400 Negroes Arrested Showdown Due In South Africa

Johannesburg, South Africa, April 18 (AP)—Police and troops, backed by eight armored cars, arrested 400 Negroes in a raid on the African township of Duncan outside East London today.

The big sweep came as strong police patrols maintained an uneasy quiet in other major South African cities on the first day of a week-long work boycott called by Negro leaders opposing South Africa's white supremacy laws. This was a Monday Easter holiday for most workers, however, and the real showdown comes tomorrow.

Police and troops threw a cordon around the East London settlement, then moved in.

The East London District police commandant, Maj. P. M. Landman, said the arrested Negroes were "all part of a total (young gangster) element in this native settlement."

These elements have been accused of beating and intimidating Negroes who want to work.

Landman claimed there were no violent incidents.

Only one serious clash was reported. Near Port Elizabeth, a Negro police sergeant was attacked and badly injured by two Negroes as he went to work. Another Negro policeman managed to escape. Later six Negroes were arrested and charged with assault.

Police reported all quiet in Johannesburg and African townships surrounding this metropolis up to noon. Most streets were closed and the sunny streets were largely deserted.

De Gaulle Flies To New World

Paris, April 18 (AP)—President Charles de Gaulle flew off to the New World today on a 14,000 mile trip to Canada, the United States and French possessions in the West Indies.

The first stop for De Gaulle's special 707 jetliner is Ottawa, where he will spend the night. He is expected to arrive in EST for the beginning of a 4-day Canadian visit. The 17-day trip, the longest foreign tour since he took power two years ago, will include stops at Quebec, Montreal, Toronto, Washington, New York, San Francisco and New Orleans.

It was a bright spring day and the weatherman predicted equally bright prospects for the trip.

Kennedy Aides Deny Playing Up Bigotry

By THE ASSOCIATED PRESS
Sen. John F. Kennedy (D-Mass.) had West Virginia campaigning all to himself today as attention focused on the religious and "grang" up issues.

Meanwhile, reports indicated that his rival, Sen. Hubert H. Humphrey (D-Minn.), was making headway in the campaign for the state's presidential primary May 10.

And another Democratic presidential candidate, Sen. Lyndon B. Johnson of Texas, received encouraging reports. Despite signs of a falling-out over the civil rights bill recently, many of the South's delegates apparently have decided to stick with him at the Democratic national convention in July.

On the Republican side, associates of Vice President Richard M. Nixon said he had made a realistic appraisal of Gov. Nelson A. Rockefeller's chances for the Republican presidential nomination.

The Vice President, they said, was not discounting the possibility that the New York governor might upset Nixon's plans to win the nomination at the Republican convention.

But harrasing some unforeseen development, Nixon remains confident that Rockefeller cannot defeat him. The Vice President has the backing of President Eisenhower.

In the West Virginia primary, Sen. Mike Mansfield (D-Mont.) urged other Democratic candidates not to gang up on Kennedy. Mansfield is considered a supporter of Johnson, who has not entered any primaries.

Another Johnson supporter, Sen. Robert C. Byrd (D-W.Va.), recently suggested that followers of Johnson and Sen. Stuart Symington (D-Mo) vote for Humphrey in an attempt to stop Kennedy.

But, in a Washington interview today, Mansfield said he does not favor the idea of all the other Democratic candidates ganging up on Kennedy.

"This kind of procedure is highly reprehensible and very unfair," he said.

On the eve of Kennedy's 3-day tour of West Virginia, Humphrey and his supporters accused the Kennedy forces of crying "bigotry" in an effort to play down the election and create sympathy for the Massachusetts Senator.

Kennedy is a Roman Catholic.

Did You Forget?

Washington, April 18 (AP)—Today marks the end of a 3-day period granted the 60 million Americans who file income tax returns. All returns must be filed by midnight tonight.

The regular deadline is April 15 but was extended this year because it coincided with Good Friday, a legal holiday in 18 states.

Incidentally, the deadline also will be postponed again in 1961 and 1962. April 15 will fall on a weekend in both years, so the deadline will be extended to April 17, 1961, and April 16, 1962.

