Raft Sinks, Two Boys Pulled from Peat Bog

Two boys were rescued from drowning yesterday by a fisherman and a motorist after the raft the boys were floating in fell apart in the Schaller peat bog near the Deming St. exit of the Wilbur Cross Highway.

Robert Osborne, 9, of 138 Nancy Dr., New Britain, and Richard Truduen, 10, of 721 Deming St., South Windsor, were struggling in about six feet of water after their homemade raft sank and they were seen by Vincent Mielewicz of French Rd., Bolton, who was fishing nearby.

Mielewicz held the two youths above water while an unidentified boy ran to the highway and stopped a passing motorist, Edward Prills, of 460 Blake Rd., New Britain. Prills drove into the water, and Mielewicz brought the boys safely to shore.

The boys were examined by Dr. John F. Kilgus of Avon, an auxiliary state trooper and a doctor by profession who was driving by the scene. The youths were not hurt. Patrolman James McCool of the Manchester Police Department wrapped the boys in blankets and took them to the Trudeau home, where Osborne and his parents were making a Memorial Day visit.

Memorial Day Address

By COL. JOHN BOFFENBERG

As we gather on this Memorial Day to pay our respects to the memory of the men and women who valiantly fought our country's flag in lines of past wars, we are reminded of the still deeper meaning of Memorial Day in our youth. Those of you here today have streaks of grey in your hair and well remember the thrill we, as school children, experienced when, during the week prior to Memorial Day, the schools were visited by the "Boys in Blue"—the veterans of the Civil War, who fought under the inspired leadership of the martyred Abraham Lincoln to preserve the Union. A Memorial Day parade was never complete without a group of open cars carrying those venerable, aged veterans, who would regard proudly and happily to the flag-waving crowd. Although old and bent, these Civil War Veterans, many of them still proudly wearing their blue uniforms, were a living symbol of patriotism and devotion to our country.

More than a century has elapsed since the Civil War, with its inevitable harvest of blood and tears. The fast-moving events of our modern era can dim the memory of those gallant old veterans who were the mainstay of the Grand Army of the Republic. Memorial Day was first observed to honor the memory of those who had engaged in the bloody, fratricidal struggle to preserve the Union. Unfortunately, the Civil War was not the last struggle in which our country was to be engaged. The defense of democracy, the defense of Americanism as we know it, has thrust upon us other and even bloodier wars requiring great sacrifices of those who responded to the call. Memorial Day has become a day to do honor to the memory of all those loyal men and women who bore arms in the defense of our country, our democracy and our Americanism.

It is undeniably true that we are living in an era of materialism when all too many place material things ahead of principles, when all too many people are saying, "What's in it for me?" Old-fashioned patriotism and love of one's country, and yet even flag waving is regarded by many as being overly sentimental, childish or naive, or those of all modern expressions "corny" and "stale." It is times that we are turned to more of the sentimental patriotism and flag waving which prevailed when the "Boys in Blue" were the heroes of Memorial Day. Entirely too many of our fellow countrymen accept the blindest allegiance to the flag without giving a moment's thought to what they can do to perpetuate that way of life. This basic truth was forcefully called to the attention of our nation in President Kennedy's inaugural address when he said: "It is time to stop asking what is my country doing for me and start asking what I can do for my country." The materialistic, self-centered attitude which we are seeing in our country today is a direct result of the materialistic, self-centered attitude which we are seeing in our country today.

It is truly unfortunate that so large a percentage of our national wealth must be devoted to national defense. But while the perils to our way of life exist, maintenance of adequate defense posture is a necessity as a matter of self-preservation. Do not let us be lulled into a false sense of security, however, by the fact that we have a strong military establishment. It is also necessary to maintain a strong military establishment as a matter of self-preservation. Do not let us be lulled into a false sense of security, however, by the fact that we have a strong military establishment. It is also necessary to maintain a strong military establishment as a matter of self-preservation.

The first thing that we must do is to recognize the problems in our country as a great danger during times of actual hot war. We are in these days of Cold War, a time when the uniform of our Armed Forces is the same as the uniform of the peace. The fact that while American boys are fighting and dying in Laos, Vietnam and other hot spots, that we are not making any effort to help them is an even greater tragedy. It is an even greater tragedy that we are not making any effort to help them.

