Rhino Iguanas To Have Babies

EVANVILLE, Ind. (AP)—A population explosion in rhinoceros iguanas is eagerly awaited at the Meeker zoo in Evansville.

A pair of the rare iguanas was brought here from Puerto Rico June 28. Zoo director Frank Thompson said today the blessed event—23-fold—is expected between Aug. 1 and October.

The female laid her 22 eggs, 200 officials quickly removed them to an aquarium to maintain a constant temperature, and close surveillance.

The lizard-like reptile, prohibited in appearance, is named for the three blunt horns on its snout. The Meeker iguanas are each about 3 years old, weigh 15 pounds and are three feet long.

Thompson said the species is found in only 10 other zoos in the United States and is becoming extinct.

Welfare Costs Drop for June

Town welfare costs last month dropped about \$500 from those spent for the corresponding period of 1963.

The town welfare department serviced 24 cases at a cost of \$2,104 during June 1964, compared to 28 cases and \$2,456 during June 1963.

The welfare department, as indicated by its monthly reports, is expected to show a surplus, when its 1963-64 fiscal year report is issued.

Scranitor Losing Platform Battle

(Continued from Page One)

Within Western-allied nations, the platform also recommended: "Amending the Constitution to modify a recent Supreme Court decision and allow states to legislate on a basis other than population."

Scranitor has charged that Goldwater's strategists were treating delegates as "a flock of chickens whose necks will be wrung at will."

Goldwater canceled an appearance at a fund-raising party gala to frame his reply, sending Mrs. Goldwater to mingle with the guests without him. The wife was the senior creator of the party, but Scranitor and his wife were greeted with little fanfare.

"Keep government out of labor disputes as much as possible and reorganize the national labor relations board."

In an "indictment" section, the platform accused the Democratic administration of "weakness before communism," "impeding investigations which might implicate public officials in the Espionage case," "having exploited inter-racial tensions for a political campaign," and "practicing federal intervention at the expense of individual freedom and creative enterprise."

"Perhaps on consideration," the platform said, "the governor will recognize the intemperance nature of his power."

Former President Dwight D. Eisenhower scheduled an afternoon news conference. But Scranitor apparently could hope for no reinforcements from that quarter. Arriving by train, the general said that neither publicly nor privately would he express a preference for the presidential candidates.

Appearing as a television commentator for ABC, Eisenhower said he may have made a mistake in announcing 13 months ago that he was not going to express such a preference.

In obvious reference to previous remarks indicating he thought Goldwater will head the ticket, Eisenhower added: "And if we have made a mistake in the past, we have made it during the past campaign. We have got to live with that mistake and we will be true to our party."

Rockville-Vernon 3 More Candidates Seek District Posts

Three district residents will seek to fill vacancies on the First District Commission at the annual election tomorrow night.

Donald Lovrin, seven-year veteran of the board, has announced his intentions to seek re-election. Lovrin has been a thorn in the side of the other commissioners because of his pro-consolidation stand, and his belief that the district government should assume a weak status.

A newcomer to political life is Richard Starke, a town native who has served with the Southern New England Telephone Company in its marketing department for 17 years.

Starke, a former electrician and instructor with the U.S. Marines, said he favors consolidation, one of the key political controversies in the town.

"This is my home town and I want to get involved in its politics," Starke explained as his reason for entering the fight for a place on the board of commissioners.

Starke is a resident of the Skinner Road section of the district, and his candidacy bears out earlier reports that the Skinner Road residents, a potentially powerful political group, would present a candidate.

The third announced candidate for commissioner is J. Arthur Charles, who has served the district for three years. Last week the district's three volunteers for commissioner met in a meeting and Charles was endorsed for re-election, and Charles Rau, a former commissioner and prominent district businessman.

Lovrin has kept his eye on the district commission since his days as a school teacher. He was originally named to the board when Ferry Spicer resigned. Spicer has since returned to the commission.

Lovrin is a Vernon native and former chairman of a Charter Consolidation Commission. The third such commission is now meeting in an effort to draft a charter which would unite Vernon's three forms of government.

Lovrin, a Republican, sought a state senate seat in 1960 but lost by about 100 votes in the Kennedy state landslide.

District politics transcends party lines and is generally divided into two camps. The politically powerful firemen have traditionally ruled district politics and generally favor a strong district government. They have been the deciding factor in the defeat of consolidation in two attempts, according to observers.

