Orford Village Status Not to Be Disturbed Congressman Reports

No Immediate

Washington, D. C., May 8.-The status of the Orford Village Housing project will not be disturbed for some months, and possibly a year or two, Congressman Herman P. Kopplemann stated today after consultation with Housing Officials.

The National Housing Administration is making a survey of all housing projects constructed durports. The National Housing Description will be assured to occurrence to the sold to private interests, full protection will be assured to occurrence to the sold to private interests.

drawn for their disposition in ac-cordance with the Lanham Act, he said. The Lanham Act stipulated 6 Tons of Butter that disposition must be made of all housing projects, following the war, either by transfering them, to low-cost status, or by selling them to private owners. Temporary housing facilities are to be Philadelphia. May 8 P More dismantled when need for them no than six tons of butter, enough to supply 12,600 persons with one longer exists. Because of the housing short- pound each, goes on sale tomor-

Because of the housing shortage, disposition of these projects has been delayed, and will not take place until adequate housing accommodations are again available. Before any change will take place, Congressman Kopplemann said, full consultation will be had with local authorities as conditions in tive association of Toms River, N various communities differ, and in J. affiliated with the National some communities the projects Farmers' union. may not be disposed of for as long "We're out to break the black market in butter," said Irwin If a project is to be transferred Kramer, cooperative sales mana-

Y FUNNY BUSINESS

"I think it's wonderful the way you civilian doctors disciplined the public during the war-since my return not one of my patients DARES to call me after 10 p. m.!"

"Where would they be without us in this office? Imagine the president of a machinery company not knowing how

If you can say, "Yes, Dear," in ed girl.
Boy Friend Really?
Girl Yes, that's all I ever "Sure, You'll be coming back, If you can wash the dishes nice They sat like that, sipping their pose sometime. But God knows If you can set a table without She blushed and took off her coat hands with the other. Their hands with the other. Their hands with the other. Their hands with the other without a stumbling.

She blushed and took off her coat hands with the other. Their hands with the other. Their hands with the other. Their hands with the other without a stumbling.

And also operate a walk man, you know." and hung it on the hook outside the booth. Just then somebody started the machine again, and said, "Let's Finally he took his hand away and dance." He gave the order to the lossed off the rest of his drink and two weeks."

And also operate a wash mapoint on the sea as have cook a dinner, as many fish in the sea as have ever been caught. From her point of things I'll want to do with those dance." He gave the order to the lossed off the rest of his drink and two weeks."

And also operate a wash mapointed in love, that there are just as many fish in the sea as have ever been caught. From her point of things I'll want to do with those the property of the gave the order to the lossed off the rest of his drink and two weeks." If you can say, "My dear, you're looking thinner,"

dance, and he held her different from the way the high school boys used to hold her, and the steps he and sometime later they had another highball. Debby kept waiting for the drinks to make her touple of times around the floor they seemed to do nothing but stumble over each other's feet.

Gradually it got a little better, but what with being so keyed up and it being so hot, Debby got to sweating more and more, and the only other thing slie felt was

you except seein' things?" He was staring glumly into her short moment she was knowing she said: would she feel toward anybody this cost for you? the way she had felt toward him Boy No, she bought it during the past week. Not even

would always know there was breakfast before he goes to work. something about him way inside that wasn't quite the way she had She had been going with the He paid the check and they got had never broached the all-imporout and drove home. As they drove tant matter. But one evening as into the yard he said, "No lights.
I guess they've all gone to bed."
And she said, "Yes, the animals
He—Darling, we've been sitting won't be on display again until here for 20 minutes now and I've omorrow morning."

He said, "I'm sorry, Debby," and It's just a little question I'd like she got out of the car and ran into to ask you—
the house, and she might not have She (cooling. so bad of fuel oil. She ran up the He—That makes it easier for stairs, sobbing, and tore off her me to stair. What I wanted to say
