1,198 Missing, 5,095 Hurt Typhoon Vera Kills 1,350 Japs

By KENNETH ISHII
Tokyo, Sept. 28 (AP)—Japan staggered today under mounting casualties from the whirl-lash of a weekend typhoon which left at least 2,548 dead or missing and 1,120,745 homeless.
Weary officials at National Police headquarters worked around the clock to keep up with the rising toll as rescuers dug through mud and debris for bodies. By noon they listed 1,350 known dead, 1,198 missing and 5,095 injured. Widespread damage sent prices of rice and vegetables skyrocketing, helping more hardship on the grieving populace.
Eyewitness accounts of one of the mightiest typhoons ever to hit Japan told a cruel story.
A Japanese newsmen who visited Nagashima, a town in Central Japan, reported:
"I could only guess the location of the main street. It was completely submerged under view by floodwaters. So was the railway station. And the movie theater. Everything was gone. It seemed, except for a slowdown that old woman on whose boat I hitched a ride."

Peiping Notes Birthday, Wait For Red Chief

By THE ASSOCIATED PRESS
President Liu Shao-chi opened Red China's 10th anniversary celebrations in Peiping today by declaring Formosa and the Nationalist off-shore islands will be "liberated."

Radio Peiping, in a broadcast heard in Tokyo, said Liu spoke in "the magnificent new assembly hall" of parliament before Communist delegations from all over the world.
Mao Tse-tung, party chairman and leader of Red China, made his first public appearance at celebration events. Mao was absent from the airport when Liu and others welcomed arriving delegations Sunday.
Peiping said Mao, Liu and other Chinese leaders were given "a long, standing, stormy ovation" at the assembly.
Liu apparently set the theme for the birthday celebration with his declaration of determination to seize Formosa, the Pescadores and Quemoy and Matsu.
"To this day the USA still occupies our territory of Taiwan Formosa," Liu said. "The Chinese people absolutely cannot tolerate."
Liu said nations with different social systems should coexist peacefully but "on the other hand, to safeguard peace we must curb aggression."
The U.S. 7th Fleet guards Nationalist Formosa from Red attack. Red China always refers to this as U.S. occupation.
"Ten years ago," said Liu, "our people... led by the Chinese Communist party and Comrade Mao Tse-tung, achieved the great victory of the People's Democratic revolution against imperialism, feudalism and bureaucratic capitalism and founded the People's Republic of China."
Liu asserted that in 10 years Red China "speedily achieved the great victory of the Socialist revolution."
The broadcast noted that among the guests were Mikhail A. Suslov, Soviet Communist party secretary.

Gracie Heads To U.S. Coast

Miami, Fla., Sept. 28 (AP)—Hurricane Gracie whirled toward the U.S. mainland with a 90-mile-an-hour punch today and the Miami Weather Bureau prepared to issue hurricane warnings on the coast later today.
Following a west-northwest path, the storm was menacing the coastal areas of northeast Florida, Georgia and the Carolinas.
"It is likely that warnings will be issued," a Weather Bureau spokesman said.

Ike for Easy Loans To Needy Countries

Washington, Sept. 28 (AP)—President Eisenhower today called for the creation of \$1 billion International Development Association to extend easy payment loans to underdeveloped nations.
The association would be a subsidiary of the world bank.
Eisenhower made his suggestion in a brief address of welcome to the governing boards of the bank and the International Monetary Fund opening their annual meeting here. He told the finance ministers of 68 nations:
"In our view, no other mechanism can perform this task for the free world as well as the International Development Association."
The U.S. governor of the bank and fund, Secretary of the Treasury Robert B. Anderson, has formally proposed creating the association, a global lending institution. It would help shift part of the increasing burden of foreign aid to European and other countries.
Eisenhower told the delegates the United States believes the new agency would be closely integrated with the World Bank—which makes only safe and conservative loans and is unable to provide "soft loans" to countries needing them.
Soft loans provide for easy payments and are repayable at least in part in the currency of the borrower.

