

China Reds to Free Ailing American in Jail for Espionage

London, April 3 (AP)—Robert E. McCann, an American citizen jailed for 15 years by the Communist Chinese on charges of espionage, is being freed and will leave China Wednesday, Peiping Radio announced today.

Peiping said Communist authorities decided to free the ailing McCann after his wife, who visited him in jail, appealed for his release. McCann is said to be dying of lung cancer.

The release of McCann leaves four other Americans, all convicted of espionage, still in Red Chinese prisons.

John T. Downey, New Britain, Conn., U. S. Army civilian employee, sentenced to life in prison Nov. 23, 1954.

Richard E. Fecteau, Lynn, Mass., U. S. Army civilian employee, sentenced to 20 years Nov. 23, 1954.

Bishop James R. Walsh, Cumberland, Md., Roman Catholic missionary, sentenced March 18, 1960, to 20 years.

Hugh F. Redmond Jr., Yonkers, N. Y., American businessman, sentenced to life in September of 1954.

Peiping said McCann's pardon was granted for humanitarian reasons. It said McCann, accompanied by his wife, will leave from Tientsin for the United States.

Peiping said Mrs. McCann, who arrived in Communist China last week to be with her ailing husband, had repeatedly asked for his release.

McCann, 60, was born in Chefoo, China, of missionary parents. Mrs. McCann rushed to China when informed by the Red Cross that her husband was dying. She was granted a 3-week visit.

Some years ago she did not choose to visit him when next of kin of other American prisoners were invited by the Peiping regime.

State News Roundup

Seven from State Die in Accidents

By THE ASSOCIATED PRESS Seven Connecticut residents and a former Hartford man were killed in Easter weekend accidents.

Six of the deaths resulted from traffic mishaps, one occurring in Richmond, R.I., and another in Orlando, Fla.

The two other victims, Mr. and Mrs. Lawrence Bocchiere Sr., of Stratford, died in a fire. Bocchiere rushed into their burning home in an attempt to save his wife Saturday night when he and his son returned from a movie.

Other victims were: Russell W. Jackson, 49, of 36 Pearl Ct., New Britain, killed Sunday in a 2-car head-on collision on Route 8 in Waterbury near the Thomaston town line. Two occupants of the other car, Mr. and Mrs. Joseph Roselle, both 44, Torrington, were hospitalized for fractures.

Alexander Smith, 73, Greenwich, and his wife, Margaret, 79, killed Saturday night when their car was shot out of control after pulling away from a traffic light and hit a tree in Greenwich.

Mrs. Mariana Verito, 75, of 27 Schibi St., Torrington, died several hours after she was struck by an auto while crossing a road in Torrington Saturday.

Chester G. Jones, 23, North Stonington, died after his car ran off Nousebeck Hill Road in Richmond and smashed into a boulder Saturday night.

The former Hartford resident, Theodore R. Chilcoat, was one of three persons killed in Orlando, Fla., Sunday, when their car slammed into a bridge approach on the Florida Toll Turnpike.

52 to 55 Hartford, April 3 (AP)—The State Motor Vehicle Department's daily record of automobile accidents at the close of last night and the totals on the same date last year:

Table with 2 columns: Year, Killed, Injured. 1960: 9,403 Killed, 9,855 Injured. 1961: 52 Killed, 5,202 Injured.

Jobless Pay Ready Hartford, April 3 (AP)—Governor Dempsey announced today that the state has signed a contract with the federal government which qualifies workers in the state for temporary extended unemployment compensation benefits.

The extended federal benefits, recently approved by Congress, are similar to the benefits Connecticut has been paying since February when unemployment in the state exceeds six per cent for the eighth consecutive week.

With the federal benefits now available, Governor Dempsey directed Labor Commissioner Renato E. Ricciuti to explore the advisability of drafting legislation which would suspend the state benefits while the federal benefits are available.

Ricciuti said today that jobless workers in the state would receive substantially the same benefits under the federal program as they have been receiving from the state. He noted that 15,000 workers already have collected added benefits under the state act.

Norwich Votes Today Norwich, April 3 (AP)—Voters go to the polls today to decide the fate of Norwich's council-manager form of government.

Both parties have urged its replacement by a strong mayor and a 12-member council. An estimated 40 to 50 per cent of Norwich's 20,000 voters are expected to take part in the charter vote.

By coincidence, landing gear trouble plagued a Trans-Canada Air Lines plane at almost the same time at Montreal International Airport.

In that case, the 4-engine Vickers Vanguard from Tampa belly-landed at Montreal after the landing gear collapsed on the runway.

There were no reports of injuries in either incident.

The Electra apparently stripped the tread from its left nose wheel on takeoff from LaGuardia. Capt. Arthur A. Hinkley, Hampton, N.H., pilot, radioed that he felt the tire had blown. Pieces of tire were found on the runway.