Special Emphasis at Easter Pope Reveals Sorrow On Racial Intolerance

By FRANK BRUTTO
Vatican City, April 18 (AP)—Pope John XXIII expressed sorrow in his Easter message yesterday for those suffering because of race or denial of their civil rights.

Addressing some 150,000 persons standing in the rain in the great square before St. Peter's basilica, the 78-year-old Pontiff called men to the peace of the risen Christ in a world plagued by racial intolerance.

In an obvious reference to the Negro race problem, he said:

"And our sorrowing gaze turns also to the other children of God everywhere, suffering because of race or economic conditions, at once complex and giving reason for anxiety or through the limitation on the exercise of their natural and civil rights."

The ruler of the Roman Catholic Church put special emphasis on racial tolerance during Holy Week. On Holy Thursday he performed the traditional ceremony of washing the feet of 13 persons, enjoining Christ at the last supper. But for the first time those chosen included Negroes, a Japanese, West Indians and a Polynesian.

Before giving his Easter message, the Pontiff sent special greetings to Laurian Cardinal Buzagamba of Tanganyika, first Negro to be elevated to primate in the church. The prelate has been ill in a Rome hospital since he received his red hat last month.

State News Roundup

Hartford, April 18 (AP)—State and federal mediators meet today with carpenters and contractors in an attempt to put a quick stop to a strike that began at midnight.

State Mediator Norbert Dion and federal mediator Frank Ballou were to meet with the carpenters and then with the contractors. They said they would try for a joint session after that.

A mass meeting of the striking carpenters was scheduled for 11 a.m. here to consider the results of the mediation session.

Members of Carpenters and Joiners Local 42 voted Thursday to strike after rejecting the last offer of contractors for a 2-year contract providing 10 cents an hour the first year, and 15 cents the second.

Carpenters now get \$3.45 an hour. In addition, contractors pay 15 cents an hour in a pension fund and seven cents an hour for welfare coverage.

Most carpenters work about 2,000 hours a year, while others generally work between 1,400 and 1,600.

Union spokesmen said pickets would not be placed around struck construction projects pending the outcome of the mediation effort.

The possibility of a prolonged strike did not pose a threat to home construction. This type of building is mostly handled under "open shop" arrangements. However, such an outcome could affect commercial, industrial and institutional construction.

Out of Season

Hartford, April 18 (AP)—State Comptroller Raymond S. Thatcher of East Hampton today dismissed as "totally out of season" reports that he is considering making a bid for the Democratic gubernatorial nomination in 1962.

However, from other quarters in the party there has been increasing talk that the veteran state comptroller is being urged to make an early try for the nomination if Governor Ribicoff does not seek a third term.

A native of Thompson, the 57-year-old comptroller has been active in Democratic politics for more than 20 years. He started his career in the early 1940's, serving two terms in the House of Representatives where he was on the important finance and appropriations committees.

Thatcher, an East Hampton druggist, has an extensive background in the field of state government.

He was a member of the Public Utilities Commission, a state auditor and has held the post of deputy comptroller or comptroller for more than 14 years.

Although the next gubernatorial election is more than two years away, there is speculation in Washington that he might be a contender for the post of deputy or comptroller for more than 14 years.

The dark-haired baby was found at 7:10 a.m. It was not known how long he had been in the field. Persons at the scene said he was not there three hours earlier when police and the father searched the area.

"I know the baby wasn't in the field all night," the father said. "I just can't understand it at all."

An unidentified man stole the chubby, brown-eyed baby from his crib shortly after midnight after knocking at the door of the MacKenzie home and pushing aside a baby sister.

The kidnaper fled without saying a word. Little Russell was still sleeping as the man carried him out and sped away in a car.

Russell is the son of Frank MacKenzie, an employee of the Canadian Overseas Telecommunications. The mother and father were attending a late movie in nearby North Sydney at the time.

The baby and his 3-year-old brother, Frank, were being tended last night by their 20-year-old aunt, Christina MacKenzie.