Summit Move Credit Claimed By Macmillan

London, Sept. 28 (AP)—Prime Minister Macmillan predicted today the leaders of the big powers will meet at the summit in the near future.
He took personal credit for opening up the prospect of top-level talks and said the meeting between President Eisenhower and Premier Khrushchev had advanced the project. Addressing an election campaign rally in a London district, Macmillan said today:
"We have heard today of a very important piece of news—the successful negotiations taken a further point forward between the President of America and Mr. Khrushchev with a summit meeting in the near future."
"I would only ask you this question, and I think it is a fair one: 'Do you think Mr. Khrushchev and President Eisenhower would have been promoting and discussing together at Camp David last week if I had not decided to break the ice and go to Moscow?'"
This brought cheers from the 1,000 people at the open air meeting.
The big foreign affairs issue in Britain's campaign for the Oct. 5 general election is: Should Macmillan or Labor leader Hugh Gaitskell fill Britain's place at a summit conference?
The Conservative claim Macmillan is responsible for pushing world affairs toward the summit and should be retained in office to see the project through. The Laborites say Gaitskell, as prime minister, would be better able to break the log jam in East-West relations.
Both sides were claiming victory. A Conservative party spokesman said Macmillan's chances of remaining in office took "a sharp turn for the better" over the weekend. He based this claim on confidential reports from party workers.
In rival Labor party headquarters, however, Gaitskell's followers were proclaiming equal certainty of victory. They said that when the results of his tour and talks with President Eisenhower were announced, they would be able to claim a half and half victory.

Satellite Sends First Photo of Earth, Clouds

Washington, Sept. 28 (AP)—Explorer VI, the paddle wheel satellite, has provided the first crude picture of the earth and its cloud cover from orbit in space, a space agency announced today.
The picture, taken when the satellite was 17,000 miles out in space, covered the area of Mexico. It was made from signals received by the South Point, Hawaii, tracking station Aug. 14.
"This picture was made by Space Technology Laboratories Inc., Ingwood, Calif."
While the earth was in the camera's field of view, the relative positions of Earth, sun and satellite allowed only a crescent of the sunlight Earth to be seen.
A black indentation on the upper right part of the crescent was caused by loss of data.
The 40-minute signal transmission from which the picture was made was received early Aug. 14, or at 3:45 p.m. Hawaiian time, Aug. 13. At that time the central part of the Pacific was lit, the North American continent was dark and Asian land masses were over the satellite's horizon. Explorer VI was launched Aug. 7.

Ike, Soviet Premier Agree On Early Summit Meeting

Summit Move Credit Claimed By Macmillan

Washington, Sept. 28 (AP)—President Eisenhower and Soviet Premier Nikita S. Khrushchev had agreed today on an early summit conference. He implied that during their Camp David meeting Khrushchev had declared there is no Soviet threat to West Berlin.
Khrushchev said yesterday Geneva would be a good place to meet.
Eisenhower told a news conference that so far as he was personally concerned his conversations with Khrushchev have removed objections to a summit session. His major objection had been an unwillingness to go into East-West negotiations under threat—with Khrushchev's pistol pointed at West Berlin's head.
But Eisenhower declined to say in so many words that the Soviet leader had given him personal assurances which amounted to lifting the Berlin threat.
He replied to news conference questions on that point by saying he did not want to put words in anybody's mouth.
Eisenhower said he agreed with Khrushchev that the Berlin situation is abnormal—because of the existence of a group of free people inside communist territory. He said that some system must be found which would be acceptable to both sides.
He disclosed that in the course of the talks which he had with Khrushchev at Camp David, Md., from Friday night to Sunday afternoon, Khrushchev had said that in a friendly way he would take up with Chinese Communist leaders the problems of five Americans still held prisoner in Chinese Communist jails.
He said they spent very little time talking about Communist China, however, because they immediately found that their views were totally opposed.
The President began his unusual Monday morning news conference with glowing praise for the American people's treatment of Khrushchev.
He called them very sophisticated in being able to listen to the other fellow's arguments and criticism while remaining strong in their own conviction.
Although Eisenhower spoke of his conditions for a summit meeting of various nations as having been met, he wouldn't be pinned down as to prospects for one in the near future.
At one point, the President said such matters were subject to negotiations with the Allies, evidently meaning British Prime Minister Harold Macmillan, French President Charles de Gaulle and German Chancellor Konrad Adenauer. He specifically mentioned when he expected a summit meeting to be held, Eisenhower said he could not guess.
He spoke of reporting to his interested associates, presumably meaning the press, that their reaction to his news conference would be a good one. He said he would not be able to fix a real time.
In official quarters here, the impression is strong that there will be a summit meeting before Eisenhower goes to Moscow in the spring, possibly in November or December.
Eisenhower confirmed reports that Khrushchev and his associates had agreed to negotiate for a headless settlement. They also displayed an interest in increasing trade with the United States.