Opposing the firemen are a group of more moderate leaders, many newcomers to the area, who generally oppose a strong district government and would like to see one government represent the town.

The group is believed growing in strength and were believed responsible for defeating a sever proposal despite strong activities by firemen who favored the proposal.

The proposal would have introduced sewers to the district. Volunteer firemen were reported to have waged an intensive telephone campaign to get out voters to approve the proposal. The measure was overwhelmingly defeated.

Also on the agenda of tomorrow night's meeting, to be held at the Vernon Elementary School, Rt. 30, is the annual district budget.

District residents will be asked to approve expenditures of \$13,207, a hike of \$3,540. The budget, if approved, will cause a one-mill increase in district taxes.

Largest budget jump is a requested \$66,028 by volunteer fire department. Included in their proposed expenditures is \$9,500 for a new ambulance.

Some district leaders have indicated that opposition to the new ambulance may be voiced.

They explained that the ambulance being considered costs more than \$15,000, but old ambulance now being used will be traded in for about \$5,000. The ambulance is manned by volunteers, and provides service free to district residents. It is being replaced because of its age and condition.

Some district leaders have questioned the expenditure of the fire companies, which is about \$9,000 more than the funds being sought to operate Vernon's full-time police force, the Vernon constabulary.

The district tax rate is three-

Police Checking Weekend Breaks

Breaks into three local businesses and a home during the weekend on the backing amounts of cash and a bottle of liquor were stolen, have been reported to police.

All three breaks into the business establishments occurred in the Broad St.-W. Middle Type.

About \$20 in bills was reported missing from a cash bag at Fisher Dry Cleaners, 324 Broad St., this morning when the place opened for business.

Police discovered the money missing from an office drawer. A small amount of change in the bag was overlooked by the thief. Investigation indicated entrance was made through a bathroom window on the north side of the building.

An undetermined amount of petty cash was taken from the Allied Printing Service, Inc., at 879 W. Middle type, sometime between Saturday morning and Sunday morning.

Police reported a building custodian discovered the cash missing and the office ransacked when he reported for work yesterday morning. Entry was made by forcing a rear door, police said.

A similar break at Clarke Motor Sales, 301 Broad St., was reported yesterday morning about 11:30. An office desk had been rifled, but it could not be determined immediately whether there had been any cash locked in the desk.

The lone house break occurred at the home of Lipman Seiwitz, 878 Woodbridge St. sometime between Friday night and yesterday afternoon. Police said the family had been away for the weekend and returned to find a rear door window smashed and a bottle of liquor partially consumed. Apparently nothing else was disturbed, police said.

Investigation is continuing in all four cases.

Landings Boost Cyprus Tension

(Continued from Page One)

It is noted that U.N. patrols had seen regular Turkish troops land, but he added: "We have, though, observed the arriving of a number of men who received military training in Turkey."

Of the arrivals from Greece, Charvatzis said: "Who they are, we don't know. They could be Greek or Great Cypriotes from the mainland of Greece."

Although Britain, Greece and Turkey have the right to intervene individually under the 1960 Cyprus independence treaties, the U.N. Security Council's March 4 resolution creating the peace force called on all U.N. members to refrain from any action which worsens the situation in the sovereign republic of Cyprus.

Luis Aparicio Committing New 'Crimes' for Baltimore

Collects Four Hits, Scores Four Runners

NEW YORK (AP)—Fleet Luis Aparicio, the major league's biggest thief, has branched out. He's now committing crimes in more ways than ever before.

Aparicio did just about everything but grab the ball and run away with it Sunday as the American League lead. Baltimore Orioles split a doubleheader with Detroit. The Orioles were the opener and dropped the nightcap 4-3 in 10 innings.

The leading shortstop rapped five hits, scored four runs and stole two bases in the game but most important it put him back into the base getting necked. They were his first since he stole three times June 14. In the meantime, he missed about two weeks with a pulled groin muscle.

Aparicio, who has led the league in stolen bases for eight straight seasons, is a double-steal specialist. He stole 20 last year's total of 40 mark and should eclipse his 20 mark of 46 scored in 1959.

Still more important to the Orioles, Aparicio's hitting in tonight's game was a double in the fifth. He scored the Orioles' first run on them before the game.

