Bieu's Plea For Release Set Nov. 12

Earl C. Bieu, former Manchester man, now serving 8 to 20 years in Wethersfield State Prison for armed robbery, who contends that he was convicted on evidence obtained illegally, will get a hearing on his plea for release on Nov. 12.

This is the Lincoln Continental convertible, the only U. S. made four-door convertible, featured in the 1964 Lincoln line. It can be seen at Moriarty Bros., 301-316 Center St.

where would the money come from to pay for it? A request asking the Federal government to assume the cost was then sent to Washington on the order of Judge Clarke, but a reply came back early last month saying the court could find no provision in the statutes for the case, which was "apparently without precedent."

Masons Dedicate 80-Bed Wing at Home Saturday

Girl Writes On Hinduism

(Editor's Note: This is the fifth report by Miss Katherine Ellis, 1962 International Farm Youth exchange delegate to Coventry. She is currently in this country, searching ideas and experiences for her faithfulness in keeping the Hindu traditions. When the temple bells rang in the morning, my host mother would stop her work to pause in prayer.

Orthodox Hindu homes have a shrine room in which they worship daily—after washing in the morning and before retiring at night. Here they light oil lamps, burn incense, and pray.

Children of the Robertson School from now on will be purchasing hot lunch tickets only on a day to day basis instead of in bulk.

Writer Lists Symptoms of 'Harvest Age'

By HAL BOYLE NEW YORK (AP) — How can you tell whether you are middle-aged?

This point is puzzling to many who have heard that the harvest years are the best years, but aren't quite sure whether they themselves have reached this landmark of living.

Most of our friends either are going to the hospital or are recuperating from one. You spend more money buying get-well cards than going to night clubs.

Replica of Temple Goes on Display A replica of the new Temple Beth Shalom at E. Middle Temple and Parker St. will be one of 17 synagogues included in an exhibition of recent American synagogue architecture which opens Sunday at the Jewish Museum, 15th Ave. and 52nd St., New York City, and continues through Dec. 8.

Rockville-Vernon Open Spaces Bill Excludes Fire Districts

Fire District Commissioners were informed last night that state aid under "open spaces" legislation is not available to fire districts.

Donald Lovett, chairman of the recreation and park committee told commissioners that the State Park Commission declines the new law specifies town, cities and boroughs, but excludes fire districts.

He said that if, at a later date the town or a consolidation change transfers the property, then application for financial assistance may be made.

Commissioner Lovett continued that a list is being sent him of various different funds available to "some I've never heard of."

Despite the disclosure, a motion was passed to acquire title to the property before the Nov. 1 deadline.

Commissioners were informed that work has already begun on the construction of the new Co. 3 firehouse. The construction contract was signed with the Brunel and Sons Co. at the office of District Commissioner Robert D. King on Sept. 20.

Request for location of new fire hydrants were approved. Developer Barney Moses asked that hydrants be placed on Crest Dr. at the corner of Patricia Dr. and Crest Dr. at the corner of Raposa Dr. A similar request was received from Raymond K. Daley, president of the Tolland Agricultural Center (TAC) requesting that a hydrant be placed on Rt. 50 at Hyde Ave. Daley said in a letter that TAC has agreed to pay installation costs, or most of them.

The commissioners discussed possible regulations regarding the developer to install necessary "curb cuttings. While rules state that developers must put in the required curbs, there are no details as to how far apart the hydrants must be.

The fire district must pay rental costs of either \$40 or \$60, depending on the source of water, and it was generally agreed that builders should pay installation costs.

Fire loss in the district from July 1 through Sept. 4 totaled \$4,000, it was reported. There were 11 house fires, 4 building fires, one fire and 1 missing person.

fire police has been suggested. A final recommendation was for an increase in the fire coverage at Co. 2 in Dobsonville.

A suggestion that supplying fuel for fire trucks go to 164 was discussed, but no decision was reached.

The treasurer reported a balance as of Aug. 31 of \$7,900.33.

A Ballouville girl, Nancy Green, 10, was arrested yesterday and held at Hartford State Jail in lieu of \$1,000 bond.