Christina gave this account of the kidnapping:

"At 12:15 a knock came on the door. I opened up and a man asked me if there was anyone at home. I told him no. He asked if there were any children in the house. At that point, 3-year-old Frankie came running from the bedroom. The man brushed him aside and went to the bedroom where he

Court Supports Union Walkout To Keep Jobs

Washington, April 18 (AP)—The Supreme Court today ruled that a railroad union may not be enjoined from striking over demands for a voice in company plans to eliminate certain jobs.

Justice Black delivered the 5-4 decision which reversed lower courts' Justice Whitaker, Clark, Frankfurter, and Stewart dissented. Both Whitaker and Clark wrote dissenting opinions.

The decision is an important interpretation of the Norris-LaGuardia Act. Its practical application is limited, however, because many union contracts have specific clauses dealing with job eliminations.

The decision was given in a dispute between the Order of Railroad Telegraphers and the Chicago and Northwestern Railway Co.

The union sought amendment of its working agreement with the company, to provide that no job in existence Dec. 3, 1957, would be abolished except by agreement between the railway and the union. The railway contended this was not a bargainable matter. A strike called for Aug. 21, 1958, was issued.

Federal courts in Chicago enjoined the strike and the union appealed to the High Tribunal. The appeal contended the union's demand was a labor dispute within the meaning of the Norris-LaGuardia Act and thus the strike could not be enjoined. The union also asked the dispute related to wages, rules and working conditions and was within mandatory bargaining provisions of the Railway Labor Act.

Justice Black majority opinion said such an injunction was prohibited by the Norris-LaGuardia Act and that in so deciding he took "due account of the railroad's argument that the operation of unnecessary stations, services and lines was wasteful and thus ran counter to congressional policy."

In passing legislation like the Railway Labor Act and Norris-LaGuardia Acts, Black said, Congress acted on the assumption that collective bargaining by employees would foster efficient railroad management.

"It passed such acts with knowledge that collective bargaining might sometimes increase the expense of railroad operation because of the expense of bargaining under less favorable working conditions," Black said. "It goes without saying, therefore, that added railroad ex-

70,000 in Rally Urging Britain Ban the Bomb

London, April 18 (AP)—About 70,000 demonstrators packed Trafalgar Square in the heart of London today in a tremendous climax to a 4-day "Ban the Bomb" march through the English countryside.

A kilted drummer led a straggling 6-mile column of marchers into the square already jammed by a crowd of up to 30,000.

The army of marchers was estimated at 40,000. It was the biggest demonstration in British history since the 1954 march on the 54-mile march from Aldermaston Atomic Weapons Research Center.

"They just can't write us off as a bunch of cranks any more," said Canon J. Collins of St. Paul's Cathedral. "We're ordinary people and we just want to live in peace with other people."

Wearing a khaki knapsack over his black clerical gown, Collins led the march most of the way.

The march was organized by the campaign for nuclear disarmament headed by philosopher Bertrand Russell.

In the line of march were students, school children, and many who were weary.

They heard speakers demand that Britain renounce the H-bomb. The speakers ranged from religious, cultural, political and labor union leaders to students and ordinary people who took part in the 54-mile march from Aldermaston Atomic Weapons Research Center.

Riots Resume In ROK Cities

Seoul, April 18 (AP)—Rioting erupted in Seoul's streets tonight after student staged antigovernment demonstrations clashed with young toughs and police. Scores of students were clubbed.

Antigovernment demonstrations by schoolboys and other citizens with police in Pusan, southeast port and South Korea's second largest city, and Chongju.

The demonstrations, spreading to other cities from the southern port of Massan, are now in their second week. They pose a growing problem for President Syngman Rhee's government, accused by its students of rigging the March 15 presidential elections.

Castro Charges U.S. Linked to Rebel Plot

Naval Base Blamed for New Revolt

Havana, April 18 (AP)—Prime Minister Fidel Castro today charged U.S. authorities at Guantanamo Naval Base were connected with counter-revolutionary plotters in eastern Cuba.

Castro said eastern Cuban plotters are trying to make a revolutionary leader out of Manuel Beaton, a former captain in Castro's army who heads a rebel band in the Sierra Maestra.

Castro made the charge in an interview aboard a plane bringing him to Havana from eastern Cuba, where the prime minister last week directed a search for Beaton and his band.

