Let us admit two things about the Christmas interview with two American

prisoners being held in North Vietnam. First, the intellectual docility of the two American officers presented on camera was remarkable, as if they had either succumbed to some of the reading matter which had been supplied to them, or as if they were themselves trying to act out a satire of two officers pretending they had been brainwashed.

there may have been something un-

These two things having been said, something else is left unhappily obvious. ing to exploit the situation of the American prisoners in this war.

The Hanol effort, as exhibited in these interviews, seems primarily defensive, as if Hanoi were first trying to repel charges and allegations which have been

The Washington effort, on the other hand, seems to have shaped itself into a massive, persistent campaign to rouse American emotional involvement in and support for the war in Vietnam by playing upon the uncertainties of the situation of those Americans being held

n no other war, declared or undeclared, has the United States government made such an insistent display of its concern for its prisoners, managed to behave as if it thought the taking of Americans as prisoners were something sinful in itself, and sought to employ the natural sentiments of the families back home as international propaganda material. It would be pleasant to think that our government's interest in the prisoner issue the welfare of the several hundred men involved because they are being held by

But the way the issue has been play ed suggests that, in addition to its responsible solicitude for the welfare of our own men, our government is alo motivated by the feeling that it has ten and as intensively as it pleases against Hanoi. At the same time, it is an issue which confounds critics of the to defend North Vietnamese treatment of

Conceivably, Washington is scoring propaganda points against Hanoi, which the Christmas broadcast may have reinforced, with its display of ideological docility on the part of two prisoners, more than it weakened them.

positive propaganda points for itself will inue the bold effort to try to wind down

Any questions on funerals, customs, proa dependable answer. No obligation, naturally. Perhaps this question has been on your

Q. Some people say there is too much 'ceremony in present day funerals. How would you answer that?

A. The "some" people are relatively few. Actually, most people prefer traditional cus-toms. As funeral directors we cannot control - nor do we attempt to influence a pro or con attitude. We say - "To each his own". . . . Each family has the right to decide what the sentiment may be. No unrelated person or group has a moral right to do so.

Regular Gas at Premium Price Claimed by Bay State Probers BOSTON (AP) - Widespread throughout the state have tested He said his office will take ac-

fraud has been uncovered in the sale of premium gasoline in Massachusetts, the state attorney general's Consumer Protection Division reported today.

Laurence R. Buxbaum, chief of the division, told The Associated Press Monday that "samples taken from regular and premium gas tanks at stations individual dealers.

Tolland

He said his office will take action against one chain of gas stations within the next two weeks.

The division, he said, will seek two things, "a court order putting an end to deceptive pricing and an order requiring a fund for restitution."

Any motorist who could prove he bought premium gas at a station charged with deceptive pricing would be entitled to a refund from the fund.

Buxbaum said criminal pro-

It was not until yesterday af-It was not until yesterday afternoon that the deeds were transferred to Getchell. Mrs.

Mary Cramer who sold them the property explained she did not definitely know their intent when they purchased the land.

Supporting his thesis of possible commercial use of the tower Atty. Harding noted that space on the existing tower was being rented by others.

This line of reasoning finally prompted Atty. Mirabile to retort that it is up to the ZBA 6:09 From Nine to Five to make the ruling, not Atty.

The actual tower as proposed by the Getchells would be 18½ to inches wide at all points and solution and a balanced diet.

Tuesday, December 29

Tuesday, December

rented by others.

Atty. Mirabile on behalf of David Getchell admitted this was true but that the leasee, Cantor Electric, was being removed, since Getchell has found out that the leasing was in violation of local zoning regulations.

wires and capable of withstanding pressures up to 70 pounds per square foot. The tower would not topple over like a tree, but would instead collapse in a base, Atty. Mirabile explained base, Atty. Mirable explained. A show of hands at the jend of the hearing on the tower, showtons.

tions.

He further noted that the tower's other tenant was the town of Tolland itself, which works its police radio system from the tower at no charge.

According to the Getchells, they have "no intent or no possibility of converting the proposed tower to commercial use."

They cited Federal Communications controls and policies governing radio systems, particularly as it interferes with people's radio and television repeople's radio and television re-Most of the area residents left

ception in the area.

The Getchells have received FCC and Federal Aviation Commission clearances to proceed mission clearances to proceed Getchell explained the tool with the project.

David Getchell outlined a system of requirements subjecting the owners of the tower to fines and loss of license if measures are not taken to govern possible interference of the air waves.

When questioned by ZBA member Gerard Doudera about inspections to assure that the tower is used only for amateur.

Getchell explained the tool-shed would be used to store equipment being used in the construction of a house on the property by Douglas Getchell.

The ZBA as in all its other cases will take the evidence presented under consideration and inspect the site before reaching a decision. tower is used only for amateur Manchester Evening Herald Tolland correspondent Bette Quatrale, Tel, 875-2845.
