School Buses To Transport **5,500 Pupils**

Superintendent of Schools, Raymond Ramsdell, has completed preparations for the transporting of some 5,500 pu-pils to the town schools which open Wednesday. Among the preparations is a list of rules and regulations for the students to observe as users of the school buses and some

suggestions to the parents to help make sure the advise is carried out. Pupils are asked to be at their ous stops at the posted time. While waiting for the bus they are asked to stand on the walkway or shoulder of the road, not to try to board until the bus completely stops and not to crowd other pupils. While the bus is in motion students are required to remain in

their seats, be reasonably quiet, not throw anything or deface the bus. Smoking or eating on the bus is not allowed. On leaving the bus the students should go directly to their school rooms, and on the home 'trip they should, if they have to cross the street, stand at the front of the bus until the driver signals to cross. Dr. Ramsdell points out that Dr. Ramsdell points out that traffic experts do not consider this good practice in any other He'll Take His Home Along this good practice in any other traffic situations and pupils

should learn that this procedure applies to travel on school buses troit trucker William Picknik signed to the moving job. If the pupil has to walk to he'd give his historic house a house up north," Picknik said, his home from the bus stop, and break too.

Rev. H. O. Kelsey, right, pastor of Gilead church, helps cover organ. Fire was confined to this area.

xtensive damage last evening to the Gilead Congregational Church on Rt. 85. The Rev. H. O. Kelsey, Jr.'s son, Burt, discovered the fire in the area of the organ and turned in the first alarm at 8:12 p.m. Burt and several of his friends were rehearsing their band in the Sunday School Room at the time the fire broke out. While waiting for firemen to respond to their call, they cleared the area of furniture and equipment and turned off all electrical systems. Local firemen arriving at the scene discovered the fire was shooting up between the new and old partitions of the building. It was then that the general alarm was turned in. Chief Donald E. Griffin confire was a short circuit in the organ. He was high in his praise of about 150 -volunteer firemen who helped control the blaze. He said it was "a very good stop and the fellows did a wonderful job." At one point flames were shooting from the roof and Chief

Griffin said that "thanks to the mutual aid organization" the building was saved. The 10 fire companies who battled the blaze were Amston, Andover, Bolton, Colchester, Windham Center.

Columbia, Hebron, Marlborough North Windham Willimantic (ladder truck) and His thanks also went to the ompanies who were on standby for the towns who responded to the alarm, mainly, South Coventry, Lebanon, Vernon, North Coventry, and the University of Connecticut Ladder Truck 2 at Eagleville. At 11:10 p.m. last evening, Chief Griffin could not yet give an estimate of the damage. He did say though that it was 'major structural roof and raftera damage" and, of course, the organ and altar area. He expected to keep a company at the church all evening to make