Priest Shoots, Kills Burglar Denver, April 3 (AP)—Richard E. Sanders, 28, convicted burglar and narcotics violator, was shot to death last night by a priest, armed with two guns, who surprised Sanders and a companion burglarizing a Roman Catholic Church rectory.

Detective Capt. Roy Tangey said the Rt. Rev. Msgr. Delisle A. Lemieux, 59, may also have wounded the second burglar who ran from the St. Catherine's Church rectory after Sanders was shot in the stomach. He died a short time later on an operating table at Denver General Hospital.

Tangey gave this report: The priest, alone in the rectory, heard a noise in the dining room. He armed himself with a 12-gauge shotgun and went to the dining room.

There were many men who gave their lives—thousands of Americans who were much greater heroes. But Birch operated on the fact that he knew the Chinese language and had lived in China.

40,000 Attend London Appeal For Bomb Ban

London, April 3 (AP)—About 40,000 ban-the-bomb demonstrators assembled in a drizzle in the heart of London today for a mass rally climaxed by a 4-day march protesting nuclear weapons.

"We stand for sanity in a mad world," Earl Bertrand Russell, 88, philosopher and dean of the nuclear disarmament movement, told the cheering crowd. "The possibility of complete disaster remains deadly and immediate. Nuclear war in the future is probable unless East and Western governments change their policies."

He spoke from in front of Nelson's monument in Trafalgar Square after two columns of demonstrators had lined up in soggy water treks through the English countryside.

Hundreds of police mingled with the banner-waving and singing demonstrators packed the square. Representatives from 30 foreign countries, who had marched under the banners of their home lands, received a rousing cheer from the crowd packed around the monument.

Organizers had hoped for a turnout exceeding the 70,000 who jammed the square last year at the close of the annual Easter march from the gates of Britain's nuclear weapons arsenal at Aldermaston, 34 miles southwest of London. But bad weather kept many away.

Marchers from Aldermaston and from a U. S. Air Base at Wethersfield converged at the square. A roar of applause went up as the 450-strong West German contingent strode into the square. There was another cheer for a lone Japanese. Several other Japanese had intended to march but R. A. Butler, Britain's deputy prime minister, refused to grant them entry visas.

"It's a terrible thing that the Japanese have been refused permission to come here," Canon John Collins of St. Paul's Cathedral told the crowd. "The Japanese if anybody have the right to protest against nuclear weapons."

The canon referred to the atomic bombing of Hiroshima and Nagasaki near the end of World War II.

Marchers from Wethersfield appealed yesterday for police protection after a young woman, identified as Emile Loyalists threw fire works and smoke bombs at them.

Three groups of young Conservatives ambushed the marchers from Aldermaston at the junction through the London suburbs last night. The Conservatives lined the route with banners bearing the slogan "Ban the cannon but keep the bomb."

Two Airliners Safe Despite Wheel Trouble Boston, April 3 (AP)—"There wasn't a whisper. Everyone was waiting to see what would happen."

That was one passenger's description of the tension aboard an Eastern Air Lines Electra last night as the big turbo-prop plane—with a damaged tire on one of its dual nose wheels—sledded down for a safe landing on a foam-slicked runway at Logan International Airport.

The plane carried 65 passengers and a crew of five on a flight that began at Atlanta, headed north to Raleigh-Durham, N.C., Richmond, Va., and LaGuardia Field, New York.

By coincidence, landing gear trouble plagued a Trans-Canada Air Lines plane at almost the same time at Montreal International Airport.

In that case, the 4-engine Vickers Vanguard from Tampa belly-landed at Montreal after the landing gear collapsed on the runway.

There were no reports of injuries in either incident.

The Electra apparently stripped the tread from its left nose wheel on takeoff from LaGuardia. Capt. Arthur A. Hinkley, Hampton, N.H., pilot, radioed that he felt the tire had blown. Pieces of tire were found on the runway.

Priest Shoots, Kills Burglar Denver, April 3 (AP)—Richard E. Sanders, 28, convicted burglar and narcotics violator, was shot to death last night by a priest, armed with two guns, who surprised Sanders and a companion burglarizing a Roman Catholic Church rectory.

Detective Capt. Roy Tangey said the Rt. Rev. Msgr. Delisle A. Lemieux, 59, may also have wounded the second burglar who ran from the St. Catherine's Church rectory after Sanders was shot in the stomach. He died a short time later on an operating table at Denver General Hospital.

Tangey gave this report: The priest, alone in the rectory, heard a noise in the dining room. He armed himself with a 12-gauge shotgun and went to the dining room.

There were many men who gave their lives—thousands of Americans who were much greater heroes. But Birch operated on the fact that he knew the Chinese language and had lived in China.

China Warns SEATO On Troops for Laos

Jakarta, Indonesia, April 3 (AP)—Red China today held a threat over the West to turn Laos into another Korea if the Southeast Asia Treaty Organization (SEATO) sends troops into the strife-torn Indochina kingdom.

