Bush Fails To Rush Cut **On Rail Tax**

Washington (AP) — The Sen-ate's bill to repeal the 10 per cent federal excise tax on railroad pas-senger fares passed yesterday without amendments sought by Sen. Prescott Bush, R-Conn. Bush joined his two Republican collearuses from New York Jacob olleagues from New York, Jaco K. is and Kenneth B. Keating, in trying to get the tax repealed July 1 instead of Oct. 1. The object was to give immediate final

cial aid to the bankrupt New Haen Railroad. This was defeated by a standin Undaunted, Bush then tried offer another amendment which would have repealed the tax ef-fective July 1- only for bankrupt passenger railroads. He admitted the New Haven was the only line in this category. Sen. George A. Smathers,

Fla., who was floor manager he bill, commented "The hearts of the finance comlittee bleed over the sad picture drawn by the senator. His plea rings a bell, but, unfortunately, at the wrong address. "This is not a tax on railroads,

said Smathers, "but a tax on raiload passengers, and some of the wealthiest people in the country ride the New Haven." The New Haven's passengers, however, do not stand to benefit from repeal of the tax. The rail-road intends to maintain ticket at the same levels, pocketing the money that a present goes to the federal g rnment in taxes. The House had already passed

ansportation tax repeal bill iden ical to the Senate measure excep hat the House bill would cut taxes Jan. 1 instead of Oct. 1. The differences in dates must h molved before the bill will ready for President Kennedy's sig ature. The measure also cuts the trave tax on airline tickets from 10 pe cent to five per cent.