Unwitting Tools in Cold War Khrushchev Blasts Coexistence Foes

Moscow, Sept. 28 (AP)—Nikita S. Khrushchev returned from his American visit today with a declaration that "those who are afraid of coexistence are unwitting tools in promoting the Cold War."
The Soviet premier, given a hero's welcome, told a jam-packed throng at the Moscow Sports Palace that the Cold War might spark off another armed conflict.
"Then it would be too late to ask questions about coexistence, when atom-bomb-carrying rockets started flying," he said.
Khrushchev called out "Okay" to welcome the results of his tour and talks with President Eisenhower.
He spoke the word in English from the top of a ramp leading down from his plane in apparent summary of the results of his tour and talks with President Eisenhower.
Khrushchev assured the Soviet people that progress was made in lowering tensions. He said Eisenhower showed a statesmanlike mind in assessing the situation.
Thousands of Russians cheered him and tossed flowers into his car on his 30-mile drive from the airport to the Sports Palace. The car was slowed almost to a halt and police had to clear a path at times as jubilant throngs surged onto the pavement.
Beaming and looking well rested, Khrushchev waved back before the Sports Palace, before 15,000 or more, he said the 20th Century is the century of the flowering of human genius.
"Now that man has achieved great scientific heights and mastered the forces of nature," he said, "it is impossible to maintain relations which belong to prehistoric days."
By JAMES MARLOW
(AP News Analyst)
Washington, Sept. 28 (AP)—Nikita Khrushchev has finished his sensational and historic visit to the United States. What does it add up to? If you had to give the answer in one sentence, this would be it: "I can't be sure."
Reaction varies from skepticism to hope, mixed with words whether there's a gimmick in it, that he wants peace. One thing is sure: He didn't lose anything by his trip. He probably gained some time.
So far as is known he didn't budge an inch on anything. Even that can't be said with certainty, since he implied that the full result of his talks with President Eisenhower won't be known for some time.
He tried to create an image of Khrushchev and Russia extremely anxious for peace. And no doubt he did in some areas of the world, at least.
If he's not sincere, then the obvious question must arise in the most hostile minds: Why did he go to all this trouble? That's an advantage he knew he would have when he undertook that trip in the first place. He never lost it.

Khrushchev Denies West Berlin Threat

Washington, Sept. 28 (AP)—President Eisenhower indicated today that Soviet Premier Nikita S. Khrushchev and he had substantially agreed on an early summit conference. He implied that during their Camp David meeting Khrushchev had declared there is no Soviet threat to West Berlin.

U.S. to Protect Liberty, Rights In West Berlin

Washington, Sept. 28 (AP)—The White House said today the freedom of the people of West Berlin is not going to be abandoned or Allied rights surrendered by any unilateral action.
After President Eisenhower had held a news conference, press secretary James C. Hagerty issued a statement intended to clarify for newsmen the import of some remarks by the President.
The statement said:
"In response to some press queries after the conference, the President of course did not mean that the freedom of the people of West Berlin was going to be abandoned and that Allied rights were going to be surrendered by any unilateral action."
"What he was referring to was that he could not now give in detail the ultimate solution of the Berlin question."
"Any agreement must be acceptable to the people of the area, including the most concerned—the people of West Berlin and the Federal Republic of Germany."