Peiping's Foreign Minister Chen Yi, winding up a visit to Indonesia, told newsmen that if SEATO sends troops into Laos, "then China will also send troops."

Marshal Chen Yi, who led the Chinese Communist 3rd Army into Korea in 1950 before becoming foreign minister, alluded to SEATO's warning that it was prepared to take "appropriate action" to prevent an armed Communist takeover of Laos.

The plump, balding marshal insisted "that up to now China has not taken part in the Laotian civil war."

"Remember China was compelled to participate in the Korean War only after the U. S. forces moved to our border beyond the Yalu River," Chen said.

The foreign minister said Peiping's solution to the fighting between pro-western and pro-Communist forces in Laos is to "let the Laotian people settle their differences themselves and with draw all foreign intervention. This would insure peace and neutrality in the country."

Chen Yi left before newsmen got a chance to question him about Moscow's latest proposals on Laos. But Peiping has declared a willingness to participate in the proposed 14-nation conference on the political future of Laos.

A communique on Chen Yi's talks with Indonesian President Sukarno contended that the United Nations efforts to solve world problems would be seriously weakened unless Peiping is admitted to membership in the international organization.

On Laos and the Congo, the two leaders declared: "all foreign intervention in all its forms and manifestations in these two countries should be discontinued."

Sukarno was depicted by Indonesian Foreign Minister Subandrio as a possible mediator in the bitter feud between Washington and Peiping. But Sukarno promised

Paris Talk Will Open On May 31

Palm Beach, Fla., April 3 (AP)—President Kennedy will fly to Paris May 31 for three days of talks with French President Charles de Gaulle.

Announcing this today, the President's vacation headquarters said he will be accompanied by his wife Jacqueline.

In reply to questions, White House press secretary Pierre Salinger told a news conference that at this time he knows of no plans for Kennedy to visit other European capitals in connection with the Paris trip.

The Paris visit will be Kennedy's first trip abroad as President. However, he will go to Canada in advance of going to France.

Plans for a trip to Ottawa to address the Canadian Parliament were announced earlier. Indications now are that Kennedy will go to Ottawa perhaps two weeks before visiting Paris.

Kennedy plans to leave for Paris by jet plane probably on the night of May 30. He will leave Washington May 29 to attend a "Salute to Kennedy" dinner in Boston marking his 44th birthday, then go on to New York the next day for a dinner being given to raise funds to fight cancer.

Kennedy's talks with De Gaulle, whom he has never met, will complete a round of conversations with the Big Three leaders of western Europe.

The President met eight days ago at Key West, Fla., with Britain's Prime Minister Harold Macmillan for discussion of the Laos crisis. They will resume their talks on this and other problems in Washington Wednesday.

And West Germany's Chancellor Konrad Adenauer will be in Washington April 11-12 for conferences with Kennedy.

After he sits more than four months in office, therefore, Kennedy will have discussed with Macmillan, De Gaulle and Adenauer the administration's strategy on Soviet opposition and approval. The talks are certain to embrace a variety of western problems in dealing with the Soviet Union, in-

Bulletins Culled from AP Wires

UN BACKS DAG United Nations, N.Y., April 3 (AP)—The U.N. General Assembly today overrode bitter Soviet opposition and approved a temporary extension of Secretary-General Dag Hammarskjold's Congo spending powers. The vote on the stop-gap resolution was 51-10 with 22 abstentions. The negative votes were cast by the Soviet bloc and Mali.

RIBICOFF AT UNVEILING Hartford, April 3 (AP)—Former Governor A. A. Ribicoff returned to Connecticut for the first time since taking a place in President Kennedy's cabinet today to participate in the unveiling of his official portrait. More than 250 state officials and friends of the former governor, who is now Secretary of Health, Education and Welfare, attended the ceremony in Memorial Hall of the State Library. Artist Henry Schmalzerberg of Newtown told the gathering that painting Ribicoff is much more difficult than taking a picture with a camera.

WEGER GETS LIFE Ottawa, April 3 (AP)—The Starved Rock murder case was concluded today with a denial of a new trial and sentencing of Chester O. (Rocky) Weger, 22, to life imprisonment. The jury that convicted Weger fixed his punishment at a state penitentiary. Circuit Judge Leonard Hoffman formally pronounced the sentence today. Weger, a handyman accused of bludgeoning three women to death in a state park canyon in March 1960, was convicted of murdering one of the three victims, Mrs. Lillian Osting, 50.

ERLANDER CAUTIONS U.S. Washington, April 3 (AP)—Prime Minister Tage Erlander of Sweden cautioned today that any U.S. slash in imports aimed at reducing unemployment and curbing the overseas flow of dollars could boomerang on the United States. Describing such an approach as "proposed by some segments of U.S. industry as protectionism," Erlander told a National Press Club luncheon that free trade is a two-way street. He said free trade is an essential part of international cooperation.

