Repair your roof, chimneys,

Harrison Street - Manchester

gutters or downspouts These are but a few of the many things you can do under. our low cost Manchester Trust Co. Modernization Loans. On this type of loan, the interest rate is most reasonable

## Here's All You Have To Do

1. Check your property, inside and out, and list the things you would like to do.

2. Get the necessary estimates from any carpenter, plumber, painter or contractor of your choice. 3. Then come to the Manchester Trust Company and request the amount necessary to pay cash for the entire job. Following your request, the money is promptly turned over to you.

## 36 Months To Repay

To keep your monthly remittance to a minintum, these advances are made for as long as 36 months. You do not have to put out one cent in advance; you do not have to get any one to sign your note, nor is any lien or mortgage placed upon your property.

Here is your opportunity to make those long needed repairs and improvements with very little monthly outlay; and now is the time to plan to have the work done.

In these hot days with butter, been just talk with very little ac- car; olco, meat and other shortages, tion to date. many local residents have resorted to novel methods to keep butter on their tables.

One of the sure ways to have butter, less all of the bother and trouble of waiting out in stores to get a meager supply, is to make t themselves

In order to get the necessary butterfat to make butter, most housewives take the top cream off the morning bottle or two, taking care not to take any of the bottom or lighter cream. This they save over a week and perhaps at the end of that time they may have a ested in forming such an organpint and a half of heavy cream. Then, on churning day, Yankee

ingenuity comes into play wife or husband-usually both of them-draw out the family washing machine and after placing the heavy cream into two quart botties, bind both of them to the paddles of the washing machine and plug in, sitting back to let the modern churn do the work.

Within 20 or 25 minutes the familiar slosh slosh of the butter- just then. milk tells them that the butter has solidified. Then the two quart jars are taken off the paddle and the butter placed on a bread board and the buttermilk kneaded out of the butter mass after which it is salted to taste, moulded into a refrigerator jar and that house has

real butter for a while. One of those who recently made butter did not know that the buttermilk was fine for drinking and threw the milk away after churning. Now they save the fresh buttermilk for home use. It's hard to keep real Yankees

There has been considerable talk since V-J day and the return to Manchester of war veterans about forming another service men's organization. All this has

roduced in town by Charles Sweet, s local character, in August, 1929. At that time the taxi, a Ford of 1925 vintage, was capable of bandling the few who prefered riding to walking or commuting on local trolleys, in those days. Since that time, 17 years ago.

the town's taxi business has been expanding throughout the years in order to accommodate the town's increasing population. As a business venture, the taxi

business in town was at first an uncertain one, to say the least. After the death of Mr. Sweet, various local business men bought up the Manchester Tavi, only to drop it quickly, chalking it up as a poor Joe Orfitelli Takes Over

In February, 1940, the Manchester Taxi acquired a new owner, Joseph Orfitelli, who bought it up, lock, stock, and barrel. He worked hard and diligently at the game
believing wholeheartedly that
there was a spot in Manchester for
a taxi service. The Manchester
Taxi and City Cab was established as one enterprise and located on Purnell Place. Sold Part Of Business

Due to illness of Miss Orfitelli.

she was forced to sell the taxi bustrips and which can be hired by ineas before the war ended. Howa party of local folk for any ocever she did segregate the taxi company, selling only City Cab and holding the franchise on the original Manchester Taxi. For this reason it was possible for Joseph Orfitelli, who was discharged from the Marines on the 8th of December, 1945, to start in the taxi business once more. His first cab hit the street on the 17th day of December and his business, still under the name of the original Manchester Taxi, was, and still is, ture for the comfort and entisfaclocated across from the St.

three cabs manned by the Man-chester Taxi outfit, Mr. Orfitelli has obtained permits for a total of He intends to bring his five.
