Thief Takes Money, Liquor, Soup in Maple Grove Break

The Maple Grove Club on Franklin St., Rockville, was broken into last night and about \$50 to \$70 was reported taken.

Police Captain Peter J. Dowgev'z said the intruder also took two bottles of liquor and eight cans of soup. This led the captain to believe the thief was a transient. Cigarette and pinball machines were tampered with, but the thief was apparently unable to open them. The money, all in bills, was taken from a steel cabinet that was jimmied open. Coins in the cabinet were not taken, Dowgewicz said.

Owen Trask, 4-H specialist, will speak briefly, refreshments will be played in the downstairs hall.

At the same time, Bill Kuca will call for square dances in the upper hall.

Tournament at Hartford Saturday, sponsored by the Jaycees. A Danielson team topped the 12 entries.

Russell Koelsch of Rockville won a trophy for the high single score of 135. He lost the high triple by two pins. wicz said.

Patrolman Emilio Pelligrini discovered the break at 2 a.m. today during a routine check. The club during a routine check. The club

had closed at 9 p.m. yesterday.

Entry was apparently made through a window in which a pane of operating a motor vehicle while f glass was broken, police said. under the influence of intoxicants. State Police are assisting Pelle- He posted a bond for appearance grini in the investigation.

DEFEAT FLUORIDATION—VOTE YES! Yearbook Of Agriculture, 1939 Fluorine

Fluorine has been shown to be the cause of a disfiguring dental disease known as mottled enamel or dental fluorosis (1077) Fluorine interfers with the normal calcification of the teeth during the process of formation, so that affected teeth, in addition to being usually discolored and ugly in appearance, are structurally weak and deteriorate early in life. For this reason it is Especially Important that Fluorine be Avoided during the period of tooth formation, that is, from birth to the age of 12 years. The fluorine problem therefore is chiefly concerned with the need for avoiding water containing fluoride in order to prevent the occurrence of mottled enamel. Fluorine has a chemical affinity for the calcium

A Message From "Your Pharmacist" DOOR-TO-DOOR PEDDLING OF DRUGS, VITAMINS AND OTHER MEDICINES will be outlawed by the New York City Board of Health said Dr. Roscoe P. Kandle, Commssoner of the Department of Health.

R. KANDLF SAID: "Many door-to-door pedd!ers make wild irresponsible and fraudulent claims about the diseases their products will prevent or cure. The courts have forbidden such claims, but the individual peddlers make such claims orally."

NOTHER SOURCE OF GREAT DANGER IS THEIR SALE OF FOOD SUPPLEMENTS, most of which have little value. Because potent vitamins, which can accomplish much good, are regulated by law for sale in . pharmacy under professional supervision, many opportunists skirt the law by calling them foods. To do this the strength is so reduced that results are negligible. Yet, the prices they charge are usually much higher.

THERE IS NO REASON FOR ANYONE TO GAMBLE WITH HIS HEALTH.Our desire to protect and keep our good professional reputation is your assurance that your health will always be our foremost consideration. The products we supply will always be dependable and fairly priced. In this competitive age, no one can sell for less and give equal value or

Regional District 8

Record Attendance Expected At Tonight's Budget Meeting Bindover in

Rockville

A record attendance is expected at the second Regional District 8 budget meeting tenight at 8 in the RHAM School gymnasium.

Judging by interest aroused in meetings of the Regional Board of Education, teachers and citizenal committees, the growd may total 1,000 persons. About 700 people at tended the first budget meeting April 13.

Tonight's meeting was called by the School Buard after receiving petitions, from at least 20 voters from each of the three towns in the district, stating they think the adopted budget imadequate.

The first meeting adopted a budget of \$407,686, proposed by Hebron Finance Board member Emory Taylor.

A budget totaling \$450,936 had been presented by the Regional Boa. d of Education.

The board will bring in a budget of \$422,136 tonight which will bring in a budget of say 21,136 tonight which will bring in a budget of say 21,136 tonight which will interest a sum of the street of the sum of the same and solve the sum of the same and solve the same in which it was handled. They said, "In our classrooms we are trying to teach our young-solve the same in the discipline grows from within, yet we are subjected to say the same and solve the same in the same within, yet we are subjected to say the same in the same in the same in the same within, yet we are subjected to say the same in the same in the same within, yet we are subjected to say the same in the same within, yet we are subjected to say the same in the same in the same within, yet we are subjected to say the same in the same into operation.

An overdose of Fluoridation Fables and the Hartford Courant editorial of Feb. 24, 1959, is another attempt to produce confusion, but degutted and deboned, this editorial shows fluoridation promotion in its true perspective. Last Thursday evening, April 16, at the Bowers School, we heard more of the frequent Fluoridation Fables. One of these by Dentist Menczer, Hartford's Public Healther guaranteed the safety of fluoridation. Many of us had photostatic copies of the letter from the American Medical Assn., legal dept. which stated "It is Not True that the A.M.A. guarantees the safety of fluoridation." The next—Very Personal— Menczer Myth was a masterpiece of mental maneuvering. He stated that President Ike drinks fluoridated water in Washington. A clipping from the N. Y. Times, Feb. 19, 1959, pg. 10, reported by Pres. Press Secy. Hagerty, that Pres. Ike drinks BOTTLED WATER in Washington and also on trips.

