los Angeles, May 9 (AP)—Old Pueblo, winner of eight straight races before training troubles and Billy Sullivan's return, came back to the race track tomorrow after a couple months' rest.

Joe Lopes and Ortiz Seeking Title Match

Hollywood, May 9 (AP)—Lightweight Joe Lopes of Sacramento, Calif., goes into the ring at the Hollywood Legion Stadium tonight as favorite to whip Carlton Ortiz of New York and map the East-erner's string of 26 victories.

Camille Henry Named Winner Of Byng Award

Montreal, May 9 (AP)—Camille Henry of the New York Rangers, highest scorer in the National Hockey League, got a prize today for his most sportsmanlike play.

Gonzales Undefeated In Two-Hour Marathon

Ann Arbor, Mich., May 9 (AP)—Pancho Gonzales and Lew Hoad who battle almost nightly on the professional circuit, agreed today to play a two-hour marathon for the United States to win back the Davis Cup.

Tourney Planned At Casting Clinic

Persons participating in the 1958-59 Casting Clinic, sponsored by The Herald and Hartford County Casting Club, at 616e Hollow Pond on Monday night will attend four days of casting instruction.

N.E. Cage Tourney Now On Probation

Boston, May 9 (AP)—The New England Basketball Tournament next March 19-21 is going to be on probation.

About Town

Cub Pack 53 will meet at the Waddell School at 7:15 tonight. The Americanism committee of the VFW Auxiliary will present a flag to the Webelos Den, and Mrs. Nancy Klock will show slides and tell of her recent trip to Africa. Cubs of Pack 153 are invited guests.

The DeWolf Art Guild will hold

its annual meeting and election of officers Tuesday at 8 p.m. at the Community Y. Mrs. George Simmons of Caprilands, North Coventry, will be the speaker. Guests will be welcome. Mrs. Ernest Bantley will serve as hospitality chairman.

Local women who plan to attend the card party tomorrow at 1:30 in Sentinel Hill Hall, 960 Main St., Hartford, for the benefit of Fathers of St. Edmund, are requested to bring their own playing cards.

Mrs. Anna Robb, 71 Haynes St., and Mrs. Edwin D. Foster, 358 Woodbridge St., are attending the session of the White Shrine of Jerusalem in Atlantic City this week.

Richard E. Winzley, son of Mr. and Mrs. George Winzley, 73 Hackmatack St., will sing with the Chapel Choir of Boston University Sunday when it presents its annual spring concert at the University. He is a junior in the College of Liberal Arts.
