Second Offender Jailed, Fined \$100

Frank Naumes, 36, of 9 Dr. G, was fined \$100 and given a 90-day term in the county jail last night when he was arraigned in court.

Naumes, who entered a plea of not guilty, was charged with operating a motor vehicle while under the influence of liquor during the latter part of the summer.

He was arrested Friday night following an accident on Route 53 in Ellington. Naumes was uninjured in the one-car accident, but his automobile received considerable damage and had to be towed from the scene.

State Policeman Herbert Haberstro, the investigating officer, said Naumes' car was headed south when it left the highway, hit a sign and continued a short distance before it crashed into a utility pole, snapping it off.

Further approval by State authorities will be necessary, since the ZBA's approval is for the site alone, not an approval of Bouthillier's plan to set up a garage.

### Scouts Experience Summer, Winter Climates Same Day

By EMILY SMITH  
Wilderness, Switzerland, Aug. 12—Snow, and more snow, white glimmering snow, falling flakes of snow, gleaming ice, and cold winter winds in the warm summer month of August. That's what the month of August means to the 17 members of Senior Girl Scout Troop 1 traveling in Europe this summer from when they ascended the magnificent Jungfrau, near Interlaken, Switzerland, Thursday, Aug. 12.

Making the three-hour ascent by mountain train up this magnificent and renowned mountain, the Scouts found in that short space of time they had made the transition from summer to winter, and the transition was made in reverse as they descended from Europe's highest railway station.

The snow clad Jungfrau, its summit frequently covered with clouds, can readily be seen from Interlaken and Wilderness, where the Manchester Troop was staying the week before last.

Leaving Wilderness shortly after 8 o'clock Thursday morning, the group went by train up the valley between several mountain peaks to Lauterbrunnen, where the steeper ascent was begun, on a narrow gauge cog railway, traveling not much faster than a good horse can walk.

Trains were changed again at Kleine Scheidegg, a small resort town high up in the mountains. The scenery at this point was quite different, above the timberline, with green pasture lands running right up to rocky and snow-covered mountain summits.

The cars at Kleine Scheidegg were heated as for nearly three-fourths of an hour the train ran through a tunnel carved in the rock under the glaciers of the Jungfrau.

Two stops were made in this tunnel to enable the passengers to get out and breathe the fresh air of lookout points. At the first of these points snow was falling all around at the second, snow several feet in depth was seen nearby and down a tunnel to the mountain.

After three hours of traveling, always ascending, the Jungfrau Jock, the highest railway station in all Europe, was reached.

The Manchester found it very cold in this under-rock station and were glad to walk a short distance through a tunnel to the heated hotel.

From the Jungfrau Station, Dr. Brown Slides, by going in a different direction through a longer tunnel the group came out through the entrance carved in ice to the edge of a glacier filled basin. Here people were sliding and a few were going for rides on the slides drawn by dog teams. To be on the snow, the Manchester Scouts tried this sport.

### Church Planning Special Service

A Labor Day service of worship will be held in the North Methodist Church Sunday at 9:30 a. m. with the Rev. John K. Post preaching under the subject "Working With God."

The vested choir under the direction of James W. McKay, minister of music, will resume its participation in the worship services, presenting a special anthem.

Members and friends of the church are reminded that the hour of worship for Sept. 5 and 12 is 9:30 a. m. With the commencement of church school on Sept. 19, the congregation will resume its hour of combined worship and religious education program at 10 o'clock.

### Oakdale Resumes Musicals Friday

The Oakdale Musical Theater, which resumed operations in its new quarters at 10 o'clock Friday, will present a series of musicals during the season.

While neither the tent nor the theater suffered any heavy damage, Oakdale's producers decided to suspend operations until Friday night in order to allow ample time for all repairs that have to be made.

In the process of lowering the tent at the height of Tuesday morning's storm, some wiring was damaged and some chairs ripped. Some piping was also twisted by the heavy winds. While it would be possible to resume operations by Thursday night, the re-opening has been put off until Friday night in order to allow for all reconstruction.

Patrons with tickets for Tuesday, Wednesday or Thursday nights may exchange them for Friday evening performances, or obtain refund.

### NATO Forces Plan Anti-Sub Exercise

Washington, Sept. 1 (AP)—Surface warships, submarines and airplanes of three NATO nations will conduct a 5-day anti-submarine exercise, "Overbrook II," this month off the Canadian and U. S. Atlantic coast.

Adm. Jervis Wright, commander-in-chief of the Western Atlantic area of NATO (North Atlantic Treaty Organization), announced today that more than 30 units of planes and ships of the United States, Canada, and Britain will engage in the exercises Sept. 10 through 15.