Containing and preventing the spread of Communism involves more than maintaining our own strength, but means that we must also be concerned with the ability of the remainder of the free world to resist Communism. Most Americans do not realize that while we are a young nation, our second oldest in the world. The aid our government is the second oldest in the world. The aid our government is the second oldest in the world.

PAKKADE W. T. GRANT CO. MAIN STREET MANCHESTER

From Your Neighbor's Kitchen

By DORIS BELMIND

Mrs. Harry A. Eich, 130 Avery St., likes new and different vegetable recipes to serve as substitutes for potatoes. Spanish Noctuid Casserole is especially easy, she says, and can be made ahead and reheated before serving.

Mrs. Eich includes recipes for Cheese Shorties and Scalloped Tomatoes Au Gratin. She advised that the Cheese Shorties are perfect for cocktail parties as they can be made and stored in the refrigerator until used.

Spanish Noctuid Casserole
2 packages frozen chopped spinach
1 1/2 teaspoons salt
1 1/2 teaspoons instant minced onion
1/2 cup grated parmesan cheese
4 tablespoons butter or margarine
8 ounce package egg noodles
Place frozen spinach in a greased casserole. Sprinkle with salt, onion and 1/2 cup of cheese. Dot with 2 tablespoons of butter or margarine. Cover with lid or foil and bake in 350 degree oven for about 20 minutes.

Cook noodles until tender, drain and rinse over spinach in casserole. Sprinkle with remaining cheese and dot with butter or margarine. Cover and bake for 30 minutes. Remove from oven, and mix ingredients well. Return to oven and bake for 15 minutes, or cool and refrigerate. When ready to serve, heat in 350 degree oven about 20 to 25 minutes. This recipe serves eight.

Cheese shorties
1 pound sharp cheddar
1/2 cup butter or margarine
2 cups sifted all-purpose flour
1/2 cup of garlic salt or onion-pepper
Cheese and butter should be at room temperature. Cream together until fluffy with wooden spoon or electric mixer. Add flour and mix thoroughly. Form into rolls 1 1/2 inches in diameter. Chill in refrigerator several hours. Then roll to serve, cut in 1/2 inch slices and place on cookie sheet one inch apart. Bake in 350 degree oven about 10 minutes. Do not brown. Serve hot.

Scalloped Tomatoes Au Gratin
4 slices toast
1 can 1/2 pound tomatoes or 2 cups fresh tomatoes cut-up
1 small onion grated
1 tablespoon sugar
1/2 teaspoon salt
1/2 cup melted butter
1/2 cup grated parmesan cheese
Cut slices of toast into cubes. Reserve cubes from one slice for topping. Mix tomatoes, onion, sugar, salt and pepper, and place in layers, alternating with toast cubes, in a greased casserole. Cover top with cubes of pour melted butter over them and sprinkle with cheese. Bake in 350 degree oven for about 20 to 25 minutes. This recipe serves four.

Mrs. Eich inherits her skill in cooking from her mother who was born in Denmark. "My mother," she said, "was a marvelous cook, and I was brought up on gourmet food. I love to try new recipes, and at restaurants always order unusual dishes that other people are hesitant about."

Mrs. Eich was born in Buffalo, N. Y., and graduated from Corfu High School there. She was a member of the class president and editor of the year book.

She attended night classes in interior decorating and real estate at the University of Buffalo. She was employed as secretary to an advertising agency in Buffalo. In 1933 she married and moved to Albany, N. Y., where she and her daughters, Michelle, age 8, and Lisa, age 6, were born. The Eichs

Bolton Parade Seen Big Success

Community pride was at its peak here yesterday as hundreds turned out for the first Memorial Day parade in years.

In his address of welcome First Selectman Charles Robbins said that in the past, due to the absence of veteran organizations here, Bolton has looked to Hartford and Manchester for its parade.

"We have been very guilty of grossly underestimating the capabilities of those young in years, and young in spirit," he said.

He said the town was grateful for those who worked on plans for the celebration and hoped that this was just the first of many such occasions.

Because of the enthusiasm of those participating and watching the observance, the committee in charge decided immediately after the parade to remain together to plan another year's observance.

School Steps
Phillip L'Amoretti marched with the school band and served as master of ceremonies at the school. He introduced the Rev. Theodore Chandler who gave the invocation and grade 8 pupils Douglas Chandler, Robert Arp, Susan Daley and Star Chaplin who spoke about the origin and spirit of the Memorial Day observance.