Contrary to Staff Report ICC Rejects Bankruptcy As Solution for NHRR

Washington, April 3 (AP)—The Interstate Commerce Commission today rejected suggestions that the New Haven Railroad take bankruptcy as a solution to its continuing financial troubles.

The commission said a bankruptcy reorganization "would not solve the basic problems" of the road.

The commission, discussed the bankruptcy issue in an interim report in a year-old investigation into the New Haven's difficulties, which the ICC said resulted primarily from staggering losses on passenger service. The agency described the line as "still a virtual artery of transportation" in the New England area.

In recent weeks, the New England Council, an area development organization, and the ICC's Bureau of Inquiry and Compliance, a staff group, have asserted that a reorganization in bankruptcy appeared to be the only way out for the company.

The ICC said it was issuing the interim report rejecting this theory because the talk of bankruptcy might hurt the company's chances for receiving tax relief and other assistance from the New York, Massachusetts, Connecticut and Rhode Island legislatures, where moves are on-foot to extend help.

In Boston, president George Albert of the New Haven Road said that while he hasn't read the whole ICC interim report, issued this morning, he was "delighted to learn" of its contents.

"I have steadfastly maintained," he said, "that the passenger deficit is the basic problem on the New Haven Railroad and that it is not an operating problem, but a political and economic problem and cannot be solved unless the railroad is given equal treatment by the governments on all levels with the consideration given other forms of transportation."

Nine ICC members participated in preparation of the interim report with one commissioner, Donald P. McPherson, abstaining. There was one vacancy on the commission at the time the report was drawn up.

In finding that the New Haven's passenger losses over the last 10 years had been somewhere between \$94 million and \$138 million, and that this is the prime cause of New Haven's difficulties, the commission asserted:

"The blunders of management, past and present, the devastation of nature, and all the other debilitating factors discussed (in a previous report by hearing examiners) must be regarded as secondary-causes of the carrier's financial plight, when compared with the enormous passenger deficit."

The company itself has blamed part of its troubles on hurricane, floods, severe winter weather and strikes occurring in its service area over the last several years.

Earth Cores Taken From 540 Ft. Under Deep Ocean Floor

By RENNIE TAYLOR Aboard Research Ship Baird off Guadalupe Island, April 3 (AP)—Rock samples identified as from the middle layer of the Earth's 3-layer crust have been brought from 540 feet under the deep ocean floor.

The achievement by the drill ship Cuss I late Saturday was hailed as a milestone in the exploration of the earth's interior. Mobile Project director Willard Bascom identified the samples as basaltic rock from the long-sought second layer of the Earth's crust. One was about the size of a small can of frozen juice. The other was 10 feet in length.

New Dispute on Birch: Was He Truly a Hero?

Los Angeles, April 3 (AP)—Different views were voiced today on the death of John Birch, for whom the right wing John Birch Society was named.

Birch, then an army captain, was killed Aug. 25, 1954 while on an OSS intelligence mission in Central China.

In Billings, Mont., radio-TV executive Joseph Sample—who served in the same OSS outfit as Birch—said in an interview: "There was no real object lesson in Birch's death and certainly no glory."

In Los Angeles, stockbroker William P. Welas Jr.—onetime OSS officer made up the mission on which Birch was killed—said: "Certainly John was just as much a hero as any other American soldier who died for his country."

And in Pasadena, a Los Angeles suburb, manufacturer Gustave J. Krause—another wartime comrade of Birch—said: "He brought about his own death. He didn't die the hero he was supposed to have died."

The John Birch Society, under fire from some national magazines, and newspapers, and some Congressmen, has been accused of using fascist tactics in its self-appointed task of fighting communism.

Birch, a missionary's son who spoke fluent Chinese, was shot by the leader of a group of Communist Chinese.

Peace Flight in Congo

Leopoldville, The Congo, April 3 (AP)—In the role of mediator, a Lumumbist official who is on speaking terms with President Joseph Kasavubu's Central Government arranged a peace flight today to the rebel stronghold in Stanleyville.