HURRICANE WATCHED
Miami, Fla., Sept. 28 (AP)—Hurricane Gracie, whirled menacingly toward the mainland today and the Miami weather bureau ordered a hurricane watch for coastal areas from Savannah, Ga., northward to Wilmington, N.C. Gale warnings were issued from Daytona Beach, Fla., north along the coast to Morehead City, N.C., as Gracie's outer winds moved within 75 miles off shore. The hurricane packs a 90-mile-an-hour punch around the center.

GRIMM SUCCEEDS SCHEFFING
Chicago, Sept. 28 (AP)—Bob Scheffing today resigned as manager of the Chicago Cubs and the club's president, Phil Wrigley, announced Charles Grimm would be Scheffing's successor in 1960. Wrigley said, "Scheffing is a sincere, conscientious worker and we have the same high regard for him as on the day he joined our club. We feel he is a valuable asset to our organization, therefore he has been offered and accepted a position in the baseball department."

ALGERIA REBELS FOR TALKS
Tunis, Tunisia, Sept. 28 (AP)—The Algerian rebel government in exile said today it is ready to discuss with France the political and military conditions of a cease-fire in Algeria. The rebel declaration came in answer to French President Charles de Gaulle's offer of self-determination to Algeria. The rebels said they were ready to discuss ways and means to carry out self-determination for the territory, where a rebellion has raged for five years.

720 STRIKE AT BASSICK
Bridgeport, Sept. 28 (AP)—A strike by 720 Bassick Co. workers began today after an 18-hour negotiation session between company and union spokesmen broke off at 4 a.m. in a deadlock over a new two-year contract. Casey Perella, president of Local 29 International Union of Electrical Workers, described both sides as being "far apart" on issues that have divided them in recent bargaining sessions.

Or Use Taft-Hartley Law

Ike Urged to Restart Stalled Steel Parley

Washington, Sept. 28 (AP)—President Eisenhower said today he is "getting sick and tired of the apparent impasse" in the steel strike.
He strongly indicated the government is planning some action soon to try to end the 76-day-old shutdown. But he declined to say whether the Taft-Hartley Law—with its court injunction provision for sending the steel workers back to their jobs for at least an 80-day cooling-off period—would be invoked.
Washington, Sept. 28 (AP)—Stalled negotiations in the 76-day-old steel strike presented a growing domestic problem today for President Eisenhower.
He and his advisers must decide whether to try to get the broken-off talks resumed, or to invoke the Taft-Hartley Law's emergency provisions to end the strike at least temporarily under an 80-day court injunction.
Sens. Mike Mansfield (D-Mont.) and John Sparkman (D-Ala.) called on Eisenhower to take a personal hand in getting the talks going again.
They urged a series of White House conferences with both sides, and said they opposed use of the injunctive procedure at this time. "Because of the nature and length of this dispute," Mansfield said in an interview, "the resumption of production might be accompanied by a slowdown that would mean that not very much steel would be forthcoming."

Saboteur Hits Prison Again

Wetherfield, Sept. 28 (AP)—The prisoner who has been adding unpleasant substances to food at the State Prison has struck again.
Two weeks ago, something showed up in the gravy that didn't belong there, couldn't be used. There was also soap in the coffee that day.
On Friday, it was onions in the milk intended for prisoners who had just donated blood. Yesterday the saboteur put soap in the coffee.
"We have the incidents under investigation," said Warden Mark Richmond, "but it is like looking for a needle in a haystack."