John Seneca's Day Observance
John Seneca and Mrs. Wright and Mrs. Barton's classes did choral reading and songs appropriate to the occasion. Scoutmaster Paul Brown dispatched patrol leaders John Borovitch, Timothy Gross and Kent Richardson to decorate the graves of veterans at the two cemeteries and the memorial at Bolton Center. Taps were played by Harry Sherman and Donald Sobol.

Polo Clinic Set
Administration of the Sablin polo vaccine in Bolton on June 13 will be a community project. It is intended for adults up to 50 years of age and for pre-school children as young as 3 months. The State Department of Health supplies 200 doses of the vaccine free of charge, but the towns must purchase the remaining amount. For

Leads Music Fete

John M. Doney, organist and choir director of St. James' Episcopal Church of West Hartford, will direct a 25-member choir, including 15 boy sopranos at the Musical Festival to be held Sunday, June 10, at 8 p.m. in St. Peter's Episcopal Church, Hbrn.

Doney is a faculty member in organ and church music at Hart College of Music of the University of Hartford. He is secretary of the Hartford Chapter, American Guild of Organists. Schools in which he has received his training are: University of Redlands, Calif., where he received his degree of bachelor of music, and Syracuse University, Syracuse, N. Y., where he won his master's degree in music.

He has given recitals in New York City, Hartford, Pa., Louisville, Ky., San Diego, Calif., Hartford, and also in Germany, while with the armed forces.

All the singers who will appear in the Musical Festival are members of St. James' Church of West Hartford, and have been subjected to rigorous training in music from probationers upward. Horace W. Sellers, organist at St. Peter's, will play accompaniment on the pipe organ. The public is cordially invited to attend. Admission will be free.

Mr. Doney is currently on leave of absence. He has been music teacher at the Mansfield State Training School.

Three Resigning Posts at Church

Three staff members of Center Congregational Church have resigned their positions to accept other assignments.

Jay R. Stager, senior youth adviser, will do graduate work at the University of Connecticut. He will continue as a member of the Mansfield High School faculty and continue to reside in Manchester.

Robert C. Veder, music director, is resigning because of increasing responsibilities as a member of the music department at Manchester High School.

James W. Smith, organist, is leaving to accept a new position at the Mansfield State Training School.

South Windsor ZBA to Hear Eight Appeals

The Zoning Board of Appeals will hold a public hearing Thursday, June 7, at 8 p.m. at the Wapping Elementary School to consider eight applications.

Robert J. Raso, 542 Ellington Rd., has an exception to allow a small scale shop building in the residential zone at 549 Ellington Rd.

Fred H. Samuelson of Electron Street, Inc., on St. A construction of an advertising sign 8 feet by 6 feet.

Robert T. Saxton Jr., of 1281 St. A, has an exception to allow a two-family dwelling, construction of a porch seven feet wide and eight feet deep.

Ernest Therrien of 147 Hilton Dr., has an exception to allow a porch seven feet wide and eight feet deep.

Fair Appeal Short
Due to limited space at Wapping Fair this year, the fair association is anxious to have South Windsor organizations which have had fair appeal this year. Those desiring space are asked to contact William Thayer, 487 Elm St., South Windsor, Manchester, as soon as possible.

Double Drowning Mars State Record

(Continued from Page One)

Ann Miller of Stratford and Glen Taylor of Stratford, were wading. They suddenly lost the bottom and began crying for help.

The little girl's mother, Mrs. Edna Miller, 487 Elm St., Stratford, and a friend, Mrs. Edna Smith, 25 Elm St., Stratford, were wading in the water. Mrs. Miller was the aunt of the Taylor boy. One in the water, Mrs. Miller and Smith were just as helpless as the two children.

Police said there would have been four deaths but for the quick action of two Stratford Bridgeport boys, Frank Allison, of 377 Busham Ave., and David Titus of 119 James St. Frank and David went into the water and retrieved the two shrieking children, but were unable to save Mrs. Miller and Smith.

The tragedy served as a reminder that in Connecticut when holidays occur in the warm months, drowning accidents take more lives than traffic accidents.

State police said the fact that the holiday fell in the middle of the week probably helped to keep fatal traffic accidents from occurring, since few people had the time to travel very far from home.