Reprinted From The Hartford Courant The Coming Test In Manchester

The people of Manchester will have the chance next Tuesday. April 28, to vote on fluoridation. By one of those unhappy mischances they will be asked to record their vote in favor of fluoridation by a negative vote against a proposed ordinance. In other words, to vote for fluoridation they must vote No in the referendum. This referendum is particularly important, because it could well mark the turning point in the state-wide battle for this growing public-health measure.

It is also important because Manchester represents the first real community-wide effort to adopt this health measure. All the civic organizations have joined hands with the medical and dental profession to put this measure across. If it is successful by a wide margin, Manchester will have given the rest of the state a successful working model to follow.

Manchester has also been subjected to the usual line of misrepresentations and falsehoods that are part of the anti-floridation paraphernalia. For example, at a public meeting last week a leading anti-fluoridation propagandist flourished a New York newspaper showing that Mr. Eisenhower drank nothing but bottle water. The truth is that Mr. Eisenhower now drinks fluoridated water, and the newspaper was more than five years old. The date had been cleverly altered by pasting a recent date over the old one. That is typical of the kind of tactics some of these people use to prevent Connecticut children these people use to prevent Connecticut chile from getting the benefits of fluoridation.

The people of the state will be watching Man-chester to show a good example by voting over-whelmingly on the question so they may have fluoridation. In doing so they will be fol-lowing the good advice of their own children who, after prolonged study in the High School science club, have published an all-out endorse-ment of fluoridation.

This was given to the Jaycee chairman as he distributed cards for questions on fluoridation from the audience. After reading the clipping, he handed it to Dentist Menczer, (many others also read it). He shouted that this was an old clipping upon which Miss Van de Vere had pasted the date Feb. 19, 1959, stating that was what Anti-Fluoridationists always do, with a barrage of derogatory chatter. Not content with his verbal brick-bats against anti-fluoridators at the meeting, he had this same charge incorporated into an editorial of the Hartford Courant, Friday, April 24, 1959.

It is amazing how the Hartford Courant continually swallows Menczer's lies about anti-fluoridators, to the extent of having become embroiled in a libel suit against them for printing 22 False Statements about Lillian Van de Vere. Menczer, above all others, has given a Black Eye to Public Health and their programs. In 1954 he replied to a midwesterner's inquiry, that Hartford had voted IN FAVOR of fluoridation, when the vote was 6 to 2 OP-POSED to fluoridation. He can fool some people some of the time but not all the people all of the time. Here is the exact copy of the N. Y. Times, Feb. 19, 1959—compare this with the Hartford Courant editorial, April 24, 1959.

Name calling, twisted statements, fraudulent fabrications, character assassination—these are the tools used to promote Fluoridation. Honest people Believe those who seem to be cloaked in the robe of authority. Divested of these robes, the lies come tumbling out. Do the Fl promotors intend to use Sodium Fluoride in drinking water to TRANQUILIZE the TAXPAYERS, to make them unable to protest against further encroachment upon their Con-stitutional rights and their pockbooks? Manchester electors are not gullible—they are not buying LIES.

SPONSORED BY THE MANCHESTER RESIDENTS AGAINST FLUORIDATION

"Ike" Drinks **Bottled Water** n WASHINGTON (page 10)

Biggest event in our household today was youngest son Dean's 12th birthday. This date is always easy to remember as April 19 is Patriot's Day in Boston which signals a legal holiday in the Bay State plus the famed Boston Marathon and usually a Red Sox doubleheader at Fenway Park. Despit the commotion over the youngest member of the family we all were relied on the radio reports of the same game while absorbing some of the sunshine. Friends arrived of the sunshine. Friends arrived of the sunshine. Friends arrived for digner at 6 and beloed celebrate.

Daylight Saving Time went in baskets coming on dunk shots, but to effect early yesterday morning but in the clock moving process. Wilt the Stilt Chamberlain and his basketball mates got all confused.

We was far from impressive. Perhaps it was because the house was small and the Stilt's take was small and the Stilt's take was small for he gave a haphazard exhibition. The ex-Kanasa All-Amerhaps (Season totals in parentheses) National League Boyer. Cardinals (2). White, Cardinals (2). Groat, Pirates (2). As a result the All-Stars didn't arrive in Manchester until nearly 9 o'clock last night for their scheduled 8 o'clock exhibition against the Milford Chiefs. A patient crowd of 400 waited but what they saw was nothing to write home about. The Chiefs, paced by Bobby Knight's ball handling, handed the All-Stars a 92-86 defeat at the high school gym.

The Stilt, who measures 7-1, is but an added starter was Roosevelt with the All-Stars failed to show but an added starter was Roosevelt Cardinals (2) Groat, Pirates (2). Bright, Pirates (1). Stuart, Pirates (2). Brandt, Giants (3). Philley, Phillies (1). Aaron, Braves (4). Thomas, Reds (2). Zimmer, Dodgers (2). American Lean Sievers, Senators (1) with the All-Stars failed to show but an added starter was Roosevelt.

The Stilt, who measures 7-1, is a pretty fast man off the court and en route to the Silk Town b. king he was ticketed for speeding on the parkway. This helped make the team late and upon entering Manchester and the Center St. detour, more confusion resulted, they reported.

with the All-Stars falled to show but an added starter was Roosevelt Grier, 285-pound defensive tackle with the New York football Giants. Grier, who couldn't get a pair of trunks to fit him, was the first "standing guard" seen at the schoolboy gym since it opened. When Grier dropped in a one-hand-led push shot from the outside the sulted, they reported. ed push shot from the outside the About the game, Chamberlain crowd howled. Football is def scored 25 points, most of his 12 nitely Grier's game.