Ceylon Fears Religious War

Colombo, Ceylon, Sept. 28 (AP)—The government took new security measures today amid fears of religious strife stemming from the slaying of Prime Minister Solomon W. R. D. Bandaranaike by a Buddhist monk.
Bodyguards were assigned to all 15 cabinet ministers and sentries posted outside their homes. The usual guard at the official residences of the new prime minister, Wijayananda Dahanayake, was doubled. Soldiers and sailors augmented police patrols.
Though Ceylon is a predominantly Buddhist nation, feeling ran high against the monks. People were shocked and saddened by the assassination of Bandaranaike by a gunman clad in saffron robes. The shooting was at the prime minister's private bungalow Friday.
The monk accused of the slaying, 43-year-old Taluwa Somaraja, is being held under heavy guard. Police said they still have not been able to determine his motive.
Dahanayake made an appeal this morning for calm and tolerance. The new prime minister told a news conference:
"It is my policy to be fair to all sections of the community, to work hard to ensure peace and communal harmony and to ensure activities."

Laos Troops Push Rebel Force Back

Vientiane, Laos, Sept. 28 (AP)—Government troops have driven pro-Communist rebels across the Nam-Ma river in northern Laos, five miles from the border of Communist North Viet Nam, a pilot reported today.
This would mean the Red Path Lao forces have been pushed into a narrow strip between the river and the twisting Communist border, which has been a staging area for major rebel moves since July.
The government, often days away in getting frontline dispatches, has not officially confirmed the report.
An Australian pilot who carried military supplies to the north said that three days ago government forces, after little rebel resistance, recaptured the town of Muong Hel 30 miles north of the Communist Army's headquarters at Na-Na and only five miles from the frontier.

Rockville-Vernon Town Names Appeals Board As Result of Court Decision

A board of appeals from decisions of the Vernon building inspector has been named by the Board of Selectmen. The group will meet today at 8 p.m. at the office of Building Inspector Arthur P. Huntington on Taylor St., Rockville.

The laws had required to name an appeals board although it is required by state statute. The lack of such a board was brought to public attention in a Rockville City Court case last week when Ralph T. Gaston won a dismissal of a charge of erecting a sign without a permit. He contended that he had been denied the right of appeal on the alleged violation of the building code, because the town had no such appeals board.

The new appeals board will function in the Vernon Fire District, over which Huntington has jurisdiction.

Members and their term of office are: George MacDonald, former police; Andrew Traction, four; John Cadman, three; William E. Dowling, one; a former building inspector, two; and Herbert I. Pagani, third selectman, one year. As terms expire annually, the committee will be made for a 3-year term.

A City Building Inspector Robert P. O'Neil has subsequently checked on the status of the city board of appeals to his decision and found only two members with valid appointments. Of the original member board, two have died and the term of one has expired. Huntington said. The Board will be filled out by the City Council meeting tonight and the new members will be sworn in at the City Council meeting on Tuesday.

Man Assailed, Robbed

Vernon, September 24, of 57 Village St. was assaulted and robbed about 1:30 p.m., Rockville Police reported. He suffered a bump on his head and a cut near his eye.

The operator of an ice cream store on Village St., Kenwickia told police he was on his way to the FAC Club for change when he was attacked. He said three men started to cross Village St. with him, two got into a car and the third picked him up and threw him to the pavement. The assailant then fled with his companions in a gray car with Connecticut registration number 1-10-10-10.

The victim found that a \$5 bill was missing from his trouser pocket when he arose. The assault was witnessed by Kenwickia's grandchild, Edward Kenwickia, 14, of "Rockville," who was struck by the same assailant. Patrolman Robert Kojewski is investigating.

Swallowers Turpentine

A 2-year-old child was taken to the emergency room at Rockville City Hospital yesterday morning after she swallowed turpentine from her home.

The girl, Donna M. Gilbert, daughter of Mr. and Mrs. Russell Gilbert of 11 Michael Dr., Vernon, was rushed to the hospital by her father with a Vernon constable escort, about 11:30. She had been playing in the cellar and drank an unknown amount of turpentine from a can, someone said. She was released from the hospital after treatment.

The Collector's Meet

The Tolland County Tax Collector's Assn. held its quarterly dinner meeting Saturday at Talbotville Congregational Church.

John Lamb of the Speech Department of the University of Connecticut talked with the group on public relations. The meeting will be held at the Congregational Church at Mansfield Center in December.