Castro called Beaton "a vulgar delinquent." Beaton escaped from prison in Havana, where he was held on a charge of killing one of Castro's army officers. Beaton said the charge was a frameup.

"American authorities at the naval base," Castro said, "know of these (counter-revolutionary) activities and are connected with them."

The prime minister named no officer or groups of officers at the big base the United States leases from Cuba in Oriente Province.

But Castro insisted U.S. military planes had been flying over the mountainous region where Beaton has taken refuge with a small group of followers.

Nevertheless, Castro declared that "problems between the United States and Cuba still can be solved," adding he personally is willing to talk with anyone in the interest of promoting understanding between the two countries.

However, he hedged slightly from remarks made yesterday that relations could be improved if he had a private meeting with President Eisenhower or Secretary of State Christian A. Herter.

Fire Razes Catholic School

Kidnaped Baby Boy Found Safe, Unhurt

Sydney Mines, N. S., April 18 (AP)—An 18-month-old boy, snatched from his crib just after midnight today by a burly young man, was found safe and unharmed in a field behind the family home seven hours later.

Police said they had picked up a suspect but gave no details immediately.

The kidnaper fled without saying a word. Little Russell was still sleeping as the man carried him out and sped away in a car.

Russell is the son of Frank MacKenzie, an employee of the Canadian Overseas Telecommunications. The mother and father were attending a late movie in nearby North Sydney at the time.

2 Sailors Die As Plane Hits Groton River

Groton, April 18 (AP)—Two Navy men were killed and a third was injured early today when a private plane crashed into the Poquonock River off Trumbull Field.

The dead men were identified by the U.S. Navy as Dan H. Drake, 23, of 14922 Chelsea Ave., Detroit, Mich., owner and pilot of the plane, and Virgil L. Ortiz, 28, of 303 Cutler, N.W., Albuquerque, N.M. Drake was a fire control technician, third class. Ortiz, a seaman, was a student at the submarine school.

The injured man was identified by the Navy as Frederico O. Cortinas, 19, a stewardman, of 1602 East 3rd St., Austin, Tex. He was taken to the Lawrence Memorial Hospital at nearby New London where he was reported in good condition. His injuries were listed as a fractured left hip and lacerations.

Groton Police said Drake, who is attached to the U.S. submarine school, was a student pilot with more than 100 hours of flight training.

Police said Drake took off from the airport with his two passengers at 2:30 a.m. He made a practice run over the Submarine Base and then returned to the airport where he made a perfect landing.

He took off again and repeated the flight to the Submarine Base, turning again for a return to the airport and heading for runway

Canada and the Soviet Union sign new 3-year trade pact under which the Russians will spend two billion dollars in Canada for every Canadian dollar spent in Russia. The coming New York World's Fair may run two years instead of the one year first planned.

Deaths has been threatened for the son of Federal Judge Irving R. Kaufman of New York, who sentenced 20 Alsatian delegates last January. Soldiers and guards shoot and kill political candidate attempting daring daylight escape from Havana, Cuba's Principe Prison. Democratic Party officials open 3-day meeting during which they expect to name chairman for two key committees at their July presidential convention.

Valdosta, Ga., April 18 (AP)—An irate father agreed today that his 14-year-old son, paddled at school twice in one day, "is full of the devil."

School bus driver G. E. Cornelius also admitted at a hearing that he told the principal to punish his eighth grade son, Earl.

"But," he exclaimed, "I didn't tell him to horsewhip him."

Controversy developed over whether A. B. Martin, principal at Hahira High, and Mrs. Dwight Maples, a teacher, dealt too severely with Earl for breaking the school's rules.

One witness, Dr. Raymond Smith, said at the hearing before the county school board that he thought they did. But he declared, the whole thing ought to have been settled peacefully without taking out assault and battery warrants against Martin and Mrs. Maples.

"A public hearing before all of these peoples and newspaper reporters is ridiculous," he said.

Cornelius testified his son came home and told him Mrs. Maples had "beat him 30 times with a board." He called the doctor to examine Earl.