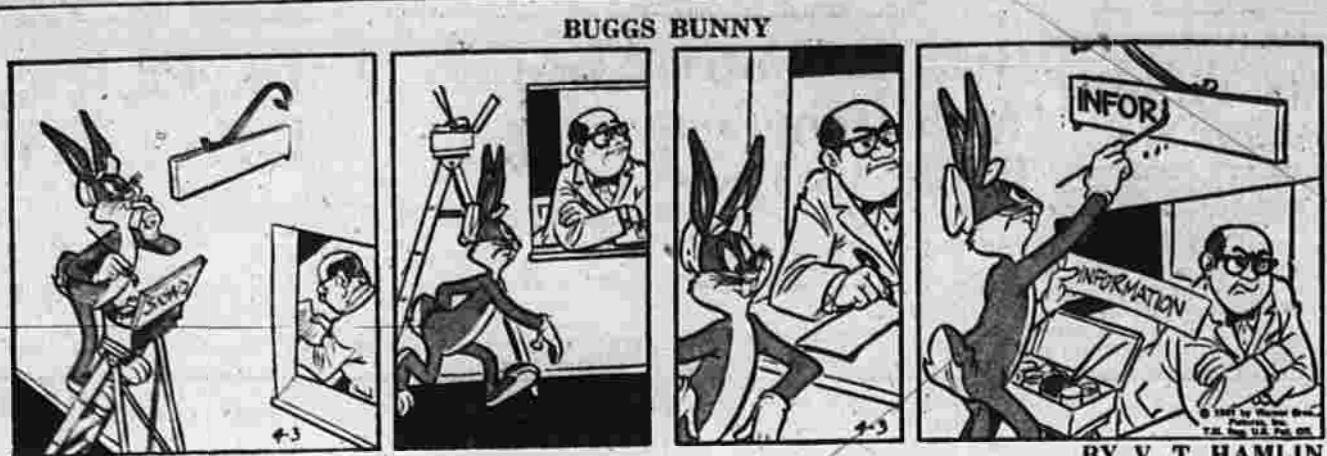

Cleophas Kamitatu, leftist president of Leopoldville Province, said he would sound out Antoine Gizenga, head of the Stanleyville regime, about joining the Confederation of Congolese States that the Congo's anti-Communist political leaders are putting together.

The U.N. Congo command agreed to give Kamitatu transportation to the rebel capital 75 miles northwest of Leopoldville, but it is not a party to any negotiations.

Gizenga, who calls himself premier of all the Congo and is recognized by the Soviet-led Communist bloc and a few African states, has snubbed previous bids to join the new confederation.

Kamitatu emphasized that he was undertaking his mission as a neutral and not as an emissary of the Kasavubu government.

Spring Training WARM UP From Florida

Durocher Glad to Be Back, Mum on Offers to Manage

St. Petersburg, Fla.—"Feel just like a rookie up for his first chance in a major league camp," was Leo Durocher's comment when I asked him how he liked being back in uniform as a coach with the Los Angeles Dodgers. The 57-year-old manager, who got his professional start with Hartford in the old Eastern League in 1925, is elated to make his home about it in the big show.

Many feel his return post as manager Walter Alton's first lieutenant, is only a stepping stone back to the majors as a manager.

Would the ubiquitous one, who was never at a loss for words, take the tag of Lippo, take a manager's job? I asked the "new" Durocher this before the Dodgers did battle in an exhibition Grapefruit League game.

"I've talked with no one, not even the new manager, my name," Durocher said, "but I know just what George Weiss (New York) or Gabe Paul (Houston) are doing. They're getting a manager for next year."

"All I know is that I have been signed, sealed and all but delivered as the new manager of the N. L. next year."

"If you look back over the last few years, every time there was a change in managers, my name cropped up, yet I have not been approached since I last managed the Glants," he told me.

Things haven't changed any for Leo. Even though he's playing second base at Alton he still is the center of attraction when writers from all parts of the country congregate before each day's game.

Field boss Alton is just the opposite of the violent Durocher, being quiet and at times, too light lipped, although in defense of the manager it must be said that he's always cooperative.

"What about the Dodgers?"

"I've never seen a club with such speed," Durocher said. Why, he has six or eight fellows who can really run. The fans will get a kick out of watching the Davis boys, Willie and Tommy. That Willie is really something. He can hit, too, as well as run like a scared rabbit. With the two Davis boys, plus Charlie Neal and Junior Gilliam, we'll have the fastest team in the league."

Durocher's talking about the Davis boys, rookie Willie and Tommy, who is starting his sophomore year. Willie Davis, playing with Spokane in the Pacific Coast league, was tops in batting (.44 and led in hits (218), runs (126), triples (36) and stolen bases (30).

Durocher with Visiting 'Yankee' Writer

Leo Durocher, manager of the Los Angeles Dodgers, is seen here with a visiting writer from the New York Yankees during a spring training session in St. Petersburg, Fla.

Four Exhibition Starts Without Defeat for Spahn

Hank Aaron on Home Run Spree

New York, April 8 (AP)—The end of the rainbow's just 12 steps from Milwaukee moundsman Warren Spahn, who can latch on to the pot of gold this season by becoming the first lefthanded pitcher in National League history to win 300 games.

That's one of the hon eors left for the tireless, apish Spahn, a 26-game winner 11 times, the top active southpaw in baseball annals with 288 victories, and at 38 still the ace of the Braves pitching staff.

And Spahn has shown no signs of slowing down this spring while preparing for his 17th season in the big time. He's won four exhibitions without a loss—the last a nine-inning, five-hit effort that stopped the Kansas City A's 9-2 yesterday.

Backed by Hank Aaron's three consecutive homers, Spahn faced only 30 men, striking out three and walking none as he tuned up Milwaukee's opening day pitching assignment with his first route-going performance of the spring.

