Manchester High School (MHS) as tuition students, Balley said that MHS no doubt will soon become a senior high school, Grades 10-12.
Provisions for these pupils will then have to be made either at a junior high in Manchester or elsewhere. He pointed out that this was not advisable because of the djustment problems for the

In the present system at the elementary school, Bailey states he found the program of Grades 7 and 8 unsatisfactory and not comparable to other towns. This is especially so in the fields of maul arts, home economics, art, and Following the report Bailey

In answer to a question on putting the school program on double sessions to get more use out of the buildings. Bailey said it has proved impractical and should not be used below the high school level. In Manchester when the program was on double sessions for four years he said the failure rate increased from 50 to 100 per cent. He pointed out that it took four more years for the failure students had acquired such lax study habits.
On the question of combination grades, Bailey felt they were unsatisfactory because neither group receives the full attention of the teacher and there is a point of diminishing returns. The program of the Bolton Elementary School

has combination rooms. Other Business During the business portion the PTA meeting it was voted to give the \$100 remaining from the 1959-60 budget to the school library to purchase library materials as suggested by the Bolton Education Assn.

Tryouts Slated In Rural Area

Boys in rural Vernon from 8 through 18 years old will gather at the Vernon Elementary School symmasium Nov. 12 at 9 a.m. to enroll in the fourth annual Vernon Community Basketball program.

Frogram director Robert Tucker of Talcottville predicts the largest turnout in the history of the program due to the influx of new families into the rural area and the number of boys who will not be able to play in the Rockville midget league this year.

Last years' sponsors have indi-

midget league this year.

Last years' sponsors have indicated they will support teams in the program again this year, Tucker said. The sponsors are Aldon Spinning Mills, Vernon Square Dance Club, Zahner's Men's Shop, Pagani Bros. Construction Co., Bury's Shopping Center and Vittner's Garden Center. Basketball uniforms, bought last year, will be used this year, Tucker said.

According to Tucker, the league personnel "donate all their services for the good of the boys." Funds

Sait Lake City, Nov. 10 (P) —
About nine out of every 10 voters in Utah cast their ballots in a record turnout Tuesday.

The total unofficial tally was 371,805 (Vice President Richard M. Nixon got 203,789; Sen. John F. Kennady 168 016) Kennedy 168,016). In 1956 the total was 334,294. That was a record until this year. Registered voters numbered 379,998 in 1956. So the turnout then was 88 per cent.
This year the estimated registration was 400,000. Exact figures are not determined until some time atfer the election.
So this year's turnout was about
98 per cent.

To keep in the public eye, Rocke-feller would have to win re-election in 1962. A victory seemingly would be much more difficult than it was two years ago.

But Rockefeller has shown abil ity to cut across party lines and win support from Democrats and Independents. In addition, New York Democrats do not now appear to have a potential candidate to match Rockefeller's crowd ap-

peal and grass-roots campaign chniques.

The Governor obviously would have to overcome a reservior of ill will he created among Repub-licans with his prolonged criti-cisms of Nixon last spring and early summer.

While the Governor campaigned intensively for Nixon after the

GOP convention, some Republican leaders are sure to feel that Rockefeller's earlier activites cost Nixon votes. But memories of political lead tion comes down to victory or de-feat. Republican leaders would forgive Rockefeller a good deal if they thought he could help them recapture the White House, Many

Parking Hike Opposed By Several Citizens

Hiking the Manchester parking fee was opposed by several townspeople last night, but the Chamber of Commerce backed the ides provided more free parking is established off Main St. first.

A number of opinions were expressed at the hearing General Mannger Richard Martin called on Police Chief James Reardon's proposal to convert the town's 233 meters from penny to nickle use.

About a dozen townspeople appeared, some opposing the hike and some opposing meters generally.

The position of the Chamber's traffic and parking committee, stated by Bruce Watkins, was that the fee could be raised after the town Parking Authority carries out present plans to provide free parking on land between Oak and Maple Sts. and on Birch St. that it has recently bought.

Now, Martin said today Reardon will review it (his proposal) and decide what he thinks he wants to do." As town traffic authority, Reardon is empowered to make the hike.

Another step would be an apposition to meters at all came last night such a pace to provide free parking be provided first by the Town Parking authority, which has plans in the works now.

Opposition to meters at all came last night from Burton Pagel own.

Reardon is empowered to make the hike.

Another step would be an appropriation by Town Directors Nov. 15 of \$7,200 to recondition the meters to stop many complaints about malfunctions, particularly in rainy weather and in the winter, Reardon said.

No Cost for Conversion

Martin said the conversion could be accomplished without cost as part of the reconditioning — the rands.

be accomplished without cost as part of the reconditioning — the second reconditioning — the meters since they were installed in 1947 and 1948.

Townspeople including Dr. A. B. Moran, Mrs. Ruth Howes, and spokesman for some Main St. stores said at the hearing in the Municipal Building that eliminating penny, meters meant people would have to buy an hour's time for a nickle rather than 12 minutes for a penny, even if they had to park for only a short time to make quick purchases, or run a quick errand.

Moran said seven stops he made recently for 14 cents would cost him 35 cents under the proposal and "I can't afford it."

Mrs. Howes asid, "Taxpayers have a difficult time near."

Taxpayers was a long to the reads of the meters.

A spokesman for Mari-Mad's, 691 Main St., also objected to meters in themselves, saying the store is losing money every day and its East Hartford customers. "You're driving business away," the spokesman told Martin.

At the present time, the parking program couldn't be exentual removal of the meters.

Chicago Hawks

New York, Nov. 10 (P) - There's just no place like home as far as the high-flying Chicago Black Hawks are concerned. The Hawks moved into first place in the National Hockey cague last night with a 2-0 vic-ory over the Toronto Maple Leafs. The Detroit Red Wings scored hree times in the last period to edge the New York Rangers 4-3 in the only other game played.

The hustling Hawks remained unbeaten on Chicago ice this season as goalie Glenn Hall fashloned his second shutbut. In seven games at home, Chicago has won five times and tied two.
