Auto Workers Across U.S.

DETROIT (AP) - The United Auto Workers went strike against General otors Corp. today, choking off car production by the world's largest manufacturing firm and idling Pickets were posted around

GM facilities in 31 states and two Canadian provinces after last-minute negotiation failed to produce a new, pattern-setting contract for the auto indus peaceful, although about 46 trikers barricaded some 250 salaried workers and supervisory personnel at two GM plants at Willow Run near Detroi

The strikers blocked the parking lot with their own cars at the Chevrolet Motor Division and Fisher Body Division to prevent the nonunion employes from leaving until sheriff's deputies cleared the way at 5:30 a.m., according to police. Police said there was no violence. Both GM and the union said hey were far apart on reaching a new contract, but pledged talks to make the strike as short

as possible. They said they would try for another meeting Wednesday. However, some union and industry sources predicted the strike would be lengthy, and might exhaust the UAW's \$120 million strike fund. Union officials said the strike funds would last seven to eight weeks, with the 344,000 workers on strike drawing up to \$40 weekly each. Saturday visitors lingered after the parade to inspect old photographs, costumes and other momentoes in the Community Hall, to enjoy a short band concert on the Green, to look in at the art show at St. Maurice Parish Center, and to drive to the four corners of Bolton inspecting historical sites on the Heritage Trail.

Sunday visitors sang hymns on the Green at a noon ecumenical service, watched the first midget football game of the season and the judging of a beardgrowing contest, and continued the trek into history on the Heritage Trail well after the 6 p.m. closing hour.

Records fell by the boards yesterday in the 24th edition of the Manchester Open Golf Tournament at the Manchester Country Club when Dick Stranahan emerged triumphant with a fantastic five under par 65 round to best a field of 169 professionals and low handicap amateurs. Stranahan was the only golfer among the 359 contestants—190 amateurs on Monday, 102 pros and 67 amateurs yesterday, to beat par.

The former touring professional from Oakland, Calif., was four under for the front nine with 32 and one under 34 for the back nine in fashioning his brilliant record-shattering round.