Outstanding pitching jobs were turned in by New York's Whitey Ford and Pittsburgh's Joe Gibbon. Ford shut out Cincinnati 1-0, on a six-hit while Gibbon hurled four innings of perfect ball in the Pirates 4-1 win over St. Louis.

In other games, the Los Angeles Dodgers whipped Minnesota, 7-3; Baltimore belted the Chicago White Sox, 11-8; San Francisco beat Cleveland, 5-1; Philadelphia defeated Detroit 7-4; the Chicago Cubs checked the Cardinals on five hits while the Pirates pounded route-going Bob Miller for 11 strikes—three by Dick Groat. Groat gave up the St. Louis run on Julian Javier's single and double by Walt Moryn.

Although faced for 13 hits, Dodger lefty Sandy Koufax went the distance against the Twins and had them scoreless until Lanny Green hit a three-run homer in the ninth. Triples by Charlie Neal and Bob Aspromonte paced Los Angeles' 11-hit offensive.

Home runs were scored by Earl Robinson's two homers, the second a grand slam that capped a nine-run uprising in the eighth inning, carried the Orioles to their win over the White Sox. Found trippers by Glintz' rookies Bob Foy and Tom Haller along with six innings of scoreless pitching by Stan Jones beat the Indians.

Dick Ellsworth struck out eight in four innings of two-hit hurling while Ed Bonchuck smacked a two-run homer for the Cubs against the Red Sox. Five hits by Tony Taylor and four by Pancho Herrera paced the Phils' attack after Art Mahoney was knocked out of the box when a liner by the Tigers' Dick Robinson nicked his elbow.

Julio Becquer stroked three hits and batted in four runs, including the clincher in the eighth, as the Angels came back from behind to whip San Diego.

Defense and Russell Reasons for Jump

Celtics Gain Game Advantage in Marathon NBA Cage Finals

Boston, April 3 (AP)—Defense and Bill Russell are the reasons the Boston Celtics have the jump on St. Louis in the National Basketball Association playoff finals.

"Russell was the key—his defense and rebounding," Coach Red Auerbach of the defending World Champions said after yesterday's 129-65 triumph over the Hawks.

"Russell kept coming under pressure on them defensively," Auerbach continued.

"Bob Cousy also turned in a fine defensive job. Our timing was off because we had seen him for a week. So our defense had to be extra sharp to make up for it."

That was the whole story, said the 6-10 Russell grabbed 31 rebounds, blocked seven goal-bound shots and on two other occasions had goading called on him by four other players.

"Just fabulous," Auerbach added. "And some of his greatest games this year have been away from home where it is the toughest."

St. Louis' coach, Bill Russell, said he was "not very optimistic at the Hawks' chances without injured pivotman Clyde Lovellette in the lineup."

"I don't think Bill Russell will be able to hold his own against Lovellette," Russell said.

"We lack the depth for rotating on the club without Lovellette," Russell said.

"Wednesday is the important one. If we lose that, we're in trouble. If we win, we have a good chance to win one of those two games."

St. Louis reached its mental peak Saturday in winning the seventh game of the Western series by a 129-65 score.

"This had beating is not indicating what will happen when the Hawks get a good rest."

"Wednesday is the important one. If we lose that, we're in trouble. If we win, we have a good chance to win one of those two games."

Gain Revenge For Early Loss To Plainville

Breaking away in the last quarter, Manchester's Green Manors fulfilled a dual-purpose when they registered their 75-67 Farrington Valley League victory over Plainville last night at the Community Y. The Manors not only gained revenge for one of the two defeats on their record, but also took over undisputed possession of first place in the race for the pennant.

In winning, the Manors hiked their league record to 14-2 for the season. Windsor Locks, which was yesterday, trails by a half game with 13-3. Plainville, which had pinned a three point, 80-77, loss to the Manors in the first period which found Jim Moriarty at the controls of the Manors in his 11 points, the Manors men went ahead by six points, 66-60, at halftime. Dave Wood and the Pinto brothers, Dan and Don, closed the scoring in the second quarter advantage which they never relinquished.

In his last defense, the equalizer Champion Dave Moore in the next hour to defend his title this month. The king of the 128-pounders makes his third championship defense Saturday night when he faces young Danny Valdes at Los Angeles. Moore, 27, of Springfield, Ohio, is a solid favorite over the 22-year-old California state champion, Dan Los Angeles. The 15-rounder will not be televised.

Four Champs Crowned In Holiday Tourneys

Reigning as king and queen of the junior circuit bowlers at Holiday Lanes for the coming year, the two 115-112 and 108-94 to mark Dave Cappa and Hal Woods. These youngsters won championships in their respective divisions in the finals of the head-to-head competition held before an estimated crowd of 200 Saturday afternoon.