The Canadian Navy will supply 18 ships to the maneuvers. The United States 11, with one British craft joining it.

In the opening phase of the exercise, the destroyers Dutch, Gatling, Halley, Hickox, Miller and Rooks; the transports Camber and Lettiner; the tanker Chukawan and planes.

### School Registration Deadline Tomorrow

Tomorrow has been announced as registration day for all new students entering the public schools of Manchester, with the exception of those entering the new Vernon-Litchfield school.

Pupils will register at the school they will attend. The Board of Education said. Hours will be from 10 a. m. to 12 and from 2 to 4 p. m.

This registration will be only for pupils new in town or for those entering school for the first time who did not register in June.

Birth certificates and proofs of vaccination and inoculation should be presented at the school when registering.

### Baptist Society Plans Fall Bazaar

Members of the Women's Society of the Community Baptist Church have plans well under way for their second annual Fall Bazaar, the date of which has been set for Saturday, October 16.

It will be an all-day, all-organizational affair. The doors will open at 10 a. m. and adults and children will be welcomed through the day until 8 o'clock in the evening. Refreshments will be prepared and served by the Men's Club of the church.

In addition to the usual variety of fancy and utilitarian aprons, all sorts of needlework, other articles in handcraft and novelties will be found at the booths, not forgetting pastries and home-made candy, flowers and plants.

Nursery-care will be provided for little children, enabling the mothers to look around at their leisure and make selections accordingly.

Mrs. Floyd Chapman is chairman of the Fair committee and Mrs. Thomas Beese co-chairman. Mrs. Frank O. Carpenter is president of the Women's Society which is composed of several different groups.

### POWER CO. PROFITS DIPP

Hartford, Sept. 1 (AP)—Explaining that the company's expenses are increasing at a faster rate than are revenues, the Connecticut Power Co. management yesterday informed stockholders that 1954 earnings are running below those of 1953. Earnings for the first six months of this year amounted to \$11.2 a share, compared with \$1.37 a share earned for the first half of 1953. Operating expenses were about 6 per cent over the \$9,192,768 for the first six months a year ago.

### Rockville-Vernon Power Restored in City; Isolated Areas Crippled

Rockville, Sept. 1 (Special)—The youngsters were taken by ambulance to the City Hospital where she was admitted for minor injuries, consisting of a bruised forehead and slight abrasions. Injuries were not believed to be serious.

Patrolmen Rudolph Dornier and Lester Bartlett are in charge of the investigation.

All Tolland and Vernon news items are now handled through The Manchester Evening Herald. Rockville bureau located at One Market Street, telephone Rockville 5-3156.

### Carol Factor In Accidents

Four Crashes Reported; Woman Hurt; Damage Heavy in Some Cases

Hurricane Carol contributed to four accidents yesterday by straggling the streets with leaves and loading them with water. In two of the accidents, police reported wet brakes and added on leaves were the important cause.

The only person injured yesterday, Mrs. Eva Aronson, of 90 Woodbridge St., suffered a fractured neck about 9 a. m. when the car in which she was a passenger, driven by her husband Allan, was struck in the rear by a car

### Rockville-Vernon Power Restored in City; Isolated Areas Crippled

Rockville, Sept. 1 (Special)—A spokesman for the Connecticut Light and Power Co., said today that with the exception of isolated areas, power would be completely restored in the city today.

Crews worked through the night repairing damaged lines and will continue on a 24 hour day until all repairs are completed. Several sections of Burlington were still without power at noon, but Kenneth Waldron, spokesman for the Connecticut Light and Power Co., said that every effort was being made to have the work finished there today.

Meanwhile residents of the city and other nearby areas were clearing debris from their property and assessing the damage early this morning. Many homes were without street lights until late yesterday.

Many rooftops were damaged and windows shattered. The City Hospital reported that no cases of injuries resulting from the storm had been reported.

State Police Sgt. John J. Keefe, remained in the city during the storm and in constant contact with other members of the force by means of the mobile two way radios in the cruiser.

The Tolland County Mutual Firemen's radio network also pressed into service. Local departments as well as the Coventry, Ellington, West Hartford, Stafford Springs, Tolland and Staffordville radioed reports of storm conditions and notified various town and state departments of their activity.

The network will remain on the air until the power is completely restored. The local department sent a generator to provide powerful lights to the New London area.

The Aqueduct Co. reported this morning that, as a result of the heavy rainfall yesterday, the lake rose four inches. Tuesday morning's reading was 21.5 feet and today it was 21.93 feet.