MPHNA Office Moves

The office of the Rockville-Vernon Health Nursing Assn. moved today to 62 Park St.

The association had had its headquarters at the old Rockville Professional Building on Park St. most of the time since its organization in 1913.

The new location is on the first floor and affords three and one-half rooms, compared with the two rooms occupied in the Professional Building.

Dr. Thomas R. Reed of Wethersfield, professional charter consultant, will meet with the Charter and Organization Commission Wednesday at 8 p.m. at City Hall.

Dr. Reed is a nationally known charter expert. It is expected that he will offer advice to the Charter group, which is considering hiring a consultant.

Byes Open for Visits

Byes for High School will be open to parents for visiting their children Wednesday from 2:45 to 3:30 p.m.

At a later date the school will be open for parents to visit the building, meet all the teachers, check about the curriculum, and see the new equipment.

Wednesday has been designated as "Welcome Teacher Day," by a City Building Inspector Robert P. O'Neil.

Cub Pack to Meet

Cub Scout Pack 56 of Vernon will meet tonight at First Congregational Church of Vernon from 7:30 to 8:30 p.m.

Members already registered, and their parents, will meet the new members and register for the Cub year starting in October. New Cub Scouts can be accepted at this time, but a waiting list is being maintained.

A committee named by the pack will be in charge of the new members. The committee is composed of: Mrs. John O'Neill, chairman; Mrs. Barbara O'Neill, 191 Henry St.; Mrs. John O'Neill, 191 Henry St.; Mrs. John O'Neill, 191 Henry St.; Mrs. John O'Neill, 191 Henry St.

More than 30 guests attended from Vernon, Middlebury, West Hartford and Manchester. The bride's bridesmaids were Miss Mary Barry and Miss Mary Barry.

Miss Barry will wed John A. Hanley, son of Mrs. Alexander Hanley, 21 Claine Dr., Oct. 10 at 11 a.m. at St. James' Church.

Mrs. Mannello Chairman of MPHNA Drive

Mrs. Alexander F. Mannello of 114 N. Lakewood Circle is the chairman of the Manchester Public Health Nursing Assn. drive for the South Coast PTA, headed by Assistant Scout Commissioner Hans Kusan. He plans to play and honesty in and out of scouting.

Assignments to duty were as follows:

Den 1 - Mrs. Wallace Geiger, den mother; David Bangton, James Butler, Victor Ganger, Kurt Miller, William Stark, and Fred Tompkins.

Den 2 - Mrs. Joseph Malone, den mother; Douglas Hartin, David Kuhn, Richard Maloney, David Parker, John Rice, Michael Rice, and Richard Shalin.

Den 3 - Mrs. Edward Brodner, den mother; John Brodner, Michael Chomak, Michael O'Connell, Jack Romanowski, and David Turner.

Pack committee members are: Wallace Geiger, chairman; Durwood Miller, chairman; John Romanowski, treasurer; John Turner, treasurer; Mrs. Edward Brodner, achievement; Forrest Hartin, activities.

Mother welcomed the scouts and their parents, read the bylaws, and presented the program for the year.

The pack has asked parents of boys 8 to 10 years old living in the vicinity of South Coast or attending the school, to bring their boys to South Methodist Church, at 7:30 p.m. Oct. 16.

8th District Today Opens Engine Bids

Directors of the 8th District tonight will open bids for a new fire engine to replace a utility fire truck, the smallest of four vehicles currently operated by the district fire department. District directors will open the bids at a special meeting in the North Main firehouse. Deadlines for submission of the bids was noon today.

The district hopes to buy the new fire engine to replace a utility fire truck, the smallest of four vehicles currently operated by the district fire department. District directors will open the bids at a special meeting in the North Main firehouse. Deadlines for submission of the bids was noon today.

All bids contributed to this drive stays in town and serves the people of Manchester. Checks may be made payable to MPHNA and all contributions should be sent to Mrs. Arthur E. Smith, assistant treasurer, 28 Raymond Rd.