With Baltimore leading 2-1, Aparicio opened the eighth with a single, stole second and third, then scored the tying run on an infield out. Brooks Robinson hit a winning two-run homer minutes later.

In other AL games, Chicago won 4-1, Kansas City 3-2, Los Angeles 3-2, Minnesota 4-1 and St. Louis 3-2. Washington traded Boston 10-2 after losing 5-3 and New York beat Cleveland 2-1 in a doubleheader. The Yankees won the seventh game of a three-game series with the Red Sox.

BASEBALL HEROES

BATTING—Pete Ward, White Sox, drove in six runs in Chicago's double victory. His grand slam in the ninth was a grand slam, his third of the season. The hit climaxed a seven-run rally in the eighth that broke a 4-1 tie.

Dave Nicholson and John Bushardt pitched the doubleheader. Nicholson was hit in the head by a Max Drabowsky pitch in the second game but was not injured seriously.

ANGELS-TIGERS

The Tigers won the second game of a doubleheader, 2-1, after a single by Don Wert and a passed ball set the stage for Mike Roemer's winning two-run homer in the bottom of the 10th.

Phil Miller, Baltimore's ace reliever, suffered his third straight loss in seven decisions. His loss was the only Orioles' third in 24 one-run games.

Braves Moving Up in Flag Race

Aaron Setting Pace, Drop Phillies Twice

NEW YORK (AP)—The Milwaukee Braves are moving—but in a northerly direction.

Rumored to be headed to Atlanta and subjected to some caustic comments about their talents, the Braves ignored the former and answered the latter Sunday by continuing their sudden climb up the National League standings into fifth place.

The Braves bogged down twice in the final two weeks ago, made it 11 victories in their last 15 games by sweeping a doubleheader from Philadelphia 4-3 and 6-2, knocking the Phillies into second place behind San Francisco.

The Braves' latest outburst came just two days after the Milwaukee County board chairman, Eugene Grochenski, fired a verbal broadside at the players, charging they were "not really capable of playing better baseball."

"There's something funny going on," said Grochenski. "The fans are doing their part but the players aren't. They're not really trying to win."

Something is happening all right—Aaron has been laying the groundwork for the "One-Club Baseball" program since he took over the club's operations last year. Case Called Turn on the Cat, Newest Hero with Boston RSox

WASHINGTON (AP)—Of Casey Stengel called the turn on the cat.

The Sox's decisive homecoming win Sunday was the work of the stinging out of the fact the Boston pitching staff has a sky-rocketing 7.35 earned run average since July 1.

That's roughly equivalent to claiming a ratio of 20-1.

In fact, right-hander Dave Morehead got halfway to the most-unlucky pitcher when he was handed his 10th loss by the Senators, 10-3.

The Red Sox captured the top of the doubleheader 4-3, thanks to Mantilla's home run and a three-run homer by Jim King. Mantilla's single and a three-run homer by Jim King. Mantilla's single and a three-run homer by Jim King.

Zone Race in Legion Play Close

NEW YORK (AP)—Lanky Duke Hutchinson hurled a brilliant 1-0 shutout victory over Rockville yesterday afternoon.

The only run Sunday was tallied on a sacrifice fly by Roger Sherman in the eighth. Hutchinson struck out seven batters and walked two. Tom Jimenez pitched the home club with the former setting paced with the loss. Hurling the last out, Hutchinson struck out the batter who would have scored.

PF's Top Norman's In Town Series, 5-4

Opening game in the Town Little League Playoff was held yesterday at neutral Buckley Field with Police & Fire (American League) scoring a 5-4 win over Norman's (International League).

The next game of the elimination tournament is set tomorrow night when Police & Fire oppose Montary Brothers (National League) at 6 o'clock at Verplanck Field.

Action will continue Thursday night with Norman's taking on tomorrow's loser of Police & Fire.

Leo Pearl went all the way for Police & Fire yesterday, spacing four hits effectively. Two of them—a double and a home run—went to Don Walsh, while the other two were collected by Brian Stillman.

The lead was scored back and forth from the time Police & Fire got a first inning run until they came up with two more in the sixth. In the seventh, Norman's made it a one-run affair with a sixth inning run but the rally fell short.

Brian Stillman and Ken Tedford paced the offense with two hits each.

Police & Fire: 001 020-5 9 9
Norman's: 002 101-4 4 1
Pearl and Tedford; Balsano and Stillman.