Total measured rainfall was 2.82 inches. Rainfall for the month was 18.5 inches, against 14.4 in last August.

Town Meeting Held

All items on the agenda of the special town meeting held last evening were voted on in a 45 minute session attended by a dozen voters including two reporters.

First Selectman Herbert Page was named chairman of the meeting. The selectman explained that the sum of \$1,320.18 for the Tax Collector's account was to pay a refund; that the sum of \$564.51 was to be given out of the fund; that the \$1,500 was an addition not previously appropriated on the school bonds.

The selectmen and treasurer were authorized to borrow a sum not to exceed \$250,000 for current expenses.

It was voted to accept Rosewood Drive in the southern part of the town when the \$500 bond was posted for completion of the road in accordance with the selectmen's specifications.

Change in Date

The Pinnacle area Girl Scout leaders meeting has been changed to Thursday, Sept. 8 at the Ellington Congregational Church. A craft class will be given under the direction of Mrs. Maywill Sloan of the Milton Bradley Co.

All leaders, selected leaders, troops committees and prospective leaders are invited to attend. Each one planning to be present is asked to bring scissors and old cloth. Anyone planning to be present is asked to notify Mrs. Joseph Ulrich before Sept. 7.

Young Married Couples

The Young Married Couples Club of the Union Congregational Church will hold their first meeting of the season next Wednesday night. There will be a pot-luck supper at the church at 6:30 followed by a Scavenger Hunt. All members are urged to be present for this first meeting.

Fund Sale Planned

Kiowa Council, Degree of Pocomtuck, will hold a food sale at the Co-op store on Friday, Sept. 10 for the benefit of the Emergency Fund, March of Dimes. Members are asked to have their donations of food at the store by 10:30 a. m.

Emblem Club to Open

The Emblem Club will open its fall season Sept. 8 at the Elks home when a pot-luck supper will take place at 6:30 with Mrs. Josephine Johnston as chairman in charge.

Meeting Held

The Republican Town Committee meeting held last night in the Superior Court chambers voted to hold the general town caucus to nominate two representatives and 10 justices of the peace on Monday evening, Sept. 20.

Franklin Wells of Talcottville and Luther A. White of Rockville were Vernon's representatives in the last General Assembly and both are seeking re-nomination.

Child Hit

Janice Rivy, 5-year-old daughter of Mr. and Mrs. Frank Rivy Jr. of Regan Road, Vernon, was struck by a car while crossing Linden Avenue shortly before 11 o'clock this morning.

She was crossing the street near the building at 40 Windsor Avenue when a car operated by Gloria Cantor of RFD 1, struck her.

### Local Farmers Take Brunt of Storm Damage

(Continued from Page One)  
to reduced. Much of the money loss was not covered by insurance. Dobbin said, because most growers don't feel any need to take out wind damage policies, since the hurricane season generally commences after the tobacco is harvested.

Most of the shade-grown tobacco crop had been harvested at the time of the storm, but the growers will realize some losses in the form of netting.

Measurables at town the Park Dept. was busy all day cutting up and carting away the trees that were felled in the storm. Superintendent of Park and Tree Warden Francis F. Murphy said crew workers until dark yesterday clearing away debris on roads, highways, parks and public grounds.

Many Trees Down  
Reports of fallen trees were still coming in today. Murphy said and his department is relying largely on public cooperation in locating the trees, since there has been no time for him to make a survey.

The town Highway Dept. reported no serious wrecks as a result of the hurricane rain, but its crews were out helping the Park Dept. crews starting trees today.

Electric power was still out in areas early today. Parker Stern, manager of the Manchester Division of the Conn. Power Co., said three extra crews had been put in service to do repair work.

Soren said the crews were working to get all the power restored by noon today. He stated that all the power failures were caused by downed distribution lines, and that all the substations in town were operating.

Telephone repair crews were also working today to restore service in the areas where it had been interrupted. D. Lloyd Hobson, manager of the Southern New England Telephone Co. here, said that 371 phones were out of service from the storm. The failures were widespread, occurring over the entire exchange. There were no major cables cut, he said. However, two small cables with about 15 phones each, were cut of order. Hobson stated that all the Manchester phones were expected to be back in service today.

A large proportion of the failures were due to falling trees and limbs. Hobson said, citing other reasons such as water in the lines.

This number of outages is no worse than as great as it was in the 1938 hurricane, he said. "Fortunately," Manchester fared pretty well during the storm yesterday.

Basin 2-11 Inches  
The torrential rains totalled 2.11 inches yesterday, according to the Water Dept. By 8 yesterday morning, 34 inches had fallen, and from that time until 8 a.m. today 1.87 inches fell, they said.