Pacing her cousin Holly Urbanski in the Girls Bantam Division, Joan Urbanski took three out of four games to win her 91-81 stalemate in the first game with Joan pulling the five and seven pin to take the rolloff. Joan closed out the match by winning the fourth game, 19-107.

Joan closed out the match by winning the fourth game, 19-107.

Joan closed out the match by winning the fourth game, 19-107.

Wings Sitting Back And Await Finals

Detroit, April 3 (AP)—It took the Detroit Red Wings five and one-half pin games to get behind in four games for the Stanley Cup playoffs. The Wings, who were the Montreal Canadiens and Chicago Black Hawks are slugging it out for the other berth in the finals.

The Wings, fourth in the regular season, lost to the Canadiens in the first round, 3-2 Saturday night on Toronto ice. It was Detroit's first straight victory after an opening loss in the best of seven series. The Canadiens won the third straight game in which George Howe had scored the winning goal.

Coach Sid Abel said the Wings finally got into the game Saturday night on the last night of the regular campaign in Detroit when they beat the Canadiens 3-1 to Montreal to one goal until the last minute.

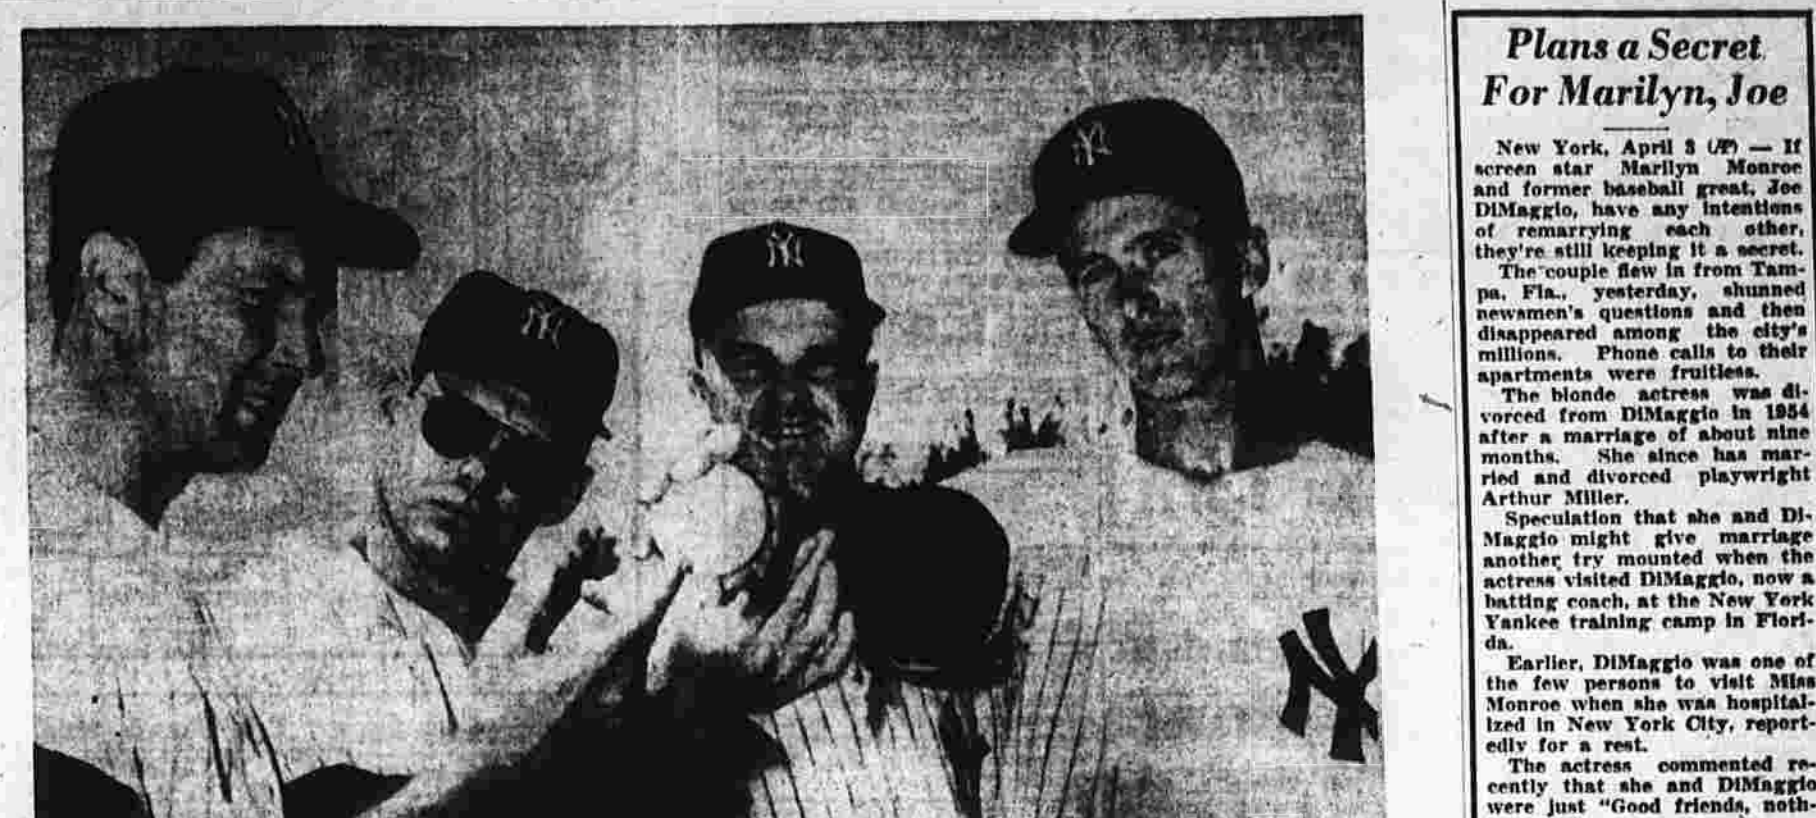

"Our defense had been pretty spotty until that night, but we got going and became a team," said Abel after the victory. "I think we've found our stride. I know so now, allowed himself to be just old fashioned hard work and guts, will do," Adams said.

Veterans Show Up Youngsters As Barber Wins Azalea Event

Wilmington, N. C., April 3 (AP)—33 feet from the pin and made his first putt in 45 feet. Barber missed, but the green to the left with his second, chipped up for a 20-foot putt. Barber, 37, is a member of the Barber and Harper Club. Barber and Harper almost had company in their playoff. They were two strokes ahead of three other players in their contest and Barber, recovering from a first round 104, closed with 68-70 for a 172 total. Barber tied with death extra hole. Barber won with a par four. They had tied at 213 three under par. Barber on three rounds of 71, Harper on 71-68-74.

The victory was just \$1,200 to the 37-year-old Barber, who has won 1980. Barber, who won 1980. Barber, who won 1980. Barber, who won 1980.

Last Quarter Spurt Nets Manors 75-67 Victory

David Cappa and Harold Woods

Pitching Pattern Altered by Houk

St. Petersburg, Fla., April 3 (AP)—The pitching pattern planned by new manager Ralph Houk of the New York Yankees is a sharp break with the Casey Stengel tradition. That's fine with the big right-hander who has had his troubles the past two seasons, struggling through an 8-1 year when the Yankees collapsed in 1959, and then putting away a 9-3 record in 1960. What made it worse was that the troubles began after he led the American League in strikeouts in 1958, when he was the pitcher of the year in the majors.