STRIKE AVERTED

Hartford, April 18 (AP)—State and federal mediators announced early this afternoon that an agreement had been reached in connection with the contract dispute between Greater Hartford Union Carpenters and contractors whereby union members would return to their jobs Tuesday. A formal announcement, issued by State Mediator Norbert Dion and Federal Mediator Frank Ballou, after a 5 1/2-hour session at the State Labor Department, said that the negotiations for a new contract will continue for at least two more weeks. The carpenters, who had rejected two previous contractor offers, had started a formal strike this morning.

CHESSMAN FILES PLEA

Washington, April 18 (AP)—Carol Chessman, co-defendant in the assassination of President John F. Kennedy, today appealed to the Supreme Court once more to stay his execution and review his case. His attorney contended Chessman had been coerced from the gas chamber to avert demonstrations against President Eisenhower in South America and to send him to death now because he was a Jew.

Chessman is scheduled to die in the State penitentiary May 3—the ninth date set for his execution.

Giants Receive First Dividend On Deal as Batters Deliver

New York, April 18 (AP)—The San Francisco Giants received their first dividend on the deal that sent outfielder Jackie Brant to Baltimore for pitchers Billy O'Dell and Billy Loos as paid its first dividend of the 1960 National League season.

Loos, the unpredictable was the Magnificent yesterday. The 30-year-old relief ace not only hurled three hitless and runs inning but struck in the bottom of the 14th when the run that gave the Giants a 4-3 triumph over the Boston Red Sox.

Third baseman Jimmy Davenport, whose late season injury was a big factor in the Giants' 1959 collapse, drove in Loos with a single off relief pitcher Jim Johnson.

The victory angled the Giants to remain in a first place necktie with the Los Angeles Dodgers.

defending champions defeated the St. Louis Cardinals, 7-6, for their third consecutive victory and the fifth for the winners Cards.

Milwaukee remained a half game behind the leaders, winning the Philadelphia Phillies, 8-4, for their third success in four starts.

Pittsburgh jumped into fourth place by sweeping a doubleheader from Cincinnati. The Pirates won the opener 5-0 behind the four-hit pitching of Bob Friend, who pitched the run that gave the Giants a 4-3 triumph over the Boston Red Sox, 6-5, in the nightcap.

GIANTS 4, CURS 3 — Loos was the fourth Giant pitcher, following Mike McCormick, Bill Miller and Jack Sanford. He took over in the 12th, getting six straight batters, and then pitched himself out of trouble by retiring pinch hitter Sammy Taylor with two runners on base in the top of the 14th.

The New York batters on hand in the last three innings.

The Cards out of the Dodger 10-7, but a wild pitch and second baseman Alex Grammas' error prevented the winners from taking St. Paul's lead.

St. Paul's lead was held by the Redbirds.

BRAYS & PHILL — Eddie Mathews drove in three runs with a home run, triple and double in the sixth and seventh innings. He also hit a home run in the sixth and seventh.

PHILADELPHIA — Richie Rich hit a home run in the 13th inning to give the Phillies a 2-1 victory over the Redbirds.

When Pittsburgh's manager, Danny Meyer, was asked to comment on the deal that sent Jackie Brant to Baltimore for Billy O'Dell and Billy Loos, he said: "I'm glad to see the deal work out. Jackie is a good player and we'll miss him, but we're glad to see the deal work out."

When asked about the deal, Meyer said: "I'm glad to see the deal work out. Jackie is a good player and we'll miss him, but we're glad to see the deal work out."

Sunday

"Break up the Yankees!" That was the cry from the editorial on business and we discussed baseball and Florida weather. The young general director's father, Mark, having seen his usual winter training in Florida, was up on the company of my family at Miami once again on the Palm Sunday. This away from home, I found cheer in Sarasota and St. Petersburg, the two previous Sundays too small to handle the number of vacationers at Miami.

When returning the first-batter, Harry gave up singles to Jimmy Burrows, Bill Vinton and Bill Mearns for one run. Hal Smith, a pinch hitter, then slammed a three-run homer. Ted Wendt replaced Harry and gave the second-out. Dick Groat followed with a single and Bob Skinner won it with a two-run homer.