Those who were on the roads, however, saw heavy traffic. There were 352 on patrol duty yesterday.

They made 99 motor vehicle arrests, including 24 for speeding, in the 24-hour period from midnight to midnight. They also issued 144 written warnings for infractions.

School Menus

Public school menus for the week of June 4 through 8 will be as follows:

Wednesday: Corned beef hash, buttered green beans, bread and butter, milk, peach bread pudding.

Thursday: Baked ham, potato salad, whole kernel corn, bread and butter, milk, apple sauce.

Engaged

The engagement of Miss Judy Gay Vandervoort of Vernon to Joseph W. Vandervoort of Rockville has been announced by her parents, Mr. and Mrs. James B. Vandervoort, Lake St., Vernon.

Her fiancé is the son of Mr. and Mrs. Lutz W. Vandervoort, Jr., Union St., Rockville.

Miss Vandervoort is a graduate of Rockville High School and attended the University of Connecticut. She is employed at Manchester Memorial Hospital, Mr. William J. Vandervoort, Rockville High School, and is serving with the U.S. Army, stationed at Ft. Detrick, N.C.

A Sept. 3 wedding is planned.

Non-Food Items
Fill Grocery Bag

If your grocery bill appears to be getting out-of-hand, look at the cash register tape before blaming rising food prices, suggests Mrs. Elizabeth W. Gassette, home agent at the Hartford County extension service.

Trade sources indicate that food sales represented 88 per cent of the total grocery store sales in 1947, but only 69 per cent today. This means that the grocery store bill and the food bill are two different things.

On the average, for every 12 items in the shopping basket, it's about 10 non-food items. Soap, detergent, paper goods, household cleaning supplies and other home care items, tobacco products, health and beauty aids are the items more often bought and in that order. In terms of dollars, tobacco products head the list.

The trend seems to be toward more non-food items in grocery stores, and more in the customer's shopping cart. Main supermarket chains in the metropolitan areas are opening combination stores or discount houses.

Pappy Sain Success

To the Editor,

On behalf of the Anderson-Shea Post and the Ladies Auxiliary to the Veterans of Foreign Wars, we wish to take this opportunity to thank the people of Manchester and surrounding communities for their wonderful support of our "Buddy" Pappy Sain. It was a most successful endeavor.

We most appreciate the cooperation and help given us by you and your staff.

Thank You.

"Two Feet"

To the Editor,

Your editorial last night was wonderful! You presented our problem in a nutshell.

Too many members to date! Too few voices to phone them, too to chase after them and enthusiastic workers to convince our townfolk to join or renew membership in the Community Concert Association!

This is a prosperous and intelligent town. The sum of \$7.50 is not a great deal of money to spend for a series of three or four concerts including the incomparable Rise Stevens. Less than the cost of a spring motor tune-up or a trip to the dentist.

But what should be the easiest thing in the world to sell—an interesting and musically rewarding evening right here in Vernon—becomes something you have to beg and cajole people into doing. Last year we had 600 members. So far this year we have 428 of whom all remaining 168 are new.

Obviously, if we do, we are slain by non-renewals. Not the people who attended concerts this year. Those who heard the glorious Netherlands Chamber Orchestra and the magnificent Whittemore and Lower are enthusiastic in their support, but so many people "didn't get to the concert" and are hesitant about joining again.

Frankly, I can't blame them! We are not a charity but a dedicated group who enjoy good music and are working very hard to try to bring it to Manchester. We want your join, not in response to civic pride or to an outstanding musical, but because you intend to go and you expect to have a good time. And I promise you will!

Very truly yours,
Robert D. Murdoch, President

Sgt. Cooke Plays Role In Saving Girl's Life

The action of Sgt. William Cooke in tracking down the sort of poison affecting a Glastonbury girl has brought a letter of commendation from the girl's father, Frank Hodge Jr., to Police Chief James Beardon.

Hodge's 17-year-old daughter, Patricia, was hospitalized on May 23 which was first thought to be the result of a abdominal hemorrhage. Doctors at Hartford Hospital determined on investigation that the condition had been caused by contact with some toxic substance and could be fatal unless the substance was identified and an antidote promptly administered.