SOB IDENTIFIED

North Chanaan, Sept. 28 (AP) - Police have identified the body of a man found by the tracks of the New Haven Railroad as that of Francis D. Smith, 50, of North Chanaan. Police said the location of the body, discovered yesterday by a train engineer, indicated the victim might have been hit by a train. Packers Surprise Chicago Bears, Unitas Extends Passing Record

New York, Sept. 28 (AP)—The name of Vince Lombardi has been penciled into Green Bay Packers annals. The name of Johnny Unitas gets another line in Baltimore record books. And Bert Bell smiles.

Bell, the National Football League's major domo, again has predicted that this season, the Packers' 40th—will be the greatest in history. He does it every year. But he couldn't have known:

1. That the Packers, almost unanimously picked to finish last in the Western Division, would make Lombardi's debut as head coach a monumental success with a 3-6 upset of a highly-ranked Chicago Bear.
2. That Unitas, Baltimore's passing wizard, would tie the best-of-the-best record of 21.8 yards per throw set by the late Earl F. "Red" Blalock of the Detroit Lions and extend one of the NFL's greatest records at the same time.

While the Packers and Colts were winning their season-opener over the weekend, the Chicago Cardinals continued to expect the team to beat in the Eastern Division. The Cardinals' season-opener was a 17-17 tie with the Colts.

On certain rallies, New York's Giants pulled a mild upset by edging Los Angeles, 23-21. The Pittsburgh Steelers downed Cleveland 17-7, and San Francisco's offense overcame the Redskins, 24-21.

PACKERS 9, BEARS 6—Jim Ringo pitched a fumble on the Bears' 26 to set up the Packers' victory. With Paul Hornung and

Lack of Blocking, Defensive Weaknesses Noted, Hartford Ruins Indian Opener, 19-0

By PAT BOLDUC

For the fourth straight year Hartford Public has opened its football season with a victory over Manchester High. The most recent win in the string came with comparative ease Saturday afternoon at spacious Memorial Field. An estimated crowd of over 2,000 (210 paid) looked on as halfback Bob (Left) Johnson and John Wilson and fullback Brian Smith powered the visitors to a convincing 19-0 triumph.

Coach Ralph Worth's green blitzing offense scored the first two times they handled the ball in the opening period and then added a safety late in the second quarter. The game was over at the final meeting of the two rivals. With Weatherfield slated to enter the C.T.U. next fall, Hartford, in all probability, will be dropped since school officials do not allow the Indians to play a 10-game schedule.

Line Play the Major Difference As Yale Tops UConn Easily, 20-0

By EARL YOST

You can't beat tradition. Highly touted and heavily favored Connecticut, aiming for big time recognition in Eastern college football ranks, fell flat on its face against Yale last Saturday in the 11th renewal of the annual series which began in 1904. The footballs were practically run the fine Husky team to a 20-0 victory.

Yale's offense was the key to the victory. The Bulldogs' defense was unable to stop the Husky offense from scoring on every drive. The game was over in the first half.

Dodgers Favored in Playoffs, Series Delayed; Games on TV

Milwaukee, Sept. 28 (AP)—The Milwaukee Braves and Los Angeles Dodgers clash today at County Stadium in the opener of their best-of-three playoff series for the National League pennant.

Closing day victories by both the Braves and Dodgers left them tied for first place after the regular 154-game schedule. They will shift to Los Angeles for a second game Tuesday and a third Wednesday. If necessary, the teams will take 30-day travel for the night and more of the same was forecast for today.

The third playoff in National League history has moved back to the World Series on Thursday or Friday. If the weather sours, it could be postponed further.

Game time in Milwaukee is 3:30 p.m. (EST). All games will be carried on network ABC television.

Lost Previous Playoffs

Although the Dodgers, the Brooklyn-based team, were the 1955 National League pennant winner, they were defeated in the World Series by the New York Yankees. The Dodgers were also defeated in the 1957 and 1958 World Series by the Yankees.