Brown and Beure, local automobile dealers, lost three large plate glass windows at their showrooms at 208 E. Center St. The first window blew out about 12:45, they said, and the other two fell around 1:30 p.m. Insurance appraisers set the damages at about \$750.

The South Manchester Fire Dept. put only one circuit for about an hour yesterday, affecting about 10 fire boxes, according to Fire Chief W. Clifford Mason and Sgt. of Fire Alvaro Thomas McKinney. Mason and McKinney said the department was "very fortunate" during the storm.

### Island for Sale, Cash and Carry

Herald Photo  
The island, which provides for the Burgess to conduct a general restaurant and luncheonette in the building, is effective for three years with an option to buy. The lease became effective today.

Edward J. Holl, developer and expert on the history and geology of the Bolton lakes, explains the wanderings of islands in the water by pointing out that islands are no more naturally fixed than the lakes are naturally shallow. Just 100 years ago the swampy land in the area was dunned up in such a way as to create the three bodies of water now known as Bolton Lakes 1, 2, and 3.

In the process some of the swampy bottom got disintegrated and floated on the water's surface. Eventually the vegetation sent roots down far enough to imbed them in the bottom and the "islands" became anchored, but not firmly enough to withstand the suffering of strong winds.

Now Kittle is a bit puzzled about what to do with his new acreage. It's about 60 by 100 feet. He hopes to get some of his lake-overflowing friends together with their motor boats and just tow it away. He hasn't decided where.

HOUSING SHORTAGE  
Tokyo (AP)—Nine years after World War II Japan still is short 2,125,000 houses, says a white paper of the Construction Ministry.

This shortage persists despite the fact that Japan has rebuilt 2,600,000 houses since the guns ceased firing, the Ministry reports. One thing that has prevented a better job of erasing the ravages of war has been that 2,880,000 dwelling units were lost to fire, flood, and old age in that same nine-year period.

The government plans to build 40,000 new homes in the present fiscal year, including 10,000 units for industrial workers.

(Continued from Page One)  
persons now on the social security rolls will get a minimum increase of \$5 a month effective with their September check. The average payment for these persons is expected to go up \$4 to about \$37. The 1 1/2 million survivors and dependents will receive proportional raises.

The benefit formulas are rewritten so that future benefits will increase considerably. For instance, the maximum payment for an individual will be \$108.50 instead of \$85 as at present. For a couple the new maximum will be \$162.75 instead of the present \$127.50.

Salary Tax Base Raised  
The salary tax base will go up from \$3,000 to \$4,000 yearly effective next Jan. 1. This an individual will have to pay \$12 in additional taxes starting in 1955. His employer must do the same. For self-employed earning at least \$4,200, the tax boost will be \$13. The 2 per cent rate for employed workers and the 3 per cent rate for self-employed do not change until 1960.

HOUSE TROUBLES

### Candidates Asked Questions By League of Women Voters

The 17 candidates for nomination to the Board of Directors today began receiving questionnaires mailed by the Manchester League of Women Voters in which the League asks three questions on topics it considers important in the town's growth and development.

Answers will be published in The Herald.

The questions follow:  
1. If the general manager were to recommend Fire Consolidation to the Board of Directors, would you vote for Fire Consolidation as outlined in Plan I of the Fire Protection and Utilities Study Committee Report?

2. What do you consider the most important factors in the town's growth and development?  
3. Evaluating the needs and resources of our community, do you think the Manchester School Building Program to date has been:

### Blind Couple Sees With Sailor's Eyes

Such is the lure of a cruise to Nassau in the Bahamas that the E. W. Gays of 317 Forbes St., East Hartford, both blind, recently sailed there aboard the SS Nassau to enjoy the fine continental cooking, soft sea breezes and bright sunshine.

Follow passengers, astonished at the Gays' detailed knowledge of menus, the weather and surrounding sights, discovered the couple had been adopted by a "seeing eye" crew member who had a Braille typewriter aboard for corresponding with his blind father in Italy. Through the stream of friendly notes sent from the sailor, Guglielmo Goffi, they saw as well as heard and felt the magic of the quiet night, the aquamarine waters, the velvety beaches and swaying palm trees of Nassau.

Goffi, a veteran with the Corps of Engineers, was on the cruise and right back to the dock at New York.

Rotarians Hear Textile Official  
The protective tariff and profit sharing plans were the main themes of an address given last night to the Manchester Rotary Club by Alfred Calveon, secretary-treasurer of the Ailon Spinning Mill Corp. of Talcottville.