Houk's plan, the hoped-for change for the better. Under Stengel, the pitcher got to work on his own. Houk's plan is to pitch nine innings right now. There are five of it's ready to go. Houk's plan is to pitch nine innings right now. There are five of it's ready to go.

Correnti Sees In Winsted Play

Charley Kebarth of East Haven, who holds three National Duckpin Congress medals for his skill in National tournament play, was the top bowler in state duckpin play over the weekend.

Kebarth had a 16-game 1423 to the first round for the California championship at Winsted, Conn. He earned the spot at Moore.

There are four more title fights

Plans a Secret For Marilyn, Joe

New York, April 3 (AP)—If screen star Marilyn Monroe and former baseball great, Joe DiMaggio, have any intention of reuniting, they are planning to do so in a secret. The couple, who were married in 1936, have been apart since they disappeared among the city's millions. Phone calls to their apartments were fruitless.

The blonde actress was 41 Monday when she was hospitalized after a marriage of about nine months. She was in a coma for several days and died Tuesday.

DiMaggio was one of the few persons to visit Miss Monroe when she was hospitalized in New York City, reportedly for a rest.

DiMaggio commented recently that she and DiMaggio were just "good friends, nothing else."

Larry MacPhail Likes Yankees, Orioles Could Cause Trouble

Miami, Fla., April 3 (AP)—Larry MacPhail, the former major league baseball executive whose son Leo is president of the Baltimore Orioles, won't let sentiment interfere with his choice of an American League opponent.

"My heart and my judgment call for the Yankees," MacPhail said. "I would like to see the Orioles play the New York Yankees in a repeat as champions."

"The Yankees should win the pennant by 10 games if their pitching holds up," said the 71-year-old one-time president of the Baltimore Orioles.

Experienced Golfers Hold Key to Masters

Augusta, Ga., April 3 (AP)—Unlabeled history is wrong, an experienced golfer, many more chances of winning the Masters Tournament.

Ford, usually the busiest golfer on the pro tour, has played less than usual this year and has had one of his worst winter records. He is scrambling game could right itself but he still must consider an outsider.

Burke, a busy business-man who plays in only six or seven winter tournaments and hasn't won a tournament since 1957, Middlecoff, who planned to return as a full time tournament player, has played in eight, missing the 38-hole top three and 21st.