Hodge called the Manchester Police Department and appealed for help from Sgt. Cooke. His daughter had spent the week-end with other Girl Scouts on a clean-up detail at Camp Alice Merritt in East Hartford. Sgt. Cooke used his ingenuity to locate the district scout administrator, Miss Mai M. Vandenberg, who had been in charge of the clean-up.

Miss Vandenberg contacted a friend who lived near the camp and who showed the materials used. A can of disinfectant, which had been labeled toxic, was discovered and the information was forwarded to the doctors who administered the proper antidote. The girl's condition began to improve immediately.

At 10:15 p.m., fifty minutes after receiving the first call, Sgt. Cooke had called Mr. Hodge with the needed information.

Hodge's letter to Chief Beardon said: "Your Sergeant Cooke did a terrific job and I want to appreciate his services. He was the best in police work. You and the Town of Manchester have reason to be proud that he is on your force."

Kopplin Appointed To Naval Academy

John Kopplin, 17, son of Mr. and Mrs. Carl H. Kopplin, 46 Avondale Rd., has qualified for admission to the U.S. Naval Academy, Annapolis, Md.

Kopplin, who was named in February last alternate to compete for an appointment to the academy, was notified by telegram from Ben Thomas Dodd late Tuesday that he had been selected. The appointee will be graduated with honors from Manchester High School June 30.

Sen. Dodd sent the following message: "I am very pleased to advise you that you have been selected from the list of qualified alternates for admission to the U.S. Naval Academy. You will receive your orders shortly. Congratulations and best wishes to you and your family."

When this news arrived, Kopplin was out playing baseball in the neighborhood. His mother jumped in the car and drove around the neighborhood to look for him.

The appointment is the fulfillment of a long-time goal for Kopplin, who first studied at the Naval Academy in 1956. His cousin, an Annapolis plebe at the time, graduated from the academy two years ago.

Kopplin, whose father is an aeronautical engineer at Pratt & Whitney Aircraft, division of United Aircraft Corp., is interested in an engineering career. His recent year mathematics studies included honors math analysis, trigonometry and physics. He was elected this year to the National Honor Society.

He is a member of the Math, Science and Spanish clubs, and a member of John Mather Chapter, Order of DeMolay, and the Intermediate basketball league at the Y, and was a member of its junior championship team last year.

Kopplin is also interested in astronomy and built his own telescope several years ago. His astronomical schooling was at Bowers School and his junior high as well as senior high years at Manchester High School.

Mrs. Kopplin said the family believes "John has a good school record because he's so curious about everything."

He has a brother, Richard Kopplin, 26, in Seymour, with Metropolitan Life Insurance Co., and a sister, Susan, 16, a freshman at Manchester High School.

Value over \$2,500 Coin Collection, Cash Taken in House Break

Manchester Police are investigating two recent breaks in which \$2,100 in commemorative coins and \$978 in cash was taken from a home and an \$85 valued typewriter was stolen from local business firm.

Bernard A. Wisniewski of 58 Overland St. last night reported that someone broke into his home during his 24-hour absence on Tuesday and Wednesday and took a small safe containing five albums of commemorative coins (worth \$2,100), a 1915 Pan-American Commemorative Gold Coin (\$49 value), a check for \$20, and a green colored bank deposit bag with \$272 in cash.

Police reported that drawers throughout the home had been rifled but nothing taken. The safe, which was approximately 12 by 15 by 18 inches, was taken from the bedroom closet. Patrolman Curtis Wilson, who also reported that Wisniewski is missing a green and black Marine Corps blanket, said that entrance was gained through a back door where a window was broken and a south side door was forced open. A search of the house revealed a typewriter and several watches taken from a desk, an electric wall clock,

Eichmann Asks Help from UN, West Germans

(Continued from Page One)

Eichmann's wife, Vera, and his brother, Robert, also called appeals to the president from Europe Wednesday night.

Ben-Zvi's decision may come next week. Detail of the petitions could mean a June hearing at Ramat Hashikma, near Tel Aviv, where Eichmann is held in solitary confinement.

Eichmann's spiritual adviser, the Rev. William Hill, said he expects to call on Eichmann in his prison cell every day "to continue hammering away at him in an effort to make him see the true light."

The Canada-born Protestant and clergyman said several weeks ago that Eichmann had not requested an appeal to the United Nations and West Germany were not disclosed.