After commenting on the wide variety of fibers utilized by his industry in its spinning operations, Calveon listed the problems confronting the textile industry. For

## Salas Beaten In Comeback

### Ex-World's Lightweight Champion Loses Split Decision to Aguirre

Sacramento, Calif., Aug. 31 (AP)—Luis Salas, former world's lightweight champion, was surprised to lose tonight in a comeback fight, losing to Paddy Aguirre, via a split decision after 10 rounds.

### Bulls Tip Big Lead

Aguirre, in his 151 pounds, built up a lead in the early rounds but Salas made it close with his usual clearing rally. Salas, 128½, showed the effects of over a year's vacation from the ring. In the other half of the double main, Joe Lopez, the West Coast Young Junior, 126½, Springfield, Mo., won by a unanimous decision over George Berry, 126½, Springfield, Mo.

### Last Night's Fights

Manuel Beach, Fla.—Wallace (Bob) Smith, 127, knocked out Rafael Lastra, 144½, Havana, 7.  
Detroit—Ralph Capone, 135½, Chicago, outpointed Allen Kennedy, 140, Detroit, 10.  
New Orleans—Joe Brown, 135½, New Orleans, knocked out Nate Jackson, 135, New Orleans.  
Bacarran, Calif.—Pete Aguirre, 131, Los Angeles, outpointed Lauro Salas, 129½, Monterey, Mexico, 10.  
San Jose, Calif.—Kennedy Davis, 124, Los Angeles, stopped Freddy Evans, 125, San Jose, 10.  
Halifax—Richard (Kid) Howard, 137½, Halifax, outpointed Mike, 137, Halifax, 10.  
Amherst, Pa.—Bobby Neal, Henry Hank, fight canceled, real.

### Rush and Pollet Feature at Bat

Chicago, Sept. 1 (AP)—Veteran Cub pitcher Hovey Pollet and Bob Rush started at bat as well as on the mound yesterday as Chicago swept a doubleheader from Pittsburgh 14-2 and 7-3.  
Pollet, in taking the opener, collected three hits in five trips, including a double and batted in three runs. Rush, the second game winning hurler, aided his own three at bats and also knocked in three runs.

## Manchester's Crack American Legion Junior Baseball Team

Winners of the sectional title for the third straight year, members of the Dilworth-Correll-Quey Post 102, American Legion Junior baseball team are shown above. The crack outfit, which racked up a 14-2 record for the year, won the sectional and district title last year. From left to right: John Redmond, assistant coach; Harold Truitt, manager; and Bill Johnson, coach. Back row, left to right: Joe Moran, Ted Fairbanks, Ray Myers, Norm Moriarty.

## Only One Veteran Back Reports at High Drills

Coach Walker Briggs of the Manchester High school football team reported yesterday that only one returning player, backer Joe Curry, 117½, Springfield, Mass., will not return to the team this season. Briggs was coming heavily on Johnson, who quit plenty ground last season when Manchester rolled to an impressive record of seven wins and but one loss. Johnson has decided to pass up the pigskin sport and not risk any injury as he has a bright future as a baseball player.

## Batting Secrets Musial Practiced Hitting Ball to Opposite Fields

By STAN MUSIAL  
Cardinals Outfielder (Written for AP NewsFeatures) started in baseball as water boy for the Dodgers. "I did work there. Before games I'd go to the outfield and bag field. They had a short left field. I used to hit the ball to left field. I loved three things in those days— to hit, to get on base and to run the bases.

## Football Pros Play Before 94,000 for \$15-\$25 a Week

New York (NEA)—Professional football recruits must suspect that they're still playing the college game. Jack Marks of the Giants points out that recruits labor like galley slaves for nothing—no room and board and no money. He says that the college game is a trap for the unwary. A recruit who plays for a year and is not selected for the pros will have to pay for his own expenses. Marks says that the college game is a trap for the unwary. ## Willie Mays Gains In Baiting Race

Cincinnati, Sept. 1 (AP)—Willie Mays has moved right into the thick of the National League batting scramble, but he's still behind. He collected two hits in three at-bats in a game against the Red Sox. Mays is batting .375 in the league.

## Ballantine Beer watches your belt-line

More and more, the call is for Ballantine Beer. It's light, bright, wonderfully refreshing... and it has fewer calories, glass for glass, than any other leading beer. Ballantine's complete brewing process, you know, reduces the calories at the same time it brews in the flavor—the light, bright, refreshing flavor that has made Ballantine Beer one of America's largest selling beers. Ask the man for Ballantine—the beer that watches your belt-line.