Friend was masterful in picking off ball then work was happy to try out his pitching arm and guaranteed that he would strike him with it. He would strike me, I had to accept the challenge. Having picked up valuable hitting points from Stan Musial and Mickey Mantle while Don Demeter couldn't accomplish the task of getting three batters out, I had to get a few more.

I had a family appointment on the calendar for being home all day.

Monday

Thanks to Bill and Ed Glenn, the W. G. Glendon Co. an attractive and informative sports calendar was left at the door. Home baseball schedules of the Red Sox, Yankees and as well as the Yankees' schedule for the week are included on the calendar. A must for any sports fan.

At the Cleveland Indians, home given up the league's co-homer run king, Rocky Colavito, hoping, a corner home, Kuenen's stellar hitting act.

A stellar trade in years came on the eve of the American League's 1960 season.

Many baseball fans were surprised when the Cleveland Indians traded their star pitcher, Bob Feller, to the Boston Red Sox.

General Manager Frank Lane of the Indians to give up the star pitcher in a straight player deal for Kuenen.

Colavito pitched 43 homers last year and almost did better in Detroit's 81 games. He had 10 home runs in the field while his first year home. He has a .257 batting average compared to Kuenen's .211.

The trade did not surprise Kuenen, who was told about it by Manager Jimmie Dykes of Cleveland.

Despite Christopher's full speed ahead, Catcher Ed Bailey threw ball to Eddie Kasko, the third baseman, who tagged the Pirate. Rumors to Contrary, A. L. Plans Baseball

New York, April 18 (AP)—Data with doctors, courts and Marine Corps prevented him from playing baseball this year. As a matter of fact, Cronin's circuit is all set to get going today with its traditional opening ceremony in Washington. Eisenhower interrupted his Georgetown vacation to fly up to Washington to throw out the first ball for the game between the Senators and Boston Red Sox.

On Tuesday, exactly seven days after the National League raised the 1960 curtain, all teams will open their full-season drive. Cronin, currently held by the Chicago White Sox, according to most of the experts and the betting center in Las Vegas, this figure to be a waste of effort by all but the White Sox, New York Yankees and Cleveland Indians.

Washington Opener

Although probably aware that the Senators and Red Sox have been picked to finish eighth and seventh, respectively, some 28,000 hopefuls were expected at Griffith Stadium to see the winner take over undisturbed possession of first place.

Charles Pascual, who turned in an incredible pitching feat last year by winning 17 games for the Senators, has been selected by Manager Chuck Levengood to lead the Senators against the Red Sox. Choice of the Red Sox is pitcher Jim Coakley, who did his pitching work in New York and Kansas City last year.

Williams, a stranger to opening day festivities, not only pitched last year's inaugural ball but participated in only two since 1952.

hit only nine homers.

"The home run is overrated," said Lane in explaining why he gave up one of the league's top hitters for one of its more consistent hitters. "Look at the Washington club last year. They almost led the league in home runs and still finished last."

"I hated to let Rocky go, but I think you're right in winning the pennant are created with a steady hit like Rocky. He was a real home run hitter. Lane had rejected the same deal a junior is the best pitcher ever played with Central. It was a long, cold afternoon and I stayed close to home, viewing a home run in the outfield. I took during my Florida trip that arrived today. He was in a white shirt and dark pants, a hundred boys and beauty parade shows on one of my girls.

Ready for Final Pitch

Washington, April 18 (AP)—Major league baseball careers began for some but ended for one today as the Boston Red Sox and Washington Senators met to open the American League season at Griffith Stadium.

Tom Sturdivant, who landed in Boston last winter after a stretch with New York and Kansas City, was Manager Billy Jurge's choice to pitch for the Red Sox. Coakley, a veteran of Washington named who pitched for the Senators for a good start.

Pascual was scheduled to take the mound at 1:30 p.m. EST after another right-hander delivered the first pitch in the capital.

President Eisenhower interrupted his golfing vacation at Augusta, Ga., to fly here for the opening ceremony of the season, which was originated with William Howard Taft 50 years ago. With his term running out, this was Eisenhower's last time to throw out the first ball of a big league hurler.

The chief executive has missed only one opening since taking office.