Hebron Mock Government Delegates Picked

Girls and Boys State will be held at the University of Connecticut during the week of June 24-26. Constance Smith and Linda Adams, juniors at Hebron High School, have been chosen to represent Hebron at the Laurel Grove State Conference.

The faculty of Hebron High School has chosen Gordon Weeman Jr., Brian Lester and Wilfred LaBelle, juniors at Hebron High, as delegates to the Hebron Mock Government. Gordon is the son of the Rev. and Mrs. Gordon W. Weeman of Hebron. He has been active in Students Council, Athletic Committee, and the Hebron Mock Government. Brian, son of Mr. and Mrs. Robert Lester of Marlborough, is a member of the Student Council, yearbook committee, biology club, science club, Y.P.F. and Junior League. Wilfred, son of Mr. and Mrs. William LaBelle of Marlborough, has been active in Student Council, yearbook committee, biology club, and newspaper staff. These delegates were chosen on the basis of leadership, community interest and school activities. Gordon was also sponsored by the Hebron School League and Brian and Wilfred by the Marlborough Parents-Teachers Association.

Arthur McGilley, well known as a sports writer, will be guest speaker at the third annual Block "B" Athletic Dinner sponsored by the Regional District P.T.S.A. on June 9 in the high school cafeteria. Fredrick Alden Spaulding will introduce the speaker, and Coach Clyde Washburn will present trophies.

Other guests to be present include the assistant coaches, David Blas, Arthur Perrone, Thomas Langstaffer, and Clifford White. A turkey dinner will be served by cheerleaders under supervision of Miss Jean Osborne, physical education instructor.

Officers elected to serve the P.T.S.A. for 1962 are: President, Mr. and Mrs. Clifford Matthews; first vice president, James Foreman; second, Mr. and Mrs. William Bowen; third, Mr. and Mrs. William Aronson; recording secretary, Mrs. Raymond J. Bart; corresponding secretary, Mrs. George Munson; treasurer, Mrs. Henry Grun.

Youngsters eligible for the Hebron Elementary School exhibition in their social studies maps made in the Grade 4 class of Mrs. Lavern W. Adams. Exhibitors: Torrey made a map of South America; Deborah White, The Netherlands; Russell Bulley, Switzerland; Richard Di-Buono, North America.

The maps are made of detergent and water and then colored. They are on display in the section of Douglas Library until June 11.

New Postal Hours
New closing hours are now in effect on Saturdays. The Hebron and Amston post offices. Both offices are now closing Saturday at 2:15 p.m. Mail will be picked up from mailboxes outside the two offices on Sundays and holidays at 4:05.

These two post offices are the only ones now operated in the town. Old timers can remember when there was a postoffice in Gilead, Turnerville, as then known, and in Hopewell as then designated. The name was used instead of Hope Valley, in order to avoid confusion with a number of Hope Valleys in this and other states. Eden Veneer (or Veneer) carried the Hopewell mail on foot to Turnerville in a large leather bag. She is well remembered by a number of the older people of the town.

Dr. Brown Reoperating
Those who remember the Rev. Dr. J. Goodie Brown, who was interim pastor of the Hebron and Gilead Congregational Churches two years ago, will be glad to hear that he is recuperating at his home in Glastonbury from the effects of an injury sustained in a motor accident, his car being struck by another car. He was under treatment at the Hartford Hospital for a seriously injured leg. He is now in a wheel chair but is assured that he will regain the full use of the injured member.

Over 80 Key Nominations
Owen B. Yank, state 4-H specialist, announces that Toland County club agents are now accepting nominations for 4-H Key Awards. These awards are made annually to area 4-Hers between the ages of 16 and 21. Recipients must have been active in 4-H work for five years and have made outstanding contributions in youth work and community leadership.

Indians Clip Eagles With Homer Help, 1-3

By HOWIE HOLCOMB
 "If the ball gets up in that breeze today, I'll really go for it," Coach Tom Kelley thus cautioned his Manchester team before Tuesday's OCHL baseball game with Worcester at Memorial Field. A couple of hours later he was proven correct as four home runs, a double and a triple were belted in Manchester's 1-3 triumph.

The homers were split evenly—two for each team, but the margin was all for the host. Kelley's team had a 2-0 lead after the first inning. The visitors' only hope was a homer by Red Macaluso in the second. Kelley's team had a 2-0 lead after the first inning. The visitors' only hope was a homer by Red Macaluso in the second.
