for the future f, like so many other Americans today, you'v asked yourself, "How can I help my country?" -here's a suggestion from the U.S. Treasury:

How to help

your country today

while you're saving

Start buying and holding U.S. Savings Bonds. When you do, you open the door to a lot of bright horizons. For one thing, you put your dollars into a pile that the U.S. Government guarantees to grow. Your investment can never

But your Bond dollars bring you a bigger return than money alone. Uncle Sam uses them to strengthen his stand for freedom-so you'll be able to enjoy the things you're saving for.

Your new home, for example. Buying Savings Bonds helps make sure you'll be able to own and enjoy it in a free world.

That's why millions of Americans are putting up their dollars for freedom through Savings Bonds today. Why not add your strength?

In a recent report, the Food and Drug Administration expressed the opinion that "the search for a real hair grower still goes on." The administratio also seized 750,000 vitamin capsules because their promotional literature falsely asserted that they "promoted new hair growth on bald or thin areas, grew hair faster, conserved hair

hair growth on bald or thin areas, grew hair faster, conserved hair that was too fine, prevented fall-ing hair, promoted a feeling of well being, increased energy and pre-vented dandruff!" While on the subject of falling hair. I was gratified to receive the hair. I was faking the hair. At the time. I was taking the blood cholesterol. Immediately af-