She was arrested by Detective H. Emilio Pellegrini and charged with violation of Probation Court on Friday.

She will be presented in Superior Court on Monday.

Another 770 Foot League cheer leaders will be in force Friday at shopping centers, banks and other public buildings to collect donations for the regular fund drive.

The regular fund drive, held two weeks ago, fell short of its \$1,000 goal when only \$650 was received. The girls will try to make up the deficit.

About 60 boys participate in the program.

High school basketball WVI and its Auxiliary will hold a department meeting Sunday in GAR Hall starting at 2 p.m.

Members of the insurance committee have recommended a more comprehensive liability policy to include owned and non-owned motor vehicles.

and publicity. Mrs. Mae D. Bond Hearings Set, Dump Funds Voted

On Oct. 15, Manchester's voters will have an opportunity to speak out on three proposed bond issues—two for school additions and one for highway improvements—prior to a suggested November referendum.

The directors made plans, at their regular October business meetings last night, for a public hearing on the three projects, (to seek out \$1,415,000 between them) probably at the Rudolph School.

In a more satisfactory way Gardner said, "The \$700 was requested for preparation of a section of Weston land, and for rental costs for buildings used when the highway department bulldozer assigned to the area broke down."

The directors also waived the requirement that the town put the bulldozer's repair out to bid, to speed the work.

Criticism came from two residents near the Otcut St. disposal area—after townspeople had both praised and criticized the disposal operation.

The \$700 was requested for preparation of a section of Weston land, and for rental costs for buildings used when the highway department bulldozer assigned to the area broke down.

The directors also waived the requirement that the town put the bulldozer's repair out to bid, to speed the work.

The directors also waived the requirement that the town put the bulldozer's repair out to bid, to speed the work.

Rockville-Vernon Democrats Decried Lack of GOP Plan

Democratic candidates for reelection yesterday lashed out at Republican administration's failure to provide the townpeople with the necessary forecasts of the future, leaving the town wide open for "all kinds of scare tactics" pertaining to costs and economics of future needs.

Robert W. Denning and William P. Ludwicka referred to Saturday's referendum as having shown "serious flaws" in present governmental operations.

They said the town must have a long range financial and capital improvement plan.

They charged that the lack of fundamental tools of good government are costing tax dollars, and an inability to explain to the people what has to be done.

In a separate statement, Denning criticized delays by the present administration in repairs to the Town Hall and the Henry Building. He said, "At the last report, the town fathers were still checking into the various angles and aspects of these problems."

Denning feels the point is not what to do with these buildings now, due to several unknown factors, but to prevent situations like this in the future.

He called for a committee to insure the proper upkeep of town buildings, valued, he said, at approximately \$100,000.

# Extra Pressure on Series Hurriers

## Moundmen Seen Keys To Success

NEW YORK (AP) — Pounds of extra World Series pressure weighed heavily on the shoulders of opening game pitchers Whitey Ford of New York and Sandy Koufax of Los Angeles today because of unusual importance attached to the first game of the 1963 post-season classic.

Most experts agree pitching will be more of a dominating factor in this series than in any later league October clash since World War II. They predict batting averages .25 for the Yankees and .20 for the Dodgers, and the probability of only three 200 hitters—Tommy Davis, Mickey Vernon and Mickey Mantle—in the lineup.

Most experts agree pitching will be more of a dominating factor in this series than in any later league October clash since World War II. They predict batting averages .25 for the Yankees and .20 for the Dodgers, and the probability of only three 200 hitters—Tommy Davis, Mickey Vernon and Mickey Mantle—in the lineup.

## Psychological Edge

Thus the winner of the first game will have a psychological edge. The odds favored Ford as a pitcher and Koufax as a batter. The odds favored Ford as a pitcher and Koufax as a batter. The odds favored Ford as a pitcher and Koufax as a batter.

## OLD FRIENDS MEET—Former Dodger Roy Campanella greets some old friends—

Campanella, center fielder for the Yankees, was greeted by former teammates including Whitey Ford and Sandy Koufax.
