 Conduct of Trial
 DETROIT (AP) — Teamsters Union President James R. Hofts has criticized severely the federal judge and prosecutor in his Nashylle trial which ended in a hung jury Sunday.
 Hoffa was especially critical of the decision of Judge William Mithiger to present to a federal grand jury in January evidence of al-leged jury tampering during the 42-day trial. He also had verbai fire for Atty. Gen. Robert F. Ken-nedy.
 His remarks came in a taped interview with television news-sman Ven Marshall of WWJ-TV Detroit. The interview was taped Monday and broadcast that night and again Tuesday.
 Hoffa was on trial on a charge of violating the Taft-Hartley Act by accepting, with the late Owen Freman, a Teamsters vice president, more than a million dollars from a Michigan trucking firm, Commercial Carriers, Inc.
